Dated the 24th January 1896.
No. 95

The following points are
noticed in the budget statements
and in the President's letter:—

(1) In the last column of
statement I-B, refunds amounting
to Rs. 150 are shown under Sanitation,
whereas in Appendix V to G.O. No.
23232, dated 29th November 1895, fur-
nished by the Accountant General,
they appear under Vaccination.

(2) Statement IV-B should
show the salary grants payable,
if any, to private schools from
Local Funds as required in No. 22
of the Local Fund Rules and not
the contributions expected from
Provincial Funds on account
of

of Local Fund Schools.

(3) In statement II the "fees" expected from the temporary toll gates at Mailar and Turnvatti should have been shown under tolls and not under sundry receipts.

(4) In column 2 of statement III the allotments to Taluk Boards should have been excluded from the general Local Fund receipts of the District Board.

(5) Proposition statements have not been submitted for the alterations in the hospital, vaccine, market and poultry establishments referred to in the President's letter.

(6) In the proposition statement relating to the educational establishments, received with the Director's letter, the school at Rakabla, which is proposed to be abolished, has not been shown.

(7)

cf para. 1 (ii) of the President's letter

(7) In the same statement the sweepers of the Chigikeri Madiga school is retained, but in statement IV - it no provision is made on his account.

(8) From the Treasury Deputy Collector's certificate at the foot of the same proposition statement, it appears that a Head master on Rs. 10 and an Assistant master on Rs. 5 were entertained in the Rupamagudi school from April 1894 and September 1895 respectively, but no mention is made of this in the President's letter, nor is it shown in the proposition statement.

(9) The information called for in G.O. No. 17912 dated 30th September 1895 has not been furnished.

2. The necessary corrections have been made with reference to clauses (2) and (4) of the preceding paragraph. The discrepancies noticed in

in clauses (1) and (7) should be explained and the omissions referred to in clauses (5), (6), (8) and (9) should be supplied as soon as possible.

LOCAL & MUNICIPAL DEPARTMENT
CURRENT No. 519

To, THE CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

Sir,

With reference to Government Memorandum No 95 dated 24th January 1896 on the District Board's Budget for 1896-97, I have the honor to reply as follows verbatim.

Memorandum clause 1

In 1891 the Bellary Taluk Board collected an amount of Rs 150 from the Madigas of Kare Kal-Verapuram, Bellary Taluk, for the construction of a well there. But subsequently the Taluk Board abandoned the work on account of the prohibitive cost, which it involved and refunded the amount (Rs 150) in January 1895 to the parties concerned. This amount of refund

has therefore to be shewn under "Sanitation" water supply and not under "Vaccination". The Accountant General's classification is incorrect.

Memorandum clause 5.

Proposition statements for alterations in establishments under Grant III have been already submitted to Surgeon General with the Government of Madras.

not yet received
in the Govt. Office

Memorandum clause 6

A proposition statement for the abolition of the Salary Result School at Rakatla is herewith submitted.

Memorandum clause 7.

As shewn in statement IV of the Budget for 1896-97 no provision was made for a sweeper in the Salary Result Madugu School at Chigaberi. The inclusion of one in the proposition statement seems to be an error in the fair copy. I beg it may be struck out and the fair copy corrected.

Memorandum clause 8.

The scale of establishment as per margin 1 Teacher on Rs 10
of the Salary Result School. Rupanagudi, Sweeper " 1
was altered to one teacher on Rs 8

and one sweeper on rupee one in the Budget for the year 1895-96. But for want of a competent hand on Rs 8, the Taluk Board retained the ten rupee post from 1st April 1895 and hence is the Treasury Deputy Collector's remark. Again in August 1895 in view of the increasing strength of the school the Taluk Board entertained in anticipation of sanction a second teacher on Rs 5. The Budget for 1896-97 provides for the above alterations in staff and the same are shewn in the proposition statement already submitted. However I beg to submit herewith for sanction a supplemental proposition statement for the alteration in scale of that school both as regards ten and five rupee teachers from 1st April and August 1895 to 31st March 1896.

Memorandum clause 9.

Of the 173 men employed under scavenging establishments in the unions and non-unions in the District 62 are exclusively

maintained to clear away faecal
matter while the rest are employed
exclusively for sweeping streets and
removing ordinary rubbish from
village sites.

Report on the Inspection of the Local Fund Accounts of the

To

THE *Accountant-General,*
Madras

SIR,

I have the honour to submit the following report on my recent inspection of the Local Fund Accounts of the *Bellary* District for the period extending from *September/94* to *October 1895*

2. The accounts were examined generally for the whole period (in accordance with the instructions given in the enclosure to Accountant-General's letter to Government, No. *L. F. D. 522*, dated the 29th February 1892, as modified by subsequent Government orders) and in detail for the months of *March and October/95*

3. All the defects found in connection with the accounts have been separately communicated to the President, District Board; the following points, however, deserve to be brought to the notice of Government.

(a) *The attention paid to the last inspection notes was defective.*

(b) *The expenditure in March 1895 under Grant I was rather more than one-third of the expenditure under the same head during the whole of the year 1894-95, the approximate figures being-expenditure during the year Rs. 11,9000, expenditure during March Rs. 41,000/- . Such crowding of expenditure into the*

last month of the year implies the hasty and in-
efficient check measurement of works and examination
of claims and consequently gives scope for fraud.

2. The last inspection notes are
being attended to.

3. The large expenditure in the
month of March is due to the
following causes.

- i To there being little or no
expenditure in the first four
months of that official year.
- ii To work on the road which
the Board intended to temporarily
abandon which carried an
allotment of Rs 1128 having
been begun late in the year.
- iii To certain other ^{new} works and
repairs having been sanctioned
between November 1894 & January
1895. on which nearly 19,000 Rs were
spent in the month of March.
- iv To bills for work done by Kurnool
& survey having been sent in for
payment only in the month of March
1895. Nearly Rs 5000 were paid on these
works.

4. Attempts are made to avoid crowding
of expenditure in future.
