(Land Revenue),

MADRAS.

Printed April 19th.

Proceedings, dated 23rd March 1895,
Forest No. 160.

Approving the proposal of the Collector of Salem to transfer to other departments or assign under the darkhast rules some of the Forest topes in the district and retain the rest in charge of the Forest Department, and stating that the Line tope may be sold in public auction, the proceeds being credited to "Forests."

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from E. P. POPERT, Esq., Conservator of Forests, Central Circle, to the Secretary to the Commissioners of Land Revenue, dated Madras, 22nd August 1892, No. 1407 :—

In forwarding No. 193, dated 11th April 1892, from the Collector of Salem, I have the honour to explain its submission was delayed as I wished personally to consult the Collector and District Forest-officer before sending the matter up. The following is the result of our consultation.

2. I enclose herewith three statements, A, B, and C. Statement A is 126 topes, approximate area 1,889·19 acres, will be retained in the charge of the Forest Department and their protection arranged for by its subordinates.

Statement B.—55 topes, 250·15 acres; it is proposed to hand over to the departments noted in the remark column. The departments concerned are not in a position to pay either the original cost or even the present value, and it is proposed they should be made over upon the condition that the areas are maintained as topes and not cleared.

Statement C.—90 topes, 1,123·12 acres; it is proposed to abandon and they will be dealt with hereafter under the darkhast rules. They are of no value to the department. Further expenditure upon the maintenance or protection would be waste of money. The present and even the proposed establisnment could not look after them. The department will recover the value of the standing trees when the land is darkhasted for.

3. In statement A are included all topes—

(1) that can be connected with existing or proposed reserves; or
(2) are sufficiently important to make separate reserves of; or
(3) are valuable on account of good soil, good growth, annual revenue to justify our maintaining them; or
(4) are good camping grounds, especially for Forest officers; or
(5) are likely to be useful for depôts or Forest offices or rest-houses; or
(6) are at present attached to or occupied by any Forest office or rest-house.

4. The topes that are retained should be declared reserved forests under section 25 of the Forest Act.

ENCLOSURE No. 1.—Statement A—"Topes to be retained by the Forest Department."

ENCLOSURE No. 2.—Statement B—"Topes to be handed over to the other departments."

ENCLOSURE No. 3.—Statement C—"Topes to be abandoned or to be dealt with under the darkhast rules."

ENCLOSURE No. 4.—Letter No. 193, dated 11th April 1892, from the Collector of Salem.

Reference on the above, dated 19th December 1892.

The lists of topes forwarded with the letter read above will be returned to the Conservator, Central Circle, for revision with reference to the following remarks :—

(1) It is observed that the annual lists of topes submitted with the Administration reports for 1890–91 and 1891–92 contain only 263 topes with a total extent of 3,060·85 acres, while the lists under reference contain 271 topes with a total area of 3,262·46 acres. There are also a great many variations in the extents of the several topes as reported in the annual lists when compared with those shown in the lists under reference. The Conservator is requested to explain these discrepancies.

(2) It is not stated for what special reasons the following topes included in statement A are proposed to be retained :—

No. 62 in Salem East Range—Yercaud Sacred Grove tope.
„ 9 in Tiruppattúr „ —Erunampatti tope.
„ 17 in „ „ —Odaya Muttu tope.
„ 9 in Hosur „ —Andivady E. tope.
„ 14 in „ „ —Bommandapally A. tope.
„ 21 in Krishnagiri „ —Kannundapally tope.
„ 21-A „ „ — Do. do.

In the case of the last-named tope, as well as of tope No. 32 (Sogathur B tope) in Dharmapuri range, particulars regarding the value of growth, &c., are also not given. These omissions should be supplied.

(3) The Conservator is likewise requested to ascertain from the Collector and report whether the several departments to which the topes mentioned in statement B are proposed to be transferred are willing to undertake their management and maintain them as topes.

(Signed) W. S. MEYER,
Acting Secretary.

To the Conservator, Central Circle, with three statements.

READ—the following letter from G. STOKES, Esq., Collector of Salem, to the Conservator of Forests, Central Circle, dated 5th February 1895, No. 4470-F. :—

In reference to your letter, dated 22nd December 1892, No. 1993, communicating copy of Board's Reference, dated 19th December 1892, on Forest Register No. 2810, I have the honour to state as follows.

2. With regard to the Board's observation that the annual lists submitted with Administration reports 1890–91 and 1891–92 contained 263 topes, while the Conservator's list referred to in the above Reference showed 271, I would point out that the former includes Jalarpet rest-house tope and Jalarpet waste ground tope in the Tiruppattúr taluk which were made over to the Madras Railway Company so far back as 1886 and 1887 and these should therefore be struck off this list. In six cases, as given in the margin, two separate topes are represented by one general number in the annual list, and the total therein is therefore less by six. If to the above number five topes (*vide* margin), which do not find place in the annual list and are therefore omissions, are added, the total number comes up to 272, which is the correct number of topes in charge of this department. It would appear that the total number of topes, as given in the list furnished from the Conservator's office, is 271, and the difference of one tope is due to the omission of Vellalapatti tope in the Salem East Range in the Conservator's list which has been now entered in the revised lists herewith forwarded.

Námakkal Taluk.

(1) Paramathy old tope and Paramathy new tope.
(2) Námakkal Deputy Collector's office tope and Námakkal School tope.
(3) Námakkal Taluk Cutcherry tope and Kamalalayam tope.
(4) Námakkal Hospital tope and Travellers' Bungalow tope.
(5) Anjalam tope and Pulanjeri tope.

Dharmapuri Taluk.

(6) Sogathur A. tope and Sogathur B. tope.

Námakkal.

1. Vellalapatti tope.
2. Mogamur North new tope.
3. Forest Range-office tope.

Hosur.

4. Denkanikota Forest office tope.
5. Do. small plantation tope.

3. The variation in the area of several topes as noticed by the Board is due to the fact that the extent in these cases as given in the annual list was only approximate and has been rectified with reference to the village accounts or by actual measurements. It has been since brought to notice that the extent was incorrect in 41 cases besides the above, and those have also been corrected.

The information asked for in paragraph 2 of the Proceedings has been now given in the revised lists above referred to.

4. Kannundapally A. tope referred to in sub-paragraph 2 of paragraph 2 of the Proceedings is a portion of No. 21, Kannundapally tope, but separated by a road. The particulars required for the former are included in the latter.

5. The particulars of standing growth, &c., required for No. 32, Sogathur B. tope, are given in the revised list.

6. With regard to paragraph 3, I have to state that list B contained 55 topes of which the Civil Court Compound tope, which was proposed to be made over to the Judicial Department, has been transferred to A list, as the District Judge declined to undertake the management of the same, and another, viz., No. 11, Arab Line tope, in the Salem East Range, has been transferred from list C to B as it was already proposed to be transferred to the Salem municipality, but this fact was lost sight of when the proposals were submitted in 1892.

7. Of the 55 topes referred to in the revised *B* list the consent of the several departments has been obtained in the case of 49 and is awaited in the case of the rest, and a further report will be forwarded when information is received. It was under contemplation to dispose of No. 13, Line tope, in the Salem East Range, in list *C* under the darkhast rules, but as the same is situated in a mitta village where the darkhast rules will not apply, the sanction of the Board may be obtained to sell the same in public auction.

8. Vániyambádi Orr's Choultry tope No. 11 in Tiruppattúr Range has been already sold for Rs. 525 with reference to Government Order, dated 14th January 1893, Mis. No. 42-L. (copy enclosed), and the sale-proceeds credited to Land Revenue and Forests.

9. No. 5, Shevaroy Hill Ghat or Longley tope, in the Salem East Range, has been already transferred to the Taluk Board by the Board of Revenue—*vide* Board's Proceedings, dated 15th March 1892, Mis. No. 265-F.

10. Three revised lists, A, B and C, together with those prepared in the Conservator's office, are forwarded herewith.

11. Nine rangewar tope lists received with the above are also returned.

Endorsement by E. P. POPERT, Esq., Conservator of Forests, Central Circle, dated Mamandur, 24th February 1895, No. 2130.

Copy, together with the revised lists received with the above, forwarded to the Secretary to the Commissioners of Land Revenue, with reference to Board's Reference on Forest Register No. 2810, dated 19th December 1892, the enclosures to which are also returned herewith.

2. It is observed that the reason for the proposal to retain tope No. 17, Odayamathur tope, in the Tiruppattúr taluk, mentioned in statement A, has been omitted to be given even in the revised list. It is presumed that the retention of the tope is considered desirable as it is valuable, containing, among other trees, a large number of tamarind (198) and mango trees (24).

3. With reference to paragraph 7 of the Collector's letter, it is requested that [illegible]n may be accorded to the sale of the Line tope (No. 13), the proceeds being [illegible] Forests.

ENCLOSURE No. 1.

Revised Statement A.

To be retained by the Forest Department.

Range.	No.	Name of tope.	If demarcated or fenced.	Area in acres.	Cost to end of 1890-91 in rupees.	Revenue obtained by annual lease.	Approximate value of standing growth.	District Forest-officer's remarks.
				ACS.	RS.	RS. A. P.	RS. A. P.	
Salem, East.	1	Pudur Nursery tope	Not demarcated—aloe fence on two sides and that of thorns on the other two.	2	1,416	9 0 0	200 0 0	To be retained for a nursery.
	2	Hastampatty Forest bungalow tope.	Not demarcated—aloe fence on four sides ..	1·36	..	1 13 4	75 0 0	Retain, as the bungalow may be required for Range officer.
	3	Civil Court compound tope ..	Do. do. ..	6	1,833	7 13 4	150 0 0	Retain, as the Judicial Department declines to undertake the management of the tope.
	4	Kollankoottai or Knox tope ..	Not demarcated and fenced	5·45	..	27 12 0	200 0 0	Retain, as it has a large number of tamarind trees.
	12	Line Local Fund bungalow tope.	Not demarcated. Thorn fencing on two sides and palisading on the other two.	1·50	..	0 6 8	10 0 0	To be retained, as the building will shortly be handed over to us.
	16	Ayothiapatnam tope	Aloe fence	8·13	1,862	18 0 0	360 0 0	To be retained, as it is a profitable one.
	17	Kattuveppalapatti tope	Demarcated—aloe fence	25	143	16 10 8	250 0 0	To be retained, as it is close to Godamalai reserve.
	18	Mettupatty tope	Do. aloe fencing	25	723	5 13 4	150 0 0	Do. do.
	19	Valasúr tope	Do. do.	25	1,355	..	100 0 0	To be retained, as it may be useful as a Tannah, being alongside of a public road.
	31	Vennandúr tope	Do. stone wall on the west ..	10	1,329	3 12 0	200 0 0	Retain, as it contains a large number of tamarind trees.
	35	Muthukalipatti tope	Do. aloe fencing	3·15	1,051	12 0 6	100 0 0	Retain, as it contains a lot of tamarind trees.

RESOLUTION—dated 23rd March 1895, Forest No. 160.

The Board accepts the proposal (1) to retain in charge of the Forest Department the topes mentioned in statement A, (2) to transfer to the departments named by the Collector those in statement B with the exception of the Vániyambádi Orr's Choultry tope in the Tiruppattúr range which has been already sold, and (3) to assign under the darkhast rules those named in statement C.

2. The Line tope may, as suggested by the Collector, be sold in public auction, the proceeds being credited to "Forests."

(True Copies and Extract.)

(Signed) L. M. WYNCH,
Secretary.

To the Collector of Salem.
" Conservator of Forests, Central Circle,
with nine rangewar tope lists returned.
Copy to the Land Revenue Branch.
" " Accountant-General.

RRENT No. 37032

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proc.

of the Board of Revenue (Land Revenue) dated 4th December 1895, No. 6055 Mss., on the following letter from the Asst Collector & District Magistrate of Salem, dated 22nd Novr 1895, Rep. on Rc. 1064 Instr.:—

I have the honor to state that the Tiruppattur Taluk Board has resolved to construct a Travellers Bungalow at Hosur, and the President requests that a site situated in the Government tope at that place may be made over to the Taluk Board for the purpose. The site selected is survey No 6 of the Varuna Nirtham village measuring 3.44 acres and assessed at Rs. 1-12-0. The whole tope known as the Varuna Nirtham Tope, of which the site required is a portion was till recently in the possession of the Forest Department when it was also-loned to be dealt with under the

the Lubkast rules. vide Item 16
in the revised statement printed
in Board's Proceedings dated
13th March 1895, No. 160 Forest.

I request that the sanction
of Government may be obtained
to transfer the site to the Lalek
Board. The question as to ~~the~~
whether the Lalek Board should
pay any assessment for the
site or whether it should be
permanently exempted from
payment will be submitted for
orders after the Bungalow has
been built and 5 years' accounts
are available as required in
Government order No. 861 / 2.10 93 Mean-
while I recommend that the
assessment may be foregone.

Resolution:— Submitted for the sanction of Government
in Order thereon 18th Dec. 1895 No. 5103.

Sanctioned.
