Extract from the annual Report
of the Assistant Director of
Schools 3rd division on Education
in Coosupah District during
1894-95.

Separational Schools.

25. A Separational School was
started in Jammalamasay
in August last or so and it worked
very indifferently owing to the
prevalence of Choler in those
parts. Only one Licensed Certificate
here, while the additional Separational
School, opened at Proddatur
for making the best of the
allotted money, passed 4 for
Certificates. The Separational School
worked for 2 months and some
days at Madanapalle and there
had complete passes. As 10
have to pass under only one

one operated bullock, money
and labours spent on them were
not thrown away.

It was this year that the
temporary arrangement of
making Inspecting School
masters teach Sectional classes
was given up and an itinerating
Sectional School is set up
with a qualified teacher at
Rs 25 a month. It seems very
necessary that the Inspecting
School masters also should
supplement the work of the
Sectional School by holding
Central classes and by sending
up a few from each Range.

CURRENT No. 639

To

The CHIEF SECRETARY TO GOVT.,

LOCAL FUND DEPARTMENT,

FORT SAINT GEORGE.

SIR,

In continuation of this office letter Ref No. 22937 dated 27-11-95 C No. 1560 dated 12th October 1895, I have the honor to state as follows:—

Clause 10

The amounts shown under repairs & communications in Statement No III for the repairs of the Union roads are correct. The President Taluk Board Siddhavattam in his letter No. 1583 dated 25th November 1895 reports that the word "Construction" entered in the particulars given in the foot note of Statement No II B is a clerical error for "repairing"

Clauses 14 & 15

The amounts shown in Columns 9 & 10 of Statement No IV A under "cost of new roads constructed" were incurred in the construction of Tunnels, Road dams Revetments,

parapet walls &c. The amount of Rs 22 shown in Col. 16 under the District roads was incurred on account of repairs of the Toll gate shed at Kodur Pullampet Taluk. X

Clause 29

The Treasury Deputy Collector reports that Results Grants are paid as Contributions from Provincial Funds towards the L. F. Salary Result Schools under the management of Taluk Board Presidents. The contribution so paid is adjusted in the L. F. Accounts by shewing it on the receipt and debit sides of the Accounts against the heads "Viz" of Contributions from Provincial Funds for Education " (d) grants in aid" payments by Results to Bare Result Schools respectively; and that the adjustment in question is of this nature. X

Clauses 51 & 53

The differences therein pointed out are due to Kurnams having been, in the Statement for 1894-95 shown as non-official members while in previous years, they have been shown as official and Ex Officio members by mistake. The figures furnished in the Statement for 1894-95 are correct. X

Clause 55

In the Statement of Vacancies

and appointments in Unions there are columns for ³ different classes. Viz

Ex Officio, Officials, and non officials. In these Columns 3, 1 & 6 respectively are shown against Rayachoti Union. But in statement No XVI A, only two Columns are provided i.e. Officials & non officials therefore 3+1 are shown under officials and 6 under non officials vide Cols 11 & 12 of the Statement. X

The two sets of figures therefore tally. Clause 73

The District Medical and Sanitary Officer after further enquiry reports as follows:—

- (a). Only one in patient was treated during the year 1891-92 in the Panimamilla Dispensary. ✓
- (b). The total number of in & out patients in the Siddhavaitham Dispensary, treated during the year 1892-93, are 2, and 4862 respectively. The total - ✓

number of out patients treated during
1893-94 was only 4750

(C) The total number of out patients
treated in the Layaehoti Dispensary
during 1892-93, was 3068

(d) The total number of out patients
treated during 1891-92 in the Badvel
Dispensary was 5222.

(E) The total number of out patients
treated in the Madanapally
hospital during 1893-94 was
9398.

Clause 74.

This is explained in the note
attached to Statement No XII
and the figures shown in the state-
ment are therefore correct.

Clause 75

12 major operations

were performed in Madanapally

hospital during 1894-95 as particularized
hereunder

9 Cases that were cured
2 discharged otherwise
1 was then under treatment

Clause 76

(a) The number of labour cases attended to
by the nurse of the Siddharattam Dispensary
during 1892-93 and 1893-94 were 498
59 respectively

Razampeta?

(b) So by that of the Chitvel
Dispensary during 1893-94 was 60.

Clause 77

The number of labour cases furnished
in Column 17 of the Statement No XII
are correct

Clause 78.

Current No. 6392 of 1896, dated 24th February from the President, District Board, Cuddapah.

Order.

No 5352 of 19.3.96

Recorded with the following remarks:—

(1) The necessary correction has been made with reference to the explanation furnished on clause (10) of the Government Memorandum, No. 1368, dated 26th September 1895.

(2) The expenditure incurred on the construction or repair of tunnels, road dams, toll sheds &c. should have been omitted from statement II-A, with reference to clause of para. 6 of G.O. No. 9872 dated 4th May 1889.

(3) The contributions received from Provincial funds for payment to Local Fund Salary Result School should not have been shown in statement II, which relates to private schools aided from Local Funds.

(4) The information furnished with reference to clauses (51) and (53) of the Government Memorandum above referred to does not explain the discrepancies noticed in some cases as some of the members who were treated as non-official

previous years are shown either as ex-officio or official members in the statements for 1894-95 and some others who were treated as official members in the previous years are shown as ex-officio members in the latter.

(5) If there were 3 ex-officio, official and 6 non-official members on the Royacholi Union Panchayat on the 31st March 1895, the figures given in statement XII-A in columns 7 and 8 headed "ex-officio" and "nominated" respectively should have been 3 and 7 respectively and not 4 and 6.

(6) As the difference in the number of out-patients treated in the Royacholi dispensary, as given by the District Medical and Sanitary Officer and the Madanapalle Taluk Board, has not been explained in the foot note to statement XII, as now reported, the necessary explanation should be furnished without delay.

(7) The discrepancy noticed in clause (76) of the Government memorandum in the number of labourers attended by the nurse attached to the Razampeta dispensary in 1892-93 has not been explained. This omission should now be supplied.

(8) The information provided with reference to clause (2) of the Government memorandum has not yet been received. This should be furnished without delay.
