No. 6,

Read Government Order No. 232 M.
dated 7th February 1896 sanctioning
the budget ^{estimate} of this Council for 1896-97.

Read also Government Order No.
355 M, Mis. dated 28th February 1896

Recording 2

recording the letter of the Sanitary Commissioner on the Council's budget proposals regarding sanitation and referring certain proposals of his for consideration.

Read also Government Order No. 316 M. Ins. dated 24th February 1896 recording the letter of the Director of Public Instruction on the budget-proposals regarding education and referring certain proposals of his for consideration.

1 — Government Order No. 232 dated 7th February 1896^{is} recorded.

2 — After carefully considering the suggestion of the Sanitary Commissioner the Council is of opinion that the financial condition of the Municipality does not admit of the extra expenditure proposed. The Sanitary Inspectors' pay has now been proposed to be fixed at Rs. 20 to rise to Rs. 25. This seems sufficient. The Municipality being small horse allowance seems unnecessary. The

The Council cannot afford to employ the extra number of Sweepers and scavengers ~~to~~ to have more rubbish and sewage carts for the present.

3 — As regards the suggestion of the Director of Public Instruction that a Common Drawing Master and a Gymnastic Instructor be employed by the Municipality, the Council regrets that it is not, in its present^{and} infant stage, the present state of its finances, prepared to adopt the suggestion. The matter will, however, be very carefully considered when the next budget is prepared.
