Order No. 353

The Constitution of the proposed
union cannot be approved, as the amount
of Rs 250 expected to be realized from
the levy of house-tax is too small
to allow the union panchayat to carry
out any appreciable improvement in the
sanitation of the villages under its control,
without relying largely upon contributions
from the Taluk Board, and it is not
equitable that the funds of the Taluk Board,
which are realized from the general body
of the rate-payers, should be expended for
the benefit of the small section of them
who reside in unions.
