Sir,

I am submitting herewith copy of  
the Councils resolution N<sup>o</sup> 4 dated  
14<sup>th</sup> February 1896, I have the honor  
to state as follows: Provision having  
been made in the budget for 1896-97  
for the entertainment of a Sanitary  
Inspector on R<sup>ds</sup> 20 per month  
from 1<sup>st</sup> April 1896, the Council

was

was desirous of appointing a trained man for the post and accordingly one of the Council's servants, L. Meenatchisundaram Pillai, a matriculate, was sent to the Madras Medical College for the necessary training at the Sanitary Class opened soon after the last Christmas holidays were over. He was birth and death registrar of the Municipality at the time he was sent. From a letter, however, from the Principal of the College, it appears that the said Meenatchisundaram Pillai is not eligible for admission in the sanitary class without the payment of the prescribed fee in as much as he was not a Sanitary Inspector at the time he was sent up for training. The question

came up before the Council whether the fees were to be paid by the Council or by the candidate and it has been decided that if the fees are to be paid at all, the Council will pay it, but that the Government be requested to declare him Sanitary Inspector with effect from 1st January 1896 on a salary of Rs. 10 per mensem that being the pay allowed to him during the course of his training.

It is, therefore, to request that Government will be pleased to declare him Sanitary Inspector from 1st January 1896.

A proposition statement for the revision of the Conservancy establishment is enclosed.
