The land referred to forms part of the village site Poramboke no 716 of the Trinipattur town. The Municipality does not, therefore, own the land and should not be allowed to sell it. As it is considered desirable that vacant sites of the kind should be built on so that they may afford no opportunity for the commission of nuisances, I recommend that it be sold by auction to the highest bidder.

2. On a former occasion when Government added land to the Trinipattur Town site, it was sold by auction the land there being very valuable. When Government wanted to take up land there, it was asked Rs 200 an acre for it.
