Sir,

I have the honour to submit that the lighting of this town was for some time past carried on under contract system and that it has not proved successful. Repeated fines and penalties imposed upon the contractor for various defects in lighting, had not the desired effect. The contract had therefore to be

cancelled

cancelled and the lighting of the town taken under departmental management from the 1st of February 1896. The trial of lighting by the Department during these few days, has given complete satisfaction both to the public and the council. It was therefore, on my motion, unanimously resolved at a meeting held on the 2nd March 1896, that the lighting be taken under departmental management for 1896-97. I may here observe that the Sub-Collector and ex officio councillor who was present at the meeting was also strongly in favor of the proposal.

In taking the lighting under the management of the Municipality, the marginally noted appointments were found necessary and they have been sanctioned by the council.

1 Superintendent on Rs 10 per mensem
5 masalchies on Rs 5-8-0 each per mensem.

I have the honor, therefore, to request you to be good enough to obtain the sanction of Government for the above.

Rs 1500 provided in the budget for 1896-97 under Grant IV(1)b will now include Rs 110 for Superintendence, Rs 300 for masalchis and the balance for contingencies.

Copies of Council's Resolution on the subject and the necessary proposition statement are herewith submitted.

I have the honor to be,
Sir,
