Dated Chatrapur 4th February 1896

Sir,

I have the honor to submit herewith a memorial submitted by V. Venkataratnam Pantulu together with his service register for the orders of Government. In 1893 the memorialist applied to my predecessor Mr. Higgins for pension & it was found on investigation that he was only entitled to a gratuity for the following reasons:- The entries in the service register of the petitioner show that he was a temporary gumasta or superintendent from 1st May 1854 to 30th September 68 and

in the P.W.D. —

L. F. Maistry permanent from 1st October 68 to 2nd May 1874. These appointments are not included in those which are pensionable under rule 80 of the L. F. Rules.

The petitioner contends, vide para 9 of his petition, that the term "L. F. Maistry" is identical with "Sub overseer" but in the absence of a ruling this contention cannot be accepted. From 3rd May 1874 to 5th November 1874, petitioner was a temporary irrigation maistry. He was L. F. Sub overseer 3rd grade from 6th November 1874 to 17th July 1882. As this period is pensionable under rule 80 of the L. F. Rules, he was found entitled to a gratuity of 7 months average emoluments under article 518 of Civil Service Regulations. Mr. Higgens informed the memorialist accordingly. The latter however refused to accept the decision and still contends that he is entitled to pension.

Under 1874 L / 7-8-91.

The proper course apparently would have been to have forwarded under rule 86 of the L. F. Rules, memorialist's original application for pension through the Accountant-General to Government with a recommendation that he should be granted the gratuity which it was considered he was entitled and I would suggest that Government may direct that this should now be done.

I have the honor to be
Sir
Your most obedient Servt
R. Ashe.

Sir, In continuation of this office letter No: 1630 of 5th November last, I have the honor to inform you that according to the revised statement of services of V. Venkatarathnam Pantulu whose service register you have sent in filled up with your letter No: 478 of 19th February last, his total verified service falls under 3 different classes. As L. F. Maistry, he has 5 1/2 years service. This is not pensionable. He was only for 10 months as maistry on Imperial works and this service is inferior. His service as L. F. Sub Overseer amounts to $\overset{Y}{7}$ – $\overset{m}{1}$ – $\overset{d}{6}$ and this counts. He is therefore entitled to a gratuity of seven months average emoluments.

in his Service Book.

15. In the humble opinion of your Petitioner, it is a singular misfortune that the designation by which he was designed in the Service Book does not find mention in the above G. Os.

16. Your Petitioner was abolished from service as Sub-Overseer in July 82. But he continued to serve Government even after that time till 31st. March 1895.

17. Your Petitioner will consider himself very unfortunate if it is to be decided that the period of his pensionable service is only 7 years and odd as the President District Board Ganjam has been pleased to conclude.

18. Your Petitioner is a poor man and served Government very zealously and faithfully for a period of 40 years in the hope of earning a pension.

19 Your Petitioner humbly begs to state that he is a fit object for mercy and deserves to be treated with favour and indulgence.

20 In these circumstances your Petitioner most humbly and respectfully prays your Excellency will be most graciously pleased ~~to~~ consider all the above points and order that he may be declared eligible for such pension as t

will allow; for which act of charity your Petitioner will consider himself deeply & bound in gratitude to your Excellency.

Chatrapur D/ 29/11/95

V. Venkataratnam

dated 2-6-68.

7 Your Petitioner also begs to point out that the period covered by items 10 & 11 is connected with Imperial Petty Establishment also.

8 Your Petitioner was entertained in Service prior to the date mentioned in the aforesaid G. O, namely, the 20th. May 1881.

80. 10387D/20-6-74

9. The designation of Local Fund Maistry is the same as the designation of Sub-Overseer. The pay and the travelling allowances of both are the same. On the ground that the name Local Fund Maistry does not appear in the aforesaid G. O, the President District Board Ganjam erroneously concluded that the Service of Local Fund Maistry is not pensionable. Herewith are submitted 4 orders appointing your Petitioner as L. F. Maistry.

(1) Extract from the District Gazette of Ganjam dated 11-11-68
(2) Order No 199 ...... dated 18-11-68
(3) Order No 200 ...... do. 16-8-69
(4) Order No. 218 ...... do. 20-8-69

10. Your Petitioner is the only unfortunate Local Fund Maistry now left of all Maistrys appointed in 1868. All other Maistrys were promoted to a Superior Grade. Some of them are now in Service as 1st. Grade Sub-Overseers. The period of Service as Maistry is entered up in the Service Books of those Officers. Your Petitioner begs to point among others one particular instance

instance in proof of this statement, namely, the case of Guduri. Venkatachalum Pantulu Garu who is now in receipt of a pension of Rs 10 per mensem in the Krishna District. x His Service as L. F. Maistry was held pensionable.

11. Your Petitioner's Service as Irrigation Gumasta (Item 11) is shown in the Service Book as relating to the Imperial Petty Establishment. Vide column 11 of the Service Book, herewith submitted.

12. Your Petitioner is a Government Servant of very long standing. He is not to be held responsible for the description given to his Service given by the various Superior Officers under whom he Served, namely, as Gumasta, as Superintendant, and as Local Fund – Maistry and so on.

13. Your Petitioner can confidently assert that all his Service was in connection with Road Fund and Imperial Petty Establishment as well as Local Fund Departments.

14. In the humble opinion of your Petitioner it is not just that his Service in those Capacities should be regarded as non-pensionable simply on the ground that the recent G. Os of 1886 + 1891 do not make mention of the particular names by which your petitioner is described

in

3 With a view to retire, your Petitioner applied for Pension at the end of the Official year 1834-35. The President District Board Ganjam was pleased to remark with reference to his application that he was not eligible for pension and that he might be granted only Gratuity for the period covered by items 12 + 13 only on the ground that the period covered by items 10 + 11 does not count for pension. Vide letter of the President District Board Ganjam to L. F. Supervisor Chicacole dated Chicacole 2nd. May 93 No D.

4. Your Petitioner begs to represent that the decision of the President District Board Ganjam is erroneous for the reasons stated below.

5. Your Petitioner begs to point out that G. O. No 375 (1874 L?) dated Ootacamund August 7, 1891 declares that the following Servants in the Local Fund Establishment entertained prior to the 20th. May 1881 are entitled to pension, namely, Overseers, Sub-Overseers 1st., 2nd. + 3rd. Grades, Overseers' clerks, and lascars forming petty Establishment under the Former Road Fund &c. &c. &c.

6. Your Petitioner begs to point out that the period of his Service covered by item 8 is connected with Road Fund and the period covered by item 9 is connected with Imperial Petty Establishment as will appear from orders herewith Submitted No. 91 dated 25-5-67 + No 63 dated

3 With a view to retire, your Petitioner applied for Pension at the end of the Official year 1884-85. The President District Board Ganjam was pleased to remark with reference to his application that he was not eligible for pension and that he might be granted only Gratuity for the period covered by items 12 + 13 only on the ground that the period covered by items 10 + 11 does not count for pension — Vide letter of the President District Board Ganjam to L. F. Supervisor Chicacole dated Chicacole 2nd. May 93 No D.

4. Your Petitioner begs to represent that the decision of the President District Board Ganjam is erroneous for the reasons stated below.

5. Your Petitioner begs to point out that G. O. No 375 dated Ootacamund August 7, 1891 declares that the following Servants in the Local Fund Establishment entertained prior to the 20th. May 1881 are entitled to pension, namely, Overseers, Sub-Overseers 1st., 2nd. + 3rd. Grades, Overseers' clerks, and lascars forming petty Establishment under the Former Road Fund
