G.O., No. 142, Financial, dated 5th March 1896.

Read—the following letter from the Accountant-General, Madras, to the Chief Secretary to Government, dated 4th March 1896, No. 675:—

With reference to G.O., No. 1026, Financial, dated the 18th December 1895, I have the honour to forward the accompanying statement showing the results of the consolidation of the District Boards estimates of Local Funds under Act V of 1884 for 1896-97, and to request that you will be good enough to let me know, as soon as possible before the 9th instant, for communication to the Government of India by wire, whether the figures shown in the last column may be finally adopted.

2. I may in this connection bring to the notice of Government that considerable sums as "reserves" are still provided for in the estimates received from District Boards contrary to the instructions of the Government of India embodied in G.O., No. 1354, Financial, dated 19th December 1891. But I have omitted them from the accompanying statement.

3. This year also some of the district estimates were received long after the prescribed date (20th January). The estimates from Trichinopoly, South Arcot, Malabar and Kistna were not received here before the 24th February, while that from Ganjam was received only on the 2nd instant.

Order—No. 142, Financial, dated 5th March 1896.

The figures shown in the last column of the Accountant-General's statement are accepted.

2. Paragraphs 2 and 3 of the Accountant-General's letter will be dealt with in the Local and Municipal Department.

ORDER—No. 575 L., dated 23rd March 1896.

With reference to paragraph 2 of the Accountant-General's letter, it is observed that the Government of India objects to the provision of "reserves" in the civil estimates submitted to it and not, it is understood, to the inclusion of such a provision in the Local Fund budgets furnished by Presidents of District Boards.

2. Presidents of District Boards will be requested to submit their budget estimates to the Accountant-General within the prescribed date. It is most unsatisfactory that the estimates from Trichinopoly, South Arcot, Malabar, Kistna and Ganjam should have been submitted so late.
