District Board, Godavari

Sir,

I have the honour to acknowledge your
Dis. No. 83 and to say that the establishment asked for, in
my No. 528 only included that for the steamer proper.

If we stop at places where a ballast
for landing passengers has to be kept, a lascar is necessary
or the ballast will not be kept in position, for the river
is tidal.

At Narasapur and Ragole a lascar
must be kept, for, at both places, we have ballast
and staging to land passengers.

The ballasts are required, for, as a proof
that landing passengers in the dinghy is dangerous, it has
been reported to me that the dinghy has been twice

27. Read Letter N 620, Dated 26.1.96 from the District
Board Engineer, requesting sanction for the entertainment
of a lascar on Rs 6 per mensem at Ragole to watch
the ballast attached to the Narasapur Ferry Steamer.

The entertainment of an additional lascar on Rs 6
per month is sanctioned under the circumstances
explained by the District Board Engineer, in
anticipation of the sanction of Government
which will be applied for.
