The Chief Secretary to Government,
Local and Municipal Department,
Madras

Sir,

I have the honor to state
that Mr. J. B. Macfarlane District
Board Engineer Salem, claimed an
allowance of Rs 173-4-0, - Rs 87-4-0
for his journey from Mangalore
to Salem, Rs 36 for the conveyance
of his luggage and Rs 50 for marching
his horses. The allowance claimed
for his journey was paid in
accordance with the sanction
contained

And when it is considered that in
the interests of the District Board
it is necessary that the officer
should bring his horses, Mr Macfarlane
in this case, has brought his horses
by

by land route and claims Rs 50 on account of the conveyance. If he had brought his horses by steamer and by rail the amount payable to him would have been larger by some Rs 50 than the amount now demanded and would have been paid, as it would have been to the advantage of the District Board that he should have been in a position to move about the district as soon as he joined the district. The matter was referred to the District Board and it considers that it is reasonable to pay the sum of Rs 50 now claimed by him. I request

request that the Government will
be pleased to sanction the
payment.

I have the honor to be

No. 563

From

J. C. Harrison Esquire,
OFFICiating ACCOUNTANT-GENERAL

To

THE Chief Secretary to Government,
Local and Municipal Department,
Fort Saint George.

SIR,

With reference to the Acting Assistant
Secretary's endorsement No. 41, dated the 17th January
1896, referring to me for remarks a letter from
the President of the District Board, Salem,
requesting sanction of Government for the
payment of the cost of conveyance of a horse
of the Local Fund Engineer, from Mangalore
to Salem by land route, I have the honour
to state that the claim is inadmissible, as
article 1093 of the Civil Service Regulations is
intended only to meet the case of an officer
required

required to carry his horse with him by a rapid mode of conveyance (vide letter N^o 2402 dated 9th June 1892 from the Government of India recorded in Government order N^o 652 Financial, dated 21st June 1892). It will be seen from para 3 of the letter in question that the Government of India have further ruled that the Local Government should refuse to pass the cost of carriage of horses even by steamer or railway when the interests of the Public Service could have been equally well served by the adoption of a slower means of conveyance.

I have the honour to be
Sir,

Your most obedient servant
