SIR,

With reference to para 4 of
G. O No 194 L, Dated 29th January 1896
I have the honor to report the Circumstances
under which it was proposed to use
Lancina Paste instead of fresh animal
lymph for Vaccination in this District Board.

1. In his letter to the Board No 1858
Dated 12th June - 1895, the District Medical
and Sanitary Officer, intimated that Govern-
ment had sanctioned the use of Lancina
paste from Bangalore for Vaccination
the Bellary Municipality and the

G. O No 851 M. S. D.
Dated 20th May 1895

It was also in the whole District, the
 Chief reasons in its favour being that it
 was less expensive and is always
 available.

2. The District Board at its meeting
 held on 12th July 1895 discussed the subject
 and approved the change advised by
 the District Medical and Sanitary Officer
 on condition that there was no difference
 in the method of application.

3. The fact that there was no difference
 in application was then ascertained
 from the District Medical & Sanitary Officer
 and the use of the scale was ordered
 to be brought into effect in the whole
 District.

4. A Copy of the District Board's Resolution
 quoted above is enclosed.

I have the honour to be
 Sir
 Your most obedient servant.
