Enclosure.

SIR,

With reference to Official Memorandum
No. 1694 dated 28th Novr. 1895, I have
the honour to state that my sug-
gestion was made on the ground
that I conceived Local Fund
Boards were intimately concerned
with all matters affecting the
sanitary safe conduct of Festivals.
Practically, it is solely from funds
supplied by these Bodies that —
sanitary arrangements are made,
and, consequently, I regarded
it as advisable that they should
be kept informed of the action
Government had directed should
be taken. It also seemed to me
quite possible that in carrying
out the order as to the erection
of temporary latrines, it might
occur

occur that the Railway authorities, even if instructed by the Revenue authorities, might commit the mistake of placing them within the catchment areas of local water supplies. A knowledge of action intended on the part of the Local Fund Boards might prevent such mistakes occurring.

I have the honor to be,
 Sir,
 Your most Obedt Servant,
W. H. Murray
 Surgeon Lieut. Col,
 Sanitary Commissioner
