Medical and Sanitary Officers, but a local allowance of Rs. 10 under G.O., No. 1520, Public, of 14th November 1881. These two items are struck out from Appendix A, and the entry against Cuddapah and Kurnool in Appendix B has been modified thus:—

"Hospital assistants attached to the municipal hospitals at Cuddapah and Kurnool and those doing duty under the District Medical and Sanitary Officers whether employed at head-quarters or detailed for service in the interior of the district".

Gódávari.—The other dispensaries not mentioned by the Accountant-General were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. The dispensary at Setaramapuram was included in the list as per G.O., No. 240, Financial, dated the 15th March 1895, but, as it does not appear to have been opened, it may be omitted.

Madura.—The allowance for the dispensaries at Andipatti, Aruppukóttai, Butlagundu, Kamudi, Kílakarai, Mánámadurai, Mudukulattúr, Nattam, Tiruppattúr, Tiruppuvanam, Tiruvádánai, Védasandúr and Vallanadi was fixed at Rs. 10 on the strength of G.O., No. 188, Financial, dated the 5th March 1894, to enable the local authorities to determine the rate of allowance for Government medical subordinates when employed there owing to local transfers.

Nellore.—All the district board hospitals and dispensaries have been omitted as these are exclusively in charge of locally-trained men who have alone been hitherto posted to such charges.

Tanjore.—Kumbakónam is now in charge of a civil apothecary. It was considered necessary to retain the item in the list as men of hospital assistants' class are sometimes temporarily posted to such charges during leave, &c., of the permanent incumbents.

Tinnevelly.—Sérmádévi is now in charge of a Government hospital assistant. It may be retained in the list. Ettiyapuram, Idaiyangudi, Tirukarangudi, Verakeralampudur and Tinnevelly were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. These items may be kept on the list—*vide* remarks against South Arcot, Malabar and Madura.

As regards the retention of a few dispensaries which were closed, the local bodies are sometimes in the habit of closing their dispensaries for short periods for want of funds and re-open them when their finances improve. To avoid, therefore, the necessity of fresh sanction being again obtained from time to time in such cases it was considered desirable to let them remain in the list.

Chingleput.—The dispensaries at Sembiam, Pálúr and Walajabad are not in existence.

2. On comparing the list with Statement V of the Civil Dispensary report, I regret that the latter differs from the list in some cases, which were due to errors partly caused by the misplacement of symbols and partly attributable to faulty checking in my office. The clerk who drew up the statement has since been pensioned, as he was found quite unfit for the work entrusted to him. This statement is drawn up in the statistical branch of this office from the annual returns submitted by District Medical and Sanitary Officers and Civil Surgeons.

3. The list is herewith returned duly corrected.

Order—No. 158, Financial, dated 11th March 1896.

The appendices to these Proceedings contain the following lists revised up to date:—

(1) Subordinate medical charges to which a charge allowance of Rs. 10 is attached, together with the local allowances which have been sanctioned in special cases;

(2) charges to which local allowances *alone* are attached.

2. With reference to his remarks in regard to the charge allowances drawn by *Local Fund* hospital assistants, *i.e.*, attached to certain dispensaries in Madura * and Nellore,† the Accountant-General will be informed that G.O., No. 188, Financial, dated 5th March 1894, fixing a uniform rate of charge allowance (Rs. 10), applies only to the cases of *Government* hospital assistants and does not affect any arrangement by which hospital assistants trained at the charge of local funds draw charge allowance according to their standing.

2. With reference to his remarks in regard to the charge allowances drawn by *Local Fund* hospital assistants, *i.e.*, attached to certain dispensaries in Madura * and Nellore,† the Accountant-General will be informed that G.O., No. 188, Financial, dated 5th March 1894, fixing a uniform rate of charge allowance (Rs. 10), applies only to the cases of *Government* hospital assistants and does not affect any arrangement by which hospital assistants trained at the charge of local funds draw charge allowance according to their standing.

* G.O., No. 2088 L., dated 6th November 1888.

† G.O., No. 1027, Financial, dated 18th October 1893.

„ the Local and Municipal Department.

Medical and Sanitary Officers, but a local allowance of Rs. 10 under G.O., No. 1520, Public, of 14th November 1881. These two items are struck out from Appendix A, and the entry against Cuddapah and Kurnool in Appendix B has been modified thus:—

"Hospital assistants attached to the municipal hospitals at Cuddapah and Kurnool and those doing duty under the District Medical and Sanitary Officers whether employed at head-quarters or detailed for service in the interior of the district".

Gódávari.—The other dispensaries not mentioned by the Accountant-General were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. The dispensary at Setaramapuram was included in the list as per G.O., No. 240, Financial, dated the 15th March 1895, but, as it does not appear to have been opened, it may be omitted.

Madura.—The allowance for the dispensaries at Andipatti, Aruppukóttai, Butlagundu, Kamudi, Kílakarai, Mánámadurai, Mudukulattúr, Nattam, Tiruppattúr, Tiruppuvanam, Tiruvádánai, Védasandúr and Vallanadi was fixed at Rs. 10 on the strength of G.O., No. 188, Financial, dated the 5th March 1894, to enable the local authorities to determine the rate of allowance for Government medical subordinates when employed there owing to local transfers.

Nellore.—All the district board hospitals and dispensaries have been omitted as these are exclusively in charge of locally-trained men who have alone been hitherto posted to such charges.

Tanjore.—Kumbakónam is now in charge of a civil apothecary. It was considered necessary to retain the item in the list as men of hospital assistants' class are sometimes temporarily posted to such charges during leave, &c., of the permanent incumbents.

Tinnevelly —Sérmádévi is now in charge of a Government hospital assistant. It may be retained in the list. Ettiyapuram, Idaiyangudi, Tirukarangudi, Verakeralampudur and Tinnevelly were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. These items may be kept on the list—*vide* remarks against South Arcot, Malabar and Madura.

As regards the retention of a few dispensaries which were closed, the local bodies are sometimes in the habit of closing their dispensaries for short periods for want of funds and re-open them when their finances improve. To avoid, therefore, the necessity of fresh sanction being again obtained from time to time in such cases it was considered desirable to let them remain in the list.

Chingleput.—The dispensaries at Sembiam, Pálúr and Walajabad are not in existence.

2. On comparing the list with Statement V of the Civil Dispensary report, I regret that the latter differs from the list in some cases, which were due to errors partly caused by the misplacement of symbols and partly attributable to faulty checking in my office. The clerk who drew up the statement has since been pensioned, as he was found quite unfit for the work entrusted to him. This statement is drawn up in the statistical branch of this office from the annual returns submitted by District Medical and Sanitary Officers and Civil Surgeons.

3. The list is herewith returned duly corrected.

Order—No. 158, Financial, dated 11th March 1896.

The appendices to these Proceedings contain the following lists revised up to date:—

(1) Subordinate medical charges to which a charge allowance of Rs. 10 is attached, together with the local allowances which have been sanctioned in special cases;

(2) charges to which local allowances *alone* are attached.

Medical and Sanitary Officers, but a local allowance of Rs. 10 under G.O., No. 1520, Public, of 14th November 1881. These two items are struck out from Appendix A, and the entry against Cuddapah and Kurnool in Appendix B has been modified thus:—

"Hospital assistants attached to the municipal hospitals at Cuddapah and Kurnool and those doing duty under the District Medical and Sanitary Officers whether employed at head-quarters or detailed for service in the interior of the district".

Gódávari.—The other dispensaries not mentioned by the Accountant-General were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. The dispensary at Setaramapuram was included in the list as per G.O., No. 240, Financial, dated the 15th March 1895, but, as it does not appear to have been opened, it may be omitted.

Madura.—The allowance for the dispensaries at Andipatti, Aruppukóttai, Butlagundu, Kamudi, Kílakarai, Mánámadurai, Mudukulattúr, Nattam, Tiruppattúr, Tirupuvanam, Tiruvádánai, Védasandúr and Vallanadi was fixed at Rs. 10 on the strength of G.O., No. 188, Financial, dated the 5th March 1894, to enable the local authorities to determine the rate of allowance for Government medical subordinates when employed there owing to local transfers.

Nellore.—All the district board hospitals and dispensaries have been omitted as these are exclusively in charge of locally-trained men who have alone been hitherto posted to such charges.

Tanjore.—Kumbakónam is now in charge of a civil apothecary. It was considered necessary to retain the item in the list as men of hospital assistants' class are sometimes temporarily posted to such charges during leave, &c., of the permanent incumbents.

Tinnevelly.—Sérmádévi is now in charge of a Government hospital assistant. It may be retained in the list. Ettiyapuram, Idaiyangudi, Tirukarangudi, Verakeralampudur and Tinnevelly were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. These items may be kept on the list—*vide* remarks against South Arcot, Malabar and Madura.

As regards the retention of a few dispensaries which were closed, the local bodies are sometimes in the habit of closing their dispensaries for short periods for want of funds and re-open them when their finances improve. To avoid, therefore, the necessity of fresh sanction being again obtained from time to time in such cases it was considered desirable to let them remain in the list.

Chingleput.—The dispensaries at Sembiam, Pálúr and Walajabad are not in existence.

2. On comparing the list with Statement V of the Civil Dispensary report, I regret that the latter differs from the list in some cases, which were due to errors partly caused by the misplacement of symbols and partly attributable to faulty checking in my office. The clerk who drew up the statement has since been pensioned, as he was found quite unfit for the work entrusted to him. This statement is drawn up in the statistical branch of this office from the annual returns submitted by District Medical and Sanitary Officers and Civil Surgeons.

3. The list is herewith returned duly corrected.

Order—No. 158, Financial, dated 11th March 1896.

The appendices to these Proceedings contain the following lists revised up to date:—

(1) Subordinate medical charges to which a charge allowance of Rs. 10 is attached, together with the local allowances which have been sanctioned in special cases;

(2) charges to which local allowances *alone* are attached.

2. With reference to his remarks in regard to the charge allowances drawn by *Local Fund* hospital assistants, *i.e.*, attached to certain dispensaries in Madura * and Nellore,† the Accountant-General will be informed that G.O., No. 188, Financial, dated 5th March 1894, fixing a uniform rate of charge allowance (Rs. 10), applies only to the cases of *Government* hospital assistants and does not affect any arrangement by which hospital assistants trained at the charge of local funds draw charge allowance according to their standing.

G.O., No. 56, Financial, dated 21st January 1895.

Abstract.—Passing orders regarding the grant of local allowances to hospital assistants attached to certain institutions.

Read—also the following papers:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Ootacamund, 30th August 1895, No. 671-T.

With reference to your memorandum No. 1849, Financial, dated the 9th August 1895, I have the honour to return the lists of charge and local allowances duly verified.

2. The medical subordinate attached to the Collector's establishment, Cuddapah, is only granted a charge allowance of Rs. 10, but no local allowance. Accordingly, the entry against his name has been struck out from the list.

3. The item, Pedda Kimedi, in the Ganjám district, is struck out from the list as there is no station by the name in the district.

4. The list as it stands is correct and there appears to be no necessity to transfer any of the items from Appendix A to B, as there are no appointments included in A, for which only local allowances are sanctioned.
