SIR,

I have the honor to bring to your notice that a portion of the bed of the Vigarati River on the South-west of the town has from a long time past been used as a burial and burning ground. The Head works of the Conjeeveram water project now undertaken lie close to it. The said burial and burning ground being considered objectionable, another convenient place for burial and burning sufficiently far away from the said works toward the east has been selected by the Council. Sanction of Government is earnestly solicited for the issue of notification required to be published under Section 240(1) of the District Municipalities Act.

Copy of the Council's resolution on the subject is herewith enclosed.

I have the honor to be
Sir,

Your most obedient servant
