SIR,

I have the honor to state that in
Grant III of the budget estimate of the
Tinnevely District Board for the year 1896-97,
no provision is made to meet the recommend-
-tions of the District Medical and Sanitary
Officer on behalf of hospitals and dispensaries
a list of which is subjoined.

(1) Tinkaranainar Koil Hospital-erection
of a godown is necessary.

(2) Thermadevi dispensary- Repairs to
the floor, veranda &c and provision for dress-
-ing rooms for males and females and of an
Almirah for keeping records.

(3) Thiruvankuntham Hospital- Provision
for dressing rooms for males and females and
a contagious shed.

(4) Tenkase dispensary- Provision for
(a) a veranda on the western side of the dis-
-pensary (b) two windows on the eastern wall
instead

2. The recommendations in the case of the first three dispensaries named above have not been complied with for the present for want of funds. As regards the fourth and the last named, the board report they cannot be carried out as the question of handing over the building to the Revenue Department for the use of the Stationary Sub magistrate is under correspondence and the construction of a new building at the Station is now under contemplation. The matter of repairing the Tenkasi dispensary should be carried out.
