In forwarding herewith copy of District Board resolution 984 dated 14 March 1896, I have the honor to state that the tools specified in the margin were lent to one Maistry Earle, of South Canara taluk by late-overseer, C. S. Shandalegra. The Maistry was repeatedly called upon to return the tools but he did not. His prosecution was accordingly sanctioned by my predecessor Mr. Roberts on the recommendation of the then District Board District Engineer Mr. Underwood. In the meanwhile the Maistry returned a few of the tools and promised to procure the rest from the coolies who worked under

under him. His prosecution
was therefore deferred by Mr. Andrew-
wood on condition that the
maistry would give a new receipt
for the balance of tools due by him.
The Maistry overseer who was then
ordered to submit a full report
later on, now states that the
maistry has no tools in his possession,
that his head cooly who was
in direct charge of them is not in
squad and that he is therefore un-
willing to grant a fresh receipt as
ordered by Mr. Andrewwood. Mr. Maylor,
the present District Board Engineer,
is of opinion that there is no
use of prosecuting the maistry
as he is so poor that he has no
house to live in. The whereabouts
of the head cooly who was in charge
of the tools are also not known
and in these circumstances I
request that Government will
be pleased to accord its sanction
for writing off the accounts the
value of tools not returned amounting
to Rs 40 as shown in the resolution.

Have the honor to be
Sir

Yours most obedt Servt.
