cellency will give this your Excellency's kind
consideration & see justice done to your
Petitioners humble request.

2. Your Petitioners beg to state that
there is a Public Latrine being erected
by the Municipality on the Wall Jay Road
just nearly the Trinity Chapel. Your
Petitioners shew cause to the Municipality

their grievances to the Health Officer
in spite of which the Latrine is being
erected. Your Petitioners are very dis-
satisfied in Park Town, & feel very much
grieved at the decision arrived by the
President Municipal Commission
and the Health Officer. This Latrine
in a Public Locality during the coming
Hot season will certainly spread the Ep-
idemic disease, and it will also dis-
turb the Passengers at the Madras

Railways. As your Petitioners having
no other alternative beg most respectfully
fully to appeal to your Excellency fully
trusting that this our humble ap-
peal will be duly considered if
necessary after inspection, and ordered
the said Latrine to be at once re-
moved to the far end of the Northern
side - for at any open Space beyond

Petitioners as in duty bound

Shall ever pray
Your Petitioners beg further to state
that if this Latrine was to be erected
it will help the Rogues to conceal
themselves at night & commit robbery
