The materials of the house should not be allowed to be removed as desired by Munusami Gramani and others, the occupants of the site. Rokayabee Ammal also says that the father of the said Munusami Gramani etc and others executed an agreement thirty years ago in favor of her father-in-law Razak Husain Sahib renting the site for the purpose of building a house thereon and occupying it but that it has been lost and that the site has not been mortgaged or sold to anybody. I have heard this read over and acknowledge it to be correct.

Statement of Doraisami Pillai authorized agent of Rokayabee Ammal, holder of Samadmaniam residing in Conjeeveram before the Tahsildar of Conjeeveram taluq.

The materials of the house in question have been estimated for in the presence of arbitrators on the 2nd instant. Out of Rs 382 which is the cost of the building according to their estimate Rs 120 at Rupee one per month for 10 years is due to Rokayabee Ammal. Rokkayabee Ammal says that the estimate of Rs 382 put upon the building is a proper one and that unless money compensation is paid for it accordingly she will not be able to recover the sum of Rs 120 due to her. The Municipality has paid compensation to Sami Gramani for tax to Rokayabee now before the Court. She has no right whatever to the site in question. We paid no rent whatever either to her or to her husband - nor did we pay anything to their ancestors.

We request that we may be paid a compensation of Rs 240 3/4 for 26 3/4 feet of the site at Rs 9 per foot which is the price settled by the Municipality for the lands of Sami Gramani adjoining our house, taken up for the market. We do not accept the estimate put upon the building by the arbitrators as it is very low. We will therefore demolish the building and remove the materials. We should be granted 3 months' time to remove the superstructure and hand over the site to the Municipality. We have heard this read

for generations past. The site also belongs to us. The ground on which the house stands is the inam land of Mussalmans. We have been enjoying it for the last 70 years without paying any tax or rent to anybody. I have heard this read over and acknowledge it to be correct.

The brick house on the way to the meat market of Big Conjeeveram is mine. My brothers, Murugappa Gramany, Arumuga Gramani and Erusappa Gramany have shares in it. Each of us is entitled to a fourth share in the house. The house was built in our grandfather's time. After my grandfather, my father Venkatesa Gramany and after him I and my brothers have been in the enjoyment of the house. I am willing to part with the site and the building thereon for Rs 1000. As the ground is situated in the Raja street the cost of it is very dear. The whole site inclusive of that on which the house stands measures 25 feet. The cost of the site at Rs 10 per foot comes to Rs 250 and that of the house Rs 750, making a total of Rs 1000. I have no kind of document whatever with me relating to the house and the site in question. They have been in our enjoyment

Sir,

I have the honor to inform you that the Council has provided a sum of Rs 500 in the current year's budget for the purchase of a second house which obstructs the front view of the Big Conjeeveram market. Under G.O. The building with its site will cost about Rs 200. As the owners concerned are not in this town, I find it difficult to submit the written statements required of them.
