18/2/96

For orders

The Chief Engineer recommends the
acceptance of Mr. Walsh's proposals, but
they are alternative proposals, either 5%
of the estimate, subject to certain deductions,
or a lump sum of Rs 6000. Submitted
for orders as to which alternative is to be
approved. 5% will be perhaps the
fairer remuneration, as the ^{ultimate} amount of
the estimate is absolutely unknown, &
Rs 6000 might be ^{far} too much or too
little. H.H.H.

From the Rs 6000 are to be
deducted the monthly sums
of Rs 300 paid to Mr. Walsh
For orders

The P.W. Department
Chairman Mr. Botacammund

This deduction will also be made
if Mr. W. is paid 5% which is the
arrangement should favour
