Most Respected Sir,

I humbly beg to bring to your notice that I learn that the Chairman of the Municipal Council has recommended my removal from the Council on the score that I did not attend meetings for three months consecutively.

When I was called on to offer explanation for not being present at the meetings I said that in consequence of family inconveniences &c. it was not convenient for me and added that if there shd be meetings ~~regularly~~ on the fixed day no councillor is likely to fail attending them.

I did not like to tell him that his own peculiar procedure and my family circumstances disabled me from attending them

GOVERNMENT OF MADRAS

To,

His Excellency the Right Honourable
Lord Wenlock G.C.I.E
Governor in Council
Fort St. George
Madras.

The humble petition of V. Tirumala Rao
Municipal Councillor, Cuddapah.

Shewth:—

That your petitioner learns that the Chairman of the Council has recommended his removal on the score that he did not attend the Meetings for 3 months consecutively.

Your petitioner begs to submit that the Chairman's recommendation cannot be complied with for the following reasons.

(a) The Municipal Council has to meet on the 3rd Saturday of every month in pursuance of a resolution passed at a meeting.

(b) There was no meeting on the 3rd Saturday of the months of September/95 to January/96

(c) The present Chairman — Deputy Collector in charge of the Division convened meetings since he came to office as it suited him without consulting the convenience of the Councillors generally.

(d) Notice of Meeting is not sent out sufficient time before meeting. They are generally circulated on the day previous to the date of Meeting

(3). Your petitioner made it always a rule not to take up professional engagements on the 3rd Saturday of every month, so that the professional business might not disable him from attending the meetings. In the month of October your petitioner remained in Cuddapah though his family circumstances required his presence at Proddutore.

4. Your petitioner begs to submit that his daughter was ill at Proddutore from August to November/95, and so it was not convenient for him to be present at the Meetings, convened at the Chairman's pleasure. Whether it can properly be said that your petitioner neglected to attend the Meetings is the question which Your Excellency in Council has to decide

5. Your petitioner also begs that Your Excellency in Council may be pleased to send for and peruse the Correspondence between him and the late Chairman, which will unmistakably show that he has devoted more time to the Municipal work than one could reasonably expect

6 In 1894 when the Sanitary Commissioner came to this town, your petitioner accompanied him to ascertain how the town can be best improved In para 7 of his notes, Dr King referred to the suggestion made by your petitioner which has been subsequently approved by the Government By mistake Dr King gave your petitioner's name as Timma Reddi and this mistake has not been corrected by the then Chairman

7 Your petitioner has attended meetings held in the morning of the 25 January and evening of the 1st February/96.

8 Under these circumstances, your petitioner leaves it to Your Excellency in Council to decide whether he can justly be removed from the Council

CUDDAPAH

A. C. Tate Esquire,

Ag Collector of Cuddapah.

Sir;

In reply to your Reference No. 708/Rev of 1896 I beg to state that I have not virtually left Cuddapah as a residence and taken up my residence elsewhere. In June last I intended to practise at Kurnool and left this place in the middle of June. After a stay of two months I found it inconvenient and had to come back on the 25th August. Ever since I have been residing within this municipality though I had to go to Kurnool often to get through the work I had taken up.

Submitted with the Municipal Act.

Though I remained in Cuddapah for more than 60 days in the first half of 1895-96 still no notice to pay the tax was served (Sec 56) probably because the notices were not prepared in time and therefore it was not convenient for me to pay up the tax and obtain the receipt (Section 57) As I remained in Kurnool from the middle of June

R.R. 5-3-96

5/3

to

G.O. 1161 Mun 22-7-95

to the middle of August and as the chairman was careful enough to serve the required notice I felt bound (section 55) to pay the tax in that municipality for the first half whereas I paid it in this Cuddapah Municipality for the second half.

I am unable to state definitely the periods since February/95 that I have resided within this municipality. To the best of my memory I was moving between Cuddapah and Kurnool in February and March. I remember I was in this municipality from the 12th April to 15th June, from 25th to 28th August, on the 20th and 21st September from the 5th to 15th October and also on the 19th October. On the evening of the 19th November/95 I arrived here and continue residing within the municipality and attended meetings on the 25th January, 1st & 7th February last. On business I was obliged to be away from the municipality on the 5th 6th & 7th January/96.

I intend permanently residing at Cuddapah and so I will be here during the next six months including March

April

April and May.

Before concluding I beg to submit that by no means it can be said that I neglected to be present at the meetings. I attended the meeting on the 26th August/95. For one month afterwards there was no meeting. Again from the 19th November/95 to 7th January/96 there was no meeting of the council. From the 21st October to 4th November I was detained at Kurnool by professional business. From the 5th to 18th November I was obliged to be at Jamalmadugu in consequence of my child's illness. Meetings were convened at the pleasure of the chairman when I had business elsewhere.

Section 29 Sub Sec (1) provides that the Council "shall meet for the transaction of business at least once in every month upon such days and at such times as they may arrange." When I became a councillor I learnt that there was no arrangement. I had therefore to make

C.G 1161 [illegible] 22-7-95

a motion under sections 29 and 38 to get the council to fix the third saturday of every month as the day suited for the transaction of the business. Such a rule was necessary & useful to enable councillors to arrange their business so as to attend meetings once a month without fail. The present Chairman got into Office in August and since then the rule has not been adhered to. Though the Legislature have made it obligatory for the council to meet once at least in every month still the chairman did not choose to have a meeting in December. It does not appear that there was no business, since I observed subsequently that works by no means of an urgent nature were executed under the chairman's orders without the previous sanction of the council as laid× down by the Government. Thus I beg to submit that in consequence of the chairman's irregular procedure it was not possible for me to be present at the meetings convened at the pleasure of the Chairman.

× para    page of the rules.

I am a native of the District and own houses and lands in the municipality besides some lands in the neighbourhood. I have no other place upon which I can look as my own. I am interested in seeing that this town is ~~[illegible]~~ improved in every possible way.

I beg to remain;
Sir,
Your most obedient Servant.

In reply to your Reference on Current x No. 708 dated the 21st instant, I have the honor to report that the Councillor M.R.Ry V. He has attended two meetings held since sending up my report, and I do not know if he will not go back to Kurnool.

FROM

THE Chief Secretary to Government
Local and Municipal Depts.

SIR,

I have the honour ~~to return~~ Your Endorsement No 224 dated 18th Ultimo on letter from M. R. Ry V. Tirumala Rao, Municipal Councillor, Cuddapah, and to state that the Councillor has not left Cuddapah and taken up his residence elsewhere.

2. The facts appear to be ~~that~~ M. R. Ry Tirumala Rao who is a pleader intended to leave Cuddapah and practise in Kurnool and in prosecution of ~~that~~ intention went to Kurnool and carried on some legal practice there for some months, but subsequently he gave up his

his intention and has returned to Cuddapah where he now resides.

3. Under the circumstances I do not think that he should be now removed from the Council. I enclose for perusal of Government the further letters of the Chairman and of M. R. Ry Tirumala Rao on this reference. The latter finds fault with the Chairman for not holding meetings on the proper dates. The Chairman is the Head Quarters Deputy Collector and was elected by the Council but I have reason to think that he cannot satisfactorily perform his own ordinary duties and those of Municipal Chairman and I am therefore of opinion that he should be relieved of the Chairman's duties.

Chairman's letter No 197 dated 28th Feb/96. M. R. Ry V. Tirumala Rao's letter dated 4th March 1896.

5. Subsequent to his election as Chairman he proceeded on Privilege leave and delegated his powers to the Honorable Rao Bahadur Sambulingam Mudalliar during his absence. I had a recollection at the time that such delegation was contrary to a Government order and questioned it, but was unable to find in my office the order which was in my mind and took no further action. The period of Privilege leave was short (14 days I believe). I have since ascertained that the order I wanted to find was Government Order No 800 M. Miscellaneous dated 20th July 1888. Under it M. R. Ry C. Adi Kesavalu Naidu must be held to have vacated his seat as Ex-Officio Councillor and his office as elected Chairman when he proceeded on Privilege leave, and his position at present must be that of Ex-Officio Councillor discharging the duties of Chairman under section 15 of the Municipal Act.

6. The office being therefore vacant, I recommend that a Chairman be now elected and that M. R. Ry C. Adi Kesavalu Naidu should not be allowed to stand for election as I think he ought to devote his time to the more efficient discharge of his other duties.
