SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT.

SIR,

With reference to Grant III of the Budget Estimate of the District Board, Salem, for the year 1896-97, I have the honour to state that the proposal of the board to transfer the dispensary at Royacota to Velur owing to the daily attendance being far from satisfactory, is open to objection. The inhabitants of that place in their petition dated the 2nd January 1896 addressed to me strongly object to such a proposal on the ground that (1) the decrease in the daily attendance was due to the frequent changes of Hospital Assistants and to the closing of the dispensary for short periods during the year (2) the place is very unhealthy (3) to secure medical aid they will, in addition to their bodily ailments, have to walk out a distance of more than 10 miles in dense forest

forest (4) it is a convenient centre much frequented by the Collector, Sub-Collector and their assistants. The District Medical and Sanitary Officer who was consulted on the subject is in accord with the inhabitants and considers the retention of the dispensary at Royacota necessary.

2. I approve of the proposal of the board to dispense with the services of the female attendant attached to the Krishnagiri hospital as her place is to be taken up by the midwife now under training in Madras.

3. No provision appears to have been made regarding the increase recommended to the pay of the clerk attached to the office of the District Medical and Sanitary Officer on the ground that an additional Clerk on Rs. 15 has recently been sanctioned for his office. In this connection I would point out that the pay viz. Rs. 25 fixed for the head clerk is not sufficient to secure or retain the services of a really good man for such a responsible post. The sum of Rs. 5 recommended should therefore be sanctioned and the allotment under Grant III increased by Rs. 60 to meet the charge
