To

The President, D^o Board,

Madras.

Sir,

I am submitting herewith a copy of
the Ramnath Taluk Board's resolution ^{2.12.95} No 24
resolving to raise the house-tax from half
to three-fourths of the maximum schedule
rates in the Arupukota Division from 1st
April 1896. I have the honor to state that
the increase of tax is necessary on account
of the increasing needs of the place which
is the centre of the cotton industry of the
Pallimadam Taluk. The Division has a
population of 20934, and is very back-
ward from a sanitary point of view.
The District Medical and Sanitary Officer
has more than once pointed out that the
sanitary staff should be considerably
strengthened, that more dust bins
should be erected, that the supply channel
of the drinking water tank should be
covered to avoid pollution, and
that the several other local improvements
should be made. The present financial
condition of the Division, which is shown
in the subjoined table, is such that no
improvement is possible.

Receipts					Expenditure									
House-tax	Fees	Contributions from the Taluk Board	Miscellaneous	Total	Water supply	Village side	Sanitary Establishment	Other sanitary and lay	Public Works	Establishment	Contingencies	Miscellaneous	Total	Balance.
1900	100	260	30	2290	90	300	1340	50	"	180	60	260	2280	10

From the above it will appear that there are no funds to provide for Public works or to make any material improvements.

2. Arupukota is certainly not less in importance or less wealthy than Suiyanga where three-fourths of the maximum rates is levied or than Ramnad or Devakota or Karakudi where the maximum rates are in force.

3. I therefore beg to request that you will be pleased to obtain the sanction of Government of the above proposal.

I have

Sir,

In submitting herewith copy of Proceedings of the Ramnad Taluk Board No. 241/2.12.95 resolving to increase the rate of house-tax in Arupukotai Union from half to three-fourths of the maximum schedule rates, I have the honor to request that Government may be pleased to accord its sanction to the proposal.

2. The necessity for the increased rate of taxation proposed, is explained by the Taluk Board President (Copy of his letter is herein enclosed) as due to the current receipts of the Union being found to be insufficient for adequate expenditure under Sanitation and Public Works.

3. Copy of District Board's resolution approving of the proposal and a draft modification accompanying.

I have the honor to be

Sir,

Your most obedient servant,

Imaacha
