(Sanitary)

Sir,

I am directed to say that the orders of the Government of Madras marginally noted on the Sanitary Commissioner's

No. 2085L, dated the 31st October 1895, printed at pp. 455-459 of the Local Government's Proceedings for that month in the Local Department.

suggestions for reducing the bulk, and for completely recasting the form of the Pro-

vincial Sanitary Report, have attracted the attention of the Government of India. As it is desirable that the form of this Report should be as far as possible uniform for all Provinces, the Governor General in Council will be glad if, in case it is contemplated to introduce any changes of importance in the arrangement of the Report, the Government of Madras will, before issuing further orders on the subject, report their proposals to this Department.
