No 397

From

Municipal Office,
Coonoor, 27 February 1896.

To

J. A. Marjoribanks, Esq.
Chairman, Municipal Council,
Coonoor.

The Honourable M. J. F. Price C.S.I.
Chief Secretary to Government.
(Through the Collector of Nilgiris.)

Sir,

With reference to G. O. No 121 M dated
22nd January 1896 I have the honour to append an ex-
tract from the proceedings of a special meeting of
the Municipal Council, Coonoor, held on this date for
the consideration and orders of Government.

Read again G. O. No 121 M dated 22nd January 1896 re-
viewing the Coonoor Municipal Budget for 1896/97.

With reference to para 3 of the above order the Coun-
cil begs to represent that it is impossible for it to borrow
the sum of 80,000 Rs from Provincial funds for the Water
supply works without levying the maximum water rate
of four per cent. which the Council would not feel
justified in imposing all at once. If Government will
be pleased to increase its grant to 80,000 Rs so that a
loan of 40,000 Rs only would be necessary the Council could
raise this sum by the levy of a two per cent water rate
which it is quite prepared to do.

The present rate
is one per cent.

I have the honor to be
Sir

Your most obed^t servant

FOR ORDERS.

Water-tax is now levied
at one per cent. and is expected to
bring in a revenue of Rs. 1670
per annum; but there is appar-
ently no reason why the
Council should not be compelled
to lay this tax at the maximum
rate, as suggested in the note
for orders in G.O. No. 1935 u. of
22.11.95. The Council will
have to pay annually Rs. 4770
(5.96 per cent. of the principal)
to liquidate the loan of Rs. 80,000
with interest at 4 1/4 per cent.
in 30 years, while the water-
tax will bring in Rs. 680. If
levied at 3 per cent. it could
bring in Rs. 5010, which would cover
the annual repayment of the loan.
At present the actual cost of the
scheme is not known, until that is
known it is useless making any modt.

The Council is perfectly well able to arrange for the repayment of Rs 5000 & there is no reason why the loan should be reduced. The grant incurred, so long as the total cost of the scheme does not exceed Rs 1,20,000.

para 3 of L.O. No. 121 in d/ 22-1-90

as there is a by levying water tax

at ~~full~~ the maximum rate, the

Council will be able easily to repay

a loan of Rs 80,000, & there is no

Reason why this rate should not

be levied, when the proposed water-works
