No. 247— Read R.O.C. No. 114/31.1.96 of the President, Dt. Board, Madura, forwarding copy of the Dt. Surgeon's letter regarding the transfer of the Thandikudi dispensary to Shōlakādu, and requesting to obtain and communicate the Board's opinion in the matter. Also the opinion of the Lower Palni Planters' association in favor of the proposed transfer.

Resolution— The Board approves of the whole of the District Surgeon's proposal. There is a budget provision for building a new dispensary in 1896-97. The Board, before building the new dispensary at a high cost at new and untried site, is of opinion that the dispensary should at once be moved to some temporary accommodation at Shōlakādu. If after 4 or 6 months trial the change of site proves a success, the construction of the new dispensary may be commenced.

Sir,

I have the honor to recommend that the dispensary at Thandikudi be transferred to some other village on the Lower Palnis, as I consider that it is literally a waste of money maintaining it there any longer. Last year the average daily attendance was about 8, and mostly for very trivial complaints.

2. Thandikudi is, I consider, most unsuitable, because it is very inaccessible from all directions, and the distances from it to the principal villages on the Lower Palnis are too great to admit of the dispensary being generally useful.

3. The fact of there being a Police station in Thandikudi is, I submit, no argument in favor of keeping a dispensary there, for the Police, I find, seldom resort to it and it is unreasonable to expect either the L.F. Board or Government to support an expensive institution all the year round in any place on the off chance of its being useful to some stray subordinate.

4. The village of Shólakádu seems to me to be the most centrally situated with reference to other important villages, although it is a small village itself, probably not more than two or three hundred inhabitants. Here are the

distances

distances so far as I can ascertain —

Shólakádu to Adalur	3½	miles
Do Pandrimalai	3	"
Do Periyur	6	"
Do Marumalai (European estate)	5	"
Do Killikuchettipatti	2½	"
Do Pellanali estate (European estate)	3	"
Do Manalūr (European estate)	6½	"

It would seem, therefore, that Sholakadu would be the most desirable place for a dispensary on the Lower Palnis and accordingly I recommend that it be transferred there from Thandikudi at an early date, if the proposal commends itself to you.

I have.

Sir,

In forwarding herewith copy of letter No. 82/20.1.96 of the District Medl. and Sanitary Officer, Madura, and copy of Dindigul Taluk Board's resolution thereon, I have the honor to request that Government will be pleased to sanction the transfer of the dispensary at Thandikudi to Sholakadu. The average daily attendance of patients at Thandikudi is very poor, being only 8, and the place is not within easy reach of the principal villages in the Lower Palnis. Sholakadu on the other hand is more centrally situated.
