Resolution No. II.

In accordance with
the understanding between the Dist
Council & the Salut Board when
this institution was started, the
cost of the upkeep of this institution
has to be paid in equal shares
by both bodies viz. the Dist Council
& the Salut Board. Rs 650 was spent
by the Salut Board in the way of
Contribution i.e. Rs 300 towards
a moiety of the pay of the Lady
Apothecary & Rs 350 for the
cost of minor establishment
medicines & other charges is
not sufficient to meet a
moiety of the entire charges
incurred at present and a
charge allowance of Rs 25
per mensem has been
sanctioned to the Lady Apothe-
cary in addition to her pay
viz. Rs 60 per mensem.
It is therefore
resolved that Govt. be
requested to raise the
contribution by Rs 150 i.e.
from Rs 650 to Rs 800 (Rs 450
to meet a moiety of her pay
& charge allowance and
Rs 350 for the charges in-
curred above).

follows.

2. The expenses of the
Lady apothecary's training
were met from District Board
funds. She was employed
by the Municipal Council
at the request of the District
Board President.

3. In the Taluk Board
Budget for 1894-95, Rs 400
were provided for the
Children's and Women's
Hospital, but the provision
was struck out by the District
Board. Rs 600 were how-
ever provided from the
District Board funds but
the contribution was
cut down by Government

to Rs 300.

5. In the current year

Taluk funds being the same
amount as was contributed
in the previous year by the District
Board. The same amount Rs 300
has been repeated for 1896-97

NOTE FOR THE UNDER SECRETARY.

Ask A. Bd. what it will
be disposed to give
annually as a fixed
sum.

I certainly consider
7/16 too high, seeing that
the first meeting was
particularly heavy, but
from Dindigul itself.
And the Bd. already
contributes over 1800
to the Dindigul Hospital.

FOR ORDERS.

The entertainment of a female
apothecary on Rs 50 for the women
and children's hospital at Dindigul
was sanctioned in G.O. No. 84 M. dated
25th January 1894, and in para. 4(4)
of G.O. No. 556 L dated 20th March 1894
a contribution from Local Funds to
the municipality, of Rs 300 per annum,
being a moiety of the pay of the
Apothecary, was provided in the
Local Fund Budget for 1894-95.
The proposal of the Municipal Coun-
cil to recover a moiety of the charges
from the Taluk Board was sanc-
tioned in para. 2 of G.O. No. 386 M dated
28th March 1894.

2. In the first of the letters read
above, the President of the Madura
District Board requests the sanction
of Government to the payment by
the Dindigul Taluk Board to the
municipality of a moiety of the pay
of

of the female apothecary and a portion of the cost of the minor establishment, including contingencies, not exceeding Rs 350 a year. The Municipal Council of Diindigul, to which this proposal was referred for remarks, states in the second letter that the contribution ^{should} be raised from Rs 650 to Rs 800, the difference being intended to meet ^{half} the charge allowance payable to the apothecary. But the Taluk Board, for whose remarks the Council's proposal was referred, states in the last letter that it is unwilling to pay a fixed contribution of Rs 800 towards the expenses of the hospital, but would pay an amount proportionate to the number of patients attending the dispensary from outside the municipal limits, not exceeding a moiety of the expenses, and the President of the District Board states that this proposal is reasonable.

K.B. If the Taluk Bd's Contribution
11/1/96 is to be proportionate to the number of str. rural patients attended, it would involve a calculation

every year, which it is submitted is a waste of time, especially as this course renders the amount to be spent by the mun & the Taluk Bd. respectively a very uncertain quantity. The T.K. Bd. might be told to contribute $\frac{1}{2}$ the total expenses, or perhaps it would be fairer to say $\frac{7}{16}$, making the respective payments Rs 700 & Rs 900 ^{which} as probably a greater number of the patients treated belong to the mun & than to the surrounding villages.

W.D.

14.1.96.

In reply to the reference made on the above, the Taluk Board now states (L. No. 956 L) that it will contribute Rs 600 per annum provided an annual account of receipts and charges of the hospital is furnished to it, so long as there is no change in the present circumstances.

K.B. This seems a fair proposal & may
2/4/96 be approved.
