To

The Chief Secretary to Government
Fort Saint George, Madras

Sir,

With reference to para 2 of G. O., dated 25th March 1896 No 527 requiring me to explain the action adopted by the Council in the matter of the construction of a portion of the wall of enclosure round the Park, I have the honor to submit most respectfully that neither the Council nor myself ever intended to disregard the orders of Government on any account whatever - The work was in fact executed before I took charge though the bill was paid by me - The Council was of unanimous opinion that the construction of that portion of the wall was absolutely necessary as has been submitted in my previous communications (Vide this office letter No 123 para 47 dated 8th August 95 & letter No 238 para 42, dated 1st February 1896) and accordingly resolved upon the construction of the same, fully anticipating that the Government will be pleased to accord sanction as they have been invariably doing on several previous

in all cases of emergent necessity - The Council
will take every precaution to see that in future no
such work is executed without the previous
sanction of Government being obtained and
will also take particular care that the expenditure
does not exceed the sanctioned amount when
such sanction is obtained - At the request
of the Council, Mr D. C. Miller who was ex-officio
Councillor and subsequently Acting Collector
of Vizagapatam has seen the wall that was
already constructed and was fully convinced not only
of the necessity of the work done but of the completion of
the masonry enclosure all round which will
not after all cost very much

I have the honor to be

Yr.

Your most obedient servant

P. Venkataswami.
