SIR,

Referring to your Memorandum
no 1695 dated 28-11-95 bearing the Endorsement
Ref on cur no 2586 of 95 dated 2.12.1895, I
have the honor to report that the value of the
gravel washed away by floods is Rs 8-0-4 as
stated by the Engineer in his letter no 179 of
6-8-1896.

2. The Engineer accounts for the delay on his
part in applying for writing the item off the
accounts by saying that the road was under
water in 1894-95 but that owing to an error
1893-94 was put down in his letter dated 27-8-95
asking for permission to write the value of
materials off the accounts.

I have the honor to be
