Statement taken by Udipi Taluk Tahsildar on 27th August 1895 at Karkal from (1) Salambibi daughter of Hussen Kuli Beg Sahib and (2) Hussen Kuli Beg, son of Papamiya Sahib and younger brother of (1), both residing at Karkal Kasba village.

We have seen the sketch shown to us of the land near the Karkal Dispensary selected for building a house for the Apothecary. Land No. B on the sketch is the one selected for building the house. This and Land No. C, D and 8 were sold by the first among us and the father of the 2nd to Karkal Paroki Ashraf Sahib on the 5th February 1882 for Rs 600 on account of necessity and again taken by us from him on Mulgeni tenure for an annual rent consisting of 12 muras of rice and Rs 10-7- in cash. The land have been greatly improved by us and are in our enjoyment. We are extremely poor and after selling our Muli (proprietory right)

now

now enjoy the lands in Mulgeni. Land marked B adjoins bazar and we get yearly Rs 10 or 11 from Ragi, gram &c. grown in it. If it is given to others we shall lose our means of livelihood. In case the land is to be acquired under the Act the price to be settled for it should be given to us alone. The Mulgar (proprietor) has no right whatever to the land, but only the right to receive the rent. He has therefore no claim whatever to the price of the land, ~~but only the right to~~. Many people offered to pay Rs 200 for the land B before this; but we did not give the land. We will not voluntarily give up the land but if the land be taken possession of by Government, its price should be paid to us alone.

Mbiyajan, younger brother of the second of us, is a minor under our guardianship.

Heard the above read. It is correct.
