Sir,

At the instance of the Chairman, Municipal Council, Palghat, I have the honor to submit herewith for the approval of Government and for publication in the Port of George Gazette a draft notification relative to the acquisition of a site upon which a drain was constructed in 1893 in the Chathapuram village of the Palghat Municipality. The circumstances under which the Municipal Council now propose to acquire the site are explained below:-

In 1893 Mr Dupen the then A System Contractor constructed a drain with the permission of the owner on the site referred to and it was

was then proposed to obtain from the owner
a deed of agreement to the effect that no
obstruction would be made by him to the
free flow of water through the drain. The
owner subsequently failed to execute the agree-
ment. He also refused to give a statement
as to whether or not he was willing to part
with the land in question. The Council
therefore in its resolution dated 1st October
1895 resolved to acquire the land under
the act. A copy of the resolution is herewith
submitted for the information of Government.

I am drawing the Chairman's attention to the
delay that has taken place in his office.

I have the honor to be,
Sir,
Your most obedient servant.
