34-4-96

The proposition statement
relating to the medical, vaccine,
shooltry and dasabandam inam
establishments, submitted with the
letter read above, is sanctioned, with
the following remarks:-

(1) In column 1 of the statement
the Government Orders sanctioning
the dispensary establishments at
Kantalam and Siruguppa and the
vaccine establishment in the Bellary
range have not been correctly quoted.

(2) The dispensary establishment
at Siruguppa should not have been
shown in the same statement, as
the proposal to increase the pay of
the compounder attached to it is in
accordance with a scale approved
by Government and therefore does
not require the sanction of Government.

2. The remarks of the Surgeon General
in para. 3 of his letter will be referred
to the Local Boards for careful consi-
deration.

Bellary District Board.

In the budget for 1895-96 a proposal was made for increasing my office establishment but it was thrown out.

Again in the Budget for 1896-97 I made similar proposals inviting attention to Standing Order No. 56 of 6th August 1895 and to my letter No. 3551 ^{14.10.95} to the Surgeon General. This year also the recommendation was thrown out. I consider it absolutely necessary to strengthen my office establishment. At present I have got only one Local Fund Clerk on Rs. 22-8-0 and another clerk on Rs. 13-8-0 whose pay is borne by the 2 municipalities.

No. 258

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 27th March 1896.

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

Local & Municipal Dept.

CURRENT No. 9582

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT.

SIR,

With reference to Grant III of the budget estimate of the District Board Bellary, I have the honour to state that while making provision for apothecaries for the dispensaries at Akur and Yenniganoor, the Board proposed to replace them by 1st Class Hospital Assistants. The District Medical & Sanitary Officer referred the matter for my opinion and has been informed that the proposal was contrary to the repeated orders of Government. The Board have in consequence abandoned the proposal at a meeting held on the 10th January 1896.

2. As regards the abolition of the dispensaries at Inoka and Kotalam the reasons set forth by the board do not appear to me satisfactory - I am not in a position to offer my opinion until I receive a report from the District Medical & Sanitary Officer on the subject.

3. No provision appears to have been made to comply with the recommendations of the District Medical & Sanitary Officer on behalf of hospitals & dispensaries and

and of his office establishment, a list of which is herewith attached. Necessary allotments should therefore be provided to carry out the same.

4. The proposition statement received with the budget is herewith forwarded.

I have the honor to be,

Sir,

Your most obedient Servant,

C. St. John
