No. 789 L., 30TH APRIL 1896.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 2nd April 1896, No. 277.

With reference to G.O., No. 2786, Local and Municipal, dated the 12th December 1893, I have the honour to state that some difficulty and delay has occurred about the delivery of the packages of medicines, &c.

2. I enclose you a true copy of a letter, dated the 19th March 1896, and of its enclosures, received by me from Messrs. Binny & Co. on the subject, in which they propose—

(*a*) to ask Presidents of Taluk Boards (I would suggest all local authorities) paying the charges on value-payable covers containing rail receipts which include the import duties;

(*b*) to advise Presidents of the Boards of the expected arrival of medicines and the probable amount of duty, then on arrival despatching the cases to the railway station nearest to the hospital, but sending the whole of the rail receipts to the President of the Board for the amount of duty. He will distribute the receipts to hospitals to enable them to obtain delivery of medicines;

(*c*) to request District Medical and Sanitary Officer or Civil Surgeon to fill in and send them a certain form.

3. This system has been already adopted in the Gódávari, Madura, Trichinopoly, Salem, Chingleput and Cuddapah districts, and they wish it may be adopted in all districts. I concur in their views and suggest that Government should urge all the authorities responsible for such institutions to adopt this system.

4. Similar facts were brought to my notice by the Agent of Messrs. Burgoyne, Burbidges & Co., and in January last I issued a departmental order stating "that the system of sending packages (receipts) by value-payable post shall be continued and arrangements should be made to get the money in advance to prevent delay in delivery."

5. If the above system be adopted by all such authorities, there should be no further complaints on the score of delay in delivery from railway stations and of the consequent cost of the demurrage which is sometimes enforced.

ENCLOSURE.

COPY of a letter from Messrs. BINNY & Co., to the Surgeon-General with the Government of Madras, dated 19th March 1896.

To facilitate delivery of medicines and to prevent the frequent refusal of value-payable covers containing rail receipts by the medical subordinates in charge of village hospitals from their inability to find the amount required to pay the import duty on these medicines, we recently suggested to District Surgeons the advisability of allowing Presidents of Taluk Boards paying these charges instead, as we presumed they would be in a better position to do so, and to secure more certain delivery, we asked for the information contained in the enclosed form. Up to date the following districts only have agreed to this plan, Gódávari, Madura, Trichinopoly, Salem,

Chingleput and Cuddapah, and we now lay the matter before you so that should the plan, you will advise us what steps we should take to enable the same principle being applied to all districts, and how we can obtain the necessary information regarding the Taluk Board and subordinate hospitals.

By the present arrangement we forward rail receipts for the medicines to Local Fund Hospitals under value-payable covers for the amount of import duty paid by us, this sometimes amounts to over Rs. 100 and the medical subordinate in charge, finding he cannot pay this office and we then forward the rejected receipt for payment to the District Surgeon. What we amount out of his private purse, refuses the receipt; it is returned to us after ten days in post suggest will prevent this and avoid delay in delivery, we propose advising Presidents of Taluk Boards of expected arrival of medicines and the probable amount of duty, then on arrival despatching the cases to the nearest railway station to the hospital, but sending the whole of the rail receipts to the President, Taluk Board, for the amount of duty for his taluk. He will then distribute the receipts to hospitals to enable them to obtain delivery of their medicines.

We are just sending a shipment of medicines to Gódávari district on this plan, the bill for duty in the Rajahmundry taluk alone amounts to nearly Rs. 300. We enclose the return made to us by the District Surgeon in charge of Gódávari district as a specimen of the information required to make the same system applicable throughout the Presidency.

287

Copy of a Letter from the Messrs Binny & Co
to the Surgeon General
with the Government of Madras No.
dated 19th March 1896.

To facilitate delivery of medicines and to prevent the frequent refusal of V.P. Covers Containing rail receipts by the Medical Subordinates in charge of village Hospitals from their inability to find the amount required to pay the import duty on these Medicines, we recently suggested to District Surgeons the advisability of allowing Presidents of Taluq Boards paying these Charges instead, as we presumed they would be in a better position to do so, and to secure more Certain delivery, we asked for the information — Contained in the enclosed form. Up to date the following Districts only have agreed to this plan, Godaveri, Madura, Trichinopoly, Salem, Chingleput & Cuddapah and we now lay the matter before you so that should you approve of the plan, you will advise us what steps we should take to enable the same principal being applied to all districts and how we can obtain the necessary information regarding the Taluq Board & Subordinate Hospitals

By the present arrangement we forward Rail receipts for the Medicines to Local Fund Hospital under V.P. Covers for the amount of Import Duty paid by us, this sometimes amounts to over Rs. 100 and the Medical Subordinate in charge finding he Cannot pay this amount out of his private purse refuses the receipts it is returned to us after [illegible] days in post Office and we then

forward the rejected receipt for payment to the District Surgeon. What we suggest will prevent this and avoid delay in delivery, we propose advising Presidents of Taluq Boards of expected arrival of medicines and the probable amount of duty then on arrival, despatching the Cases to the nearest railway station to the Hospital, but sending the whole of the rail receipts to the President Taluq Board for the amount of duty for his Taluq. He will then distribute the receipts to Hospitals to enable them to obtain delivery of their medicines

We are just sending a shipment of medicines to Godaveri District on this plan, the bill for duty in the Rajahmundry Taluq alone amounts to nearly Rs 300. We enclose the return made to us by the District Surgeon in charge of Godaveri District as a specimen of the information required to make the same system applicable through out the Presidency.
