Sir

I have the honour to inform you that I am suffering from Chest pain, for nearly a month and that I am advised by the Civil Surgeon to take rest for 3 months, and to have a Change of air. I am myself sorry to have to absent myself from duty just at this time, but on account of my health, I am obliged to apply for privilege leave for 3 months to which I am entitled now.

2 I beg to mention that, during my Service of nearly 14 years, I have had no leave whatever except privilege leave for 2½ months and that my present

resent illness is apparently due to erwork in Connection with the revision house tax in this town, among other atters. The medical officer attributes y illness to some irregularity in the ction of the heart.

I request therefore that the Government will be pleased to grant me 3 months privilege leave, as early as possible.

GOVERNMENT OF MADRAS

Submitted for favourable consideration

2. It seems hardly necessary to make any special arrangements for filling the vacancy as the appointment of an acting paid chairman will entail additional cost to the Council. As the period of his absence is so short I think it will do if the applicant appoints a delegate with the sanction of the Council under S. 32 cl 2. Failing this the Divisional officer will become ex officio chairman & when absent from Head Quarters he can do the same thing

3. No doubt a paid chairman will give more time and attention to municipal work than an honorary one or delegate. Should Government think it necessary therefore that some one should be appointed to act as paid chairman though I do not recommend this course, the person best qualified to act as such to my knowledge is the English Head Clerk of my office P. Venkatappiah. He has only 4 months less service than 10 years. On this ground & because the vacancy is so short this might I think be treated as a special case in the event of such an appointment being considered necessary

CURRENT No. 952 M

To

The Chief Secretary to Government
through the Collector
Godavary.

Sir,

In enclosing copies of the correspondence with the Collector and the Accountant General, regarding the pensionary contribution payable by me, I have the honor to solicit the favour of instructions from Government at an early date.

2. When the Government appointed me as Chairman of this municipality at the instance of Mr Atkinson, the Collector of Kistna, I was Dy Tahsildar of Vissannapet Division on a salary of Rs 120. I had acted as Tahsildar for 19 months and was under orders to proceed to Vinukonda as acting Tahsildar. My pensionary contribution was then fixed at Rs 15, being 1/8 of the assumed pay of Rs 120, under article 809 (a) ii of the Civil Service regulations. The Collector of Kistna was pleased in August last to appoint me (the senior graduate in the District) as Tahsildar of Bunder on Rs 175, and in December 1895 as

Tahsildar of Narsaraopet on Rs 200- On 15th August 1895, I addressed the Collector of Godavary and the Accountant General, as to what Contribution I was to pay (vide my letters nos 579 & 580 dated 15-8-1895. The former told me that I was to pay only Rs 15 under articles 808 (b) ii and 809 (a) ii of the Civil Service regulations in spite of the change in my permanent Government appointment (Collectors No $\frac{1115}{Eng}$ of 8th September 1895). The Accountant General, on the other hand, first informed me that a reference had been made to the Government of India on the subject, (Letter No $\frac{IAE}{390 C}$ dated 16-9-1895 Pension department. Subsequently in his letter No $\frac{IAE}{411 C}$ of 15 October 1895 he said that my pension could be calculated on Rs 120, only, my assumed pay, under article 808 (b) ii, of Civil Service Regulations, and asked me, if, under the circumstances, it was my intention to revert from Foreign Service (even for a time). I told him in reply that I was not in the retiring stage of my service, and was not particular whether my pension was calculated on Rs 120 or Rs 200, but asked him what leave allowances I would be entitled to. Now, in his letter No $\frac{IAE}{32 C}$ dated 22nd February 1896, he asks me to state definitely whether I intend to revert as he has a reference from the Government of India, on the subject, pending reply. I have just written to him that no definite reply can be given without instructions from the local Government under whose orders I am, & that a reply will be sent on receipt of orders.

3. Under article 835, (ii) of the Civil service regulations, leave allowances are calculated on the assumed pay. Unless I once draw my pay from Government as Tahsildar of Narsaraopet, the pay of that appointment, cannot, as suggested by the Accountant General, be treated as assumed pay for purposes of Contribution. I therefore pray that I may be permitted to revert to my appointment at Narsaraopet and to enable me to earn a higher leave allowance, than at present.

4. I beg that this request of mine, may not be taken as an indication of my unwillingness to remain here some time longer. Though my net emoluments here exceed my pay as Tahsildar of Narsaraopet by Rs 25 only, I beg to assure Government that, if so ordered, I am quite willing to return to my present appointment in the foreign service and discharge my duty here in such a way as to merit the "substantial recognition" promised by Government in the concluding portion of G.O. No 1661-M.Mis dated 7.11.94.

I have the honor to be

Endorsement on letter No. 1296 d/ 6.3.96 from the Chairman of the Municipal Council, Cocanada.

Submitted for orders.

To tide over the technical difficulty brought to notice, it is suggested that M.R.Ry K. Seshachelapathy garu may be permitted to revert to his post of Tahsildar for a day or so and then immediately return to the Municipal Service. The privilege leave of 3 months applied for by him and recommended in my No $\frac{232}{\text{Eng}}$ d/14-2-96 may, if granted, be availed of by him on his return from the post of Tahsildar, so that in the meantime the Administration Report may be submitted by him.

C no 613 Rev/96

A difficulty like the present

will occur every time an officer on duty in some foreign service is given promotion in the regular course in his own Department, and in fairness to the officer promotions in the regular line should not be stopped merely to avoid a technical difficulty like the present. Gazetted officers can rise in their grades even while employed in foreign service, and they are allowed the full benefits of their promotion in the matter of leave allowances.

It seems therefore desirable that non-gazetted officers should be allowed the same privileges so long as the necessity exists for recruitment for foreign service from among this class of officers, and this necessity must continue till the country is sufficiently advanced to furnish for important duties like that of the Chairman of an important station like this, non official gentlemen of independent means & education who can give their full time and attention to them.

Note - As the Chairman states that he will continue to hold the office until the 16th May 1896, when he hopes to be able to send in the adm. report & then resign, there is obviously no necessity for passing any orders on this paper.

I think the point has been missed. What I make out is that he wants to assume charge of his Tahsil for a day or two; then to revert to the Munl. Chairmanship; & then to take p.l. when the leave allces he will draw will be those of his permt. appt. as Tahr. — I can see no reason why he should not be permitted to do so, under the special circs. of this case. This cannot therefore be recorded, but an order is needed.

Neither the Government nor the municipal Council has any power under the District Municipalities Act to grant leave of absence to a Chairman or Councillor, but if the paid Chairman is regarded as a servant of the municipality, the leave applied for can be granted, under G.O. No. 1475 M., dated 7th October 1890.

2. In case leave is sanctioned, it does not appear to be desirable or necessary to appoint a locum tenens, as the Chairman can before leaving the station, delegate his duties to one of the Councillors, and if this course is not feasible, the Revenue Divisional officer can take charge as Ex-officio Chairman.

Having in view the fact that in all probability the abolition of his appt. & the appt. of a permanent Secretary will have to be considered within the next few weeks, his taking leave at this juncture is very inconvenient – Consult the Colr. 20/4/96

From the linked file it will be seen that the present chairman, Seshachalapati, wishes to revert to his permanent appointment, before taking leave on May 16. In this case the Div.l Officer will have to take charge, & it is likely to be a considerable time before he is relieved by the appointment of a paid secretary.

The appointment of a delegate during the whole of Seshachalapati's absence would also be rather unsatisfactory, as it would deprive him of his improved allowance, if he were not allowed to revert. It would seem to resign on May 16th & put in the Divl. officer. If the amendment of the Muni. Act is not likely to become law for some time after that date, the question of putting in Seshachalapati again or some other person may be considered again. ~~Thereunderstand~~
