FROM

CURRENT No. 11
The CHAIRMAN, MUNICIPAL COUNCIL
KUMBAKONAM.

To

The Chief Secretary to Government
Local & Municipal Department
Through the Sub-Collector & the Collector of
Tanjore.

SIR,

I have the honor to solicit the sanction
of Government with effect from the 1st April
1896 for the revised Private Scavenging Estab-
lishment sanctioned by the Council at
its meeting held on the 30th March 1896. The
Subjoined statement shows the variations
between the figures in the Budget for 1896-97
(sanctioned in C. O. No. 330 of 25.2.96) and those proposed.

Receipts				Expenditure				Balance			
Sanctioned for Revised 1896-97				Sanctioned for 1896-97				Sanctioned for Revised 1896-97			
				Establishment	Contingent	General					
2000	3000	1300	500	2030	700	200	270				

The proposition statement which accom-
panies shows the additions and alterations
made to the staff.

The Council has fixed three different
scales of pay to the latins in the Private Scav-
enging Establishment. The least pay is Rs 3 the
recipient of which is expected to clean more
less than 20 private latrines. The best class gets
Rs 3 1/2 and the number of houses to be cleaned
is fixed at 25. The third class gets a pay of Rs 4
and has to attend to 30 latrines. The three
inspectors now employed are most of them
below 15 years of age. To avoid an increase
in the number of scavengers and to secure
the service of adults as well, the present scheme
is submitted to Government.

The number of houses served by the Private
Scavenging agency on the 1st March 1896
was 819. There is a prospect of a still further
increase in the same. The North and South
Divisions have shown considerable progress
in this direction. The Divisional Inspectors are
enabled to supervise the work of the Private
Scavenging latrine officials. It is therefore
proposed to give to the two inspectors a business
on Rs 6 each who will have to inspect every

latrine

latrine under the system and to collect the
fees too. At present a portion of the time of the
Divisional Inspectors is taken up in the
collection of miscellaneous and Private Scav-
enging fees. When they are relieved of the
collection of Private Scavenging fees, they will
have more time at their disposal to attend
to the sanitary needs of their Divisions. This
also proposed to give the Establishment
four latrine carts. The number now working
being only three. The number of houses ex-
pected to be brought under the system
has been put down at 1000 and the probable
income at Rs 300 per annum.

The resolution of the Council sanctioning
the revision is enclosed.

I have the honor to be
Sir
your most obedt Servt.
