C. For orders

Please see the
orders in f.o.s No. 2 M. of 6.1.96 and
576 M. of 30.3.96.

C. From this plan in conjunction
4/5/96 with the plan in the former
f.o. it appears that the site is
the end of a lane running between
two pieces of the applicant's land.
The lane is apparently a cul-de-sac
and there does not seem to be much
objection to the sale, except on the
ground that it is desirable to retain,
as far as possible, all streets lanes
as such —

I don't think this is
hatched. These Culi de
