I don't understand that medicines purchased locally are covered by the f.o. notes but apparently duty on medicines imported and cost of remittances in payment for them would be. There is nothing here to show for what has hitherto paid a moiety under these circumstances it appears the best course to let your objection stand and to send up an official showing exactly the nature of the items ~~constituting~~ the Rs. 1199-11-4 which you mention.

For order

Please see the notes and
orders in fo. no. 18084 of 31.10.95. No
papers are available to show what
items are to be included in the
cost of medicines &c., half of which
is borne by Government. In the
Correspondence in the fo. referred
to above, the contribution
paid by Government is said to be
towards the cost of medical stores
& of medicines &c. The G.O. Sanction
of 30/4/96 "one half of the cost of medicines &c.
indented for" - but does not
specifically mention "from England" as
the A.G. in his telephone message
says. All the items objected to by the
A.G. would, it is submitted, come under
"cost of medicines &c. indented for",
(except perhaps Rs 7.2.4 Contingent
charges to Munnagani Chetti No. 10)
as no doubt instruments &c. would come
under "etc", which apparently means
medical stores. In this case the payment of
the amount objected to may be sanctioned

Pass all into Item 10-
2.5.96. Ask for particulars
regarding that - it is
possibly not chargeable
to Govt
