Statement taken down by the Mangalore Division
Revenue Inspector from Alvalua guardian and
father of Lanthala of Attanar village on the 29th
December 1895 in Attanar village.

I have heard Lalab adn. N. 7564 and its encl-
sure read, and see the sketch. Land N. 1 on the sketch
was added by the Municipality to the Mangaladevi
road in July last and the road broadened. There were
also 6 coconut trees on the land. When the road
work was in progress the Municipality had
them cut down and auctioned. The land forms a
portion of Muli Way N. 28 of Attanar village.
The land of that Way, with other property belongs
to my minor son and I as his guardian
pay the assessments thereon and enjoy it. No other
persons have any right to the land. The Way
N. 28 contains in all bail fields of the seed
capacity of 8 munsar and 100 coconut trees in
bearing. According to the Chalgani lease dated 9th
October 1894 executed in respect of that land by
tenants Paramesha, Sakin Pujari and Simma
Pujari the annual rent payable for bail
fields

fields of the seed capacity of $3\frac{3}{4}$ muns and
the $\frac{1}{4}$ coconut trees standing on the land was
10 muns of Markati rice, 1 mun of superior
Belitge rice, Rs 56 in cash, 1 fowl of the value
of Rs 4 and $1\frac{1}{2}$ thousands of sheaves of paddy
straw and $\frac{1}{4}$ coconut trees the rent was Rs 20
in cash. Billa Gyampa (female) and Shambhaga
Shambhaga have executed a chulgeri lease for
the bail field of the seed extent of $\frac{1}{4}$ mun
agreeing to pay an annual rent of Rs 16 in
cash. For the remaining bail field of the
seed extent of 1 mun the annual rent
according to the chulgeri lease executed by
Shibu (female) is Rs 10 in cash. The land
lease rent as detailed above and this rent
is collected. The total rent for the whole thing
according to the details above given amounts
to Rupees 153. The Wang Nod and a garden
land Shorsagane Muli Wang $\frac{1}{4}$ of the seed
capacity of about 10 acres were purchased about
10-13 years ago by Kanta Thandari, uncle of
the

be seen that a
separate rent is
mentioned for the
 $\frac{1}{4}$ trees.

the aforesaid Santhalas for Rs 5000. Even now in
the neighbourhood of the land proposed to be
acquired bail field of the seed area of 1 mun
sells at the rate of one thousand Rupees.
Taking these facts into consideration, and
according to the proportion of the rent for
Wang Nod above mentioned and the price of
the land in the vicinity Rs 299 should be
paid to me for the land N-1 on the sketch.
I have also made a petition to the Chairman
of the Municipal Council to this effect on
5th July last. I now ask for the same amount.
I have heard the above and it is correct.

Signature of Dandua.

On further examination. — The land N-1 on
the sketch is of the seed extent of about $2\frac{1}{2}$
peers. I have heard the above and it is
correct.
