GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From J. ANDREW, Esq., President, District Board, Trichinopoly, to the Chief Secretary to Government, dated 5th March 1896, Dis. No. 176.

I have the honour to request that Government will be pleased to modify the order laid down in G.O., No. 2613 L., dated 11th October 1890, so far as it relates to the verification of the stock of books supplied to inspecting schoolmasters for sale. The order as it stands requires the stock to be verified once a quarter, but from experience it is found difficult to do so. The duty of verification has in this district been entrusted to the educational authorities under whose control and supervision the inspecting schoolmasters have been placed, and I presume this to be the case also in other districts. The verifying officers—generally Sub-Assistant Inspectors of Schools —have always two or more inspecting schoolmasters under them. All of them are officers who have to be constantly touring about within their respective divisions, and it is thus very inconvenient for a Sub-Assistant Inspector to meet all the inspecting schoolmasters under him once every quarter. In many cases the head-quarters of the Sub-Assistant Inspector are very far from those of the inspecting school-masters, and it takes up an appreciable portion of their time in a matter comparatively unimportant in visiting the Sub-Assistant Inspector with their stock of books once every quarter. In view of the above difficulties, the Inspector of Schools, Western Circle, suggests that the verification of books may be made once a year instead of once a quarter as at present. The suggestion is calculated to simplify matters greatly as the Sub-Assistant Inspector has even now to visit the offices of the inspecting schoolmasters under him annually for the purpose of examination, and there will be a saving of all work in connection with the verification of books specially. As Govern-ment has since ordered in G.O., No. 1049 L., dated 17th June 1895, that security should be taken from the inspecting schoolmasters there will practically be no risk in giving effect to the suggestion. To insist upon the quarterly inspection in spite of the above difficulties would, I am afraid, make the educational officers wish not to have books to sell, *i.e.*, to be not anxious to disseminate education.

No. 348.

Referred to the Accountant-General for remarks.

FORT ST. GEORGE,

(Signed) W. W. PHILLIPS,
Ag. Assistant Secretary.

From F. C. HARRISON, Esq., Officiating Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 24th April 1896, No. 61-L.F.D.

With reference to the Acting Assistant Secretary's endorsement, No. 348, dated the 17th March 1896, referring to me for remarks a letter from the President of the District Board, Trichinopoly, suggesting that the verification of the stock of books entrusted to inspecting schoolmasters may in future be made once a year instead of quarterly as at present, I have the honour to state that as security equal to the value of the books entrusted to them is now taken from inspecting schoolmasters, the suggestion made by the President may perhaps be accepted. On the other hand, if much importance is still held to attach to frequent inspection of the books, it might be possible to arrange to have it made by officers other than Sub-Assistant Inspectors of Schools such as Tahsildars, &c., to whom the objections brought to notice would not apply.

ORDER—No. 861 L., dated 9th May 1896.

The proposal of the President is approved.
