Office Note

To,

The President
District Board, Malabar.

I have the honor to bring to your notice that, although overseer Mr. Benjamin who was posted to Ernad Taluk in place of overseer Mr. Anderson transferred to Wynaad (vide your order on my office note Ref on C No. 1834/DBED of 14th September 1895) joined the Taluk on the forenoon of 8th December 1895 under orders from me after the expiry of his leave, he took charge of the Taluk only on the 23rd idem forenoon. The reason for the delay is this. Mr. Anderson had been prior to Mr. Benjamin's arrival ordered to clear off the liabilities on the Mambat bridge work superintended by Mr. Sankunni Menon, the present Calicut overseer and while doing so to have Sankunny Menon with him to witness the payments. He was further informed on the 5th December that, all the arrears of payments

payments must be cleared up and cash accounts rendered before handing over charge of the taluk to Mr. Benjamin. This order was of course merely conditional i.e. provided he is able to act up to it before his successor shall have come to relieve him. But Mr. Anderson under a misconception of this order has stayed over without handing over charge to Mr. Benjamin awaiting the arrival of Mr. Sankunny Menon in view of to clearing up the arrears before being relieved. Meanwhile, being summoned as a witness before Head Assistant Magistrate's Court Palghat in the defamation case against Spectator Press, he had to proceed thither and did not return until the 23rd December 1895 on which date only he handed over charge, the Mambat bridge payments being still left unpaid owing to Calicut overseer Mr. Sankunni Menon not having been able to meet Mr. Anderson. Mr. Anderson being subsequently ordered to be in charge of Palghat Sub Division until the appointment of a new Assistant Engineer. Vide my office notes Ref on C No. 3890/DBED of ~~95~~ 20th December '95 and Ref on C No. 3957/DBED of

6th instant has done so on the 8th instant. I am at a loss to understand how to treat overseer Mr. Benjamin for the period during which he was inactive at Malapuram i.e. between 8th and 22nd December '95 both days inclusive, and Mr. Anderson from 23rd December to the date he took viz the 8th January 1896 charge of the Sub Division. I request early instructions to enable me to draw their pay. I have disbursed Mr. Benjamin's pay at Rs. 60 allowed to his grade in the Low Country.

Sir,

With reference to your Endorsement dated the 28th January 1896 on an Office note No. 4117 of 14th January 1896 addressed to the President of the District Board by the District Board Engineer, I have the honor to state that, as Mr. Benjamin appears to have exceeded his joining time through no fault of his own, the ordinary course would be to apply for the sanction of Government to its extension under article 198 of the Civil Service Regulations. If Mr. Anderson overstayed his joining time (23rd December 1895 to 8th Jany 1896) on transfer to Palghat, he must lose pay for the excess period under article 209 of the Civil Service Regulations.

CURRENT No. 829

From,

President, District Board

To

The Chief Secretary
to Government, Local and
Municipal department
Madras.

Sir,

In September 1895 Mr. Benjamin, Overseer of Wynad Taluk was on the recommendation of the District Board Engineer, transferred to Ernad, and the Ernad Overseer to Wynad. Mr. Benjamin was then on privilege leave. He reported himself at Manjeri (in Ernad taluk) on the forenoon of the 8th December 1895 under the Engineer's orders after the expiry of his leave, but was able to take charge of it only on the forenoon of the 23rd idem. The reason for this delay is due to the fact that Mr. Anderson, Overseer, Ernad Taluk, who was transferred to Wynad, was

was prior to Mr Benjamin's arrival ordered by the Engineer to clear off the liabilities on a certain bridge work which was constructed under the superintendence of the Overseer, Calicut Taluk, along with the latter. Mr. Anderson awaited the arrival of the Calicut Overseer for closing up the accounts. Meanwhile he was summoned as a witness in a Criminal Case at Palghat. He proceeded to that place and did not return till the 23rd December 1895, on which date he handed over charge of the Taluk to Mr. Benjamin. He was not able to make the payments on account of the bridge work referred to as the Calicut Overseer was not able to meet him. A reference was made to the Inspector of Local Fund Accounts as to how the period between the 8th and the 22nd December 1895, during which period Mr Benjamin remained without any work at Manjeri should be treated. In reply that officer states that as Mr. Benjamin exceeded his

joining

joining time through no fault of his own the ordinary course would be to apply for the sanction of Government for its extension under Article 198 of the Civil Service Regulations. A copy of his letter with the Engineer's office note referred to therein is herewith submitted for the information of Government. In these circumstances therefore, I have the honor to request that Government will be pleased to extend the joining time of Mr. Benjamin by 15 days the period from 8th to 22nd December above referred to.

I have the honor to be,
Sir
