The President,
District Board, S.A.

Sir,

In continuation of Correspondence ending with your letter Ref. on Cuv. No. 139 of 95, dated the 25 March last, in regard to the Construction of the Copanar bridge, I have the honour to request you will please write to Government for the plans and estimates appertaining to the work so as to enable me to commence and complete it before the monsoon sets in, as desired by you. I fear if there be delay in the receipt of the required plans, &c. I will be unable to get up the foundations in time for raising and completing the superstructure within the year. Agreeably to the concluding portion of the 4th para of your letter quoted above, I have already ordered for the required iron works from Messrs. Bunn & Co. of Calcutta. A copy of their ^{reply} is herewith submitted for your perusal.

I have &c.
