SIR,

Godavari.

In resubmitting herewith your endorsement
No. 382 of 24-3-96, I have the honour to state as follows:-

From the year 1888 the "Indian Journal of Education" has been
supplied to the Secondary Schools under the Board without the
sanction of Government on the consideration that this
charge was included in the provision for books and
maps in the Budgets of the previous years, forgetting that
special sanction of Government should be obtained for the
charge.

I have therefore the honour to request that you
will be pleased to obtain sanction of Government for
the payment in question. In future the charge will be
included and specified in the Budget.

I have the honour to be
