FROM

G. Stokes Esquire,

COLLECTOR,

Local & Municipal Department,
TANJORE,

TO

The Chief Secretary to Government,

Local & Municipal Department,

MADRAS.

SIR,

A piece of Inam dry land measuring acres .7271 in No. 77, Patnam village, Kumbakonam Taluk, is required for the extension of the Municipal Office, Kumbakonam.

2. The land belongs, in parts, to 11 individuals of whom five have consented to part with their portions and one is the minor proprietor of the Kadakavinayanallur Estate under the management of the Court of wards.

The remaining five individuals object to the acquisition on the ground that it is unnecessary and urge that if the backyard portions of their house are to be taken up,

their

their whole houses should be purchased.

3. I submit Copy of the Municipal Chairman's letter explaining the necessity for the acquisition. The Sub Collector who has inspected the site reports that the second objection of the owners is groundless in as much as ample backyards will still be left for their use even though the portions required are taken up.

Vide list

4. I have the honour, therefore, to submit herewith a draft declaration for the acquisition of the land needed and to request that it may be approved and published in the Fort Saint George Gazette.

Vide list

5. The written statements of the owners of all the portions of land are enclosed.

As per list attached

Sir,

With reference to your Reference on Current No. 284 of
1896 dated 3rd April 1896. (in re the acquisition of
pieces of land near the Municipal Office), I have the
honour to forward a fresh plan showing distinctly
the land required for.

- (1) a store room for kerosine oil.
- (2) The extension of the Brahman ward
- (3) making Municipal lands a Compact block, and
- (4) The improvement of the Municipal garden.

In the sketch (in tracing cloth) which is returned
as desired, the Colours have faded and the markings

Thereon

thereon of the four different points raised in your
Endorsement was thought inadvisable. I trust
that the new plan will place beyond doubt the
need that exists for the acquisition of the lands —

Misc. order

The plan received with the
second letter read above will be
returned to the collector with the
request that he will resubmit
it showing on it the houses of the
owners of the lands proposed to
be acquired and the extent of
their backyards that would
remain after the proposed acqui-
sition is made.

order No. 883 Miss 8/23-5/96
13/5/96 The draft declaration as amended
by Govt will be published in the Fort St.
Free Gazette

Note
16.5.96
The principal objection urged by some of the owners
to the proposed acquisition is that their back-
yards would become too small for their use.
The plan does not show how far these backyards
would be reduced if the portions wanted
by the M.C. Council be acquired & without
information on this point it is difficult
to say whether the objection can be
allowed or not.

The Sub Col. has inspected the site
& reports that the backyards will be
sufficiently large even after the proposed
acquisition and pays of Govt.
