The President

Saving Board Parvathipur.

Sir,

Since my arrival here in 1892, I was unable to procure a suitable building to live in, in spite of various efforts, owing to the scarcity of houses in the village of Belgam close to the Local Fund Hospital which compelled me to represent my difficulties in this respect to the then President of the Saving Board and request him to permit me to live in the town of Parvathipur. The president was pleased to make local enquiries and was convinced of the real difficulties, I had been put to, but being unable to permit me to live in Parvathipur, sanctioning the impossibility of obtaining houses close to Parvathipur hospital the payment of Rs 10 a month as house rent from 1st April 1895 on condition that I should live within $\frac{1}{4}$ a mile of the hospital at a meeting held on 10.9.95 and this amount Rs 120 a year was passed. As there were no such houses as could comply with the requirement of the Board's above resolution I asked the President to give me $\frac{1}{4}$ of the Belgam market site for the construction of a house. He was pleased to sell the site to me for Rs 150 as the construction of a building thereon for me to live in would fully comply with the requirements of the above resolution. I then proceeded to build on the site a house that would really fetch a rent of Rs 10 or more and completed it.

In the meantime I submitted house rent bills from April last and they were duly passed for payment both by the President, Salary Board and the Treasury Deputy collector as there was special provision for the same owing to the difficulty mentioned in para 1 in spite of G.O. No. 865¹⁴⁻¹¹⁻⁹⁴ Police. But the Treasury Deputy collector subsequently deviating from his views when he passed these bills ordered the refund of the whole amount already drawn by me on the strength of the above G.O. I then refunded the whole amount as directed and submitted to the District Medical & Sanitary Officer for countersignature a fresh bill for the sum due to me from the beginning of the year at the rate of Rs 5 sanctioned in the above G.O. for hospital assistants. This Officer to my disappointment, in the spite of the Salary Board's resolution returned the bill to me for want of a certificate that my quarters are within 200 yards of the hospital.

Now I humbly beg to submit that because the Board sanctioned Rs 10 a month house rent on condition that I should live within $\frac{1}{4}$ mile of the hospital and ordered me to draw the rent I constructed a house capable of fetching a rent of more than Rs 10 at a vast expense within $\frac{1}{4}$ mile of the hospital. Had it not been for the Board's resolution I would have built a house fulfilling the requirements of the G.O. and I beg to submit that if the house I now constructed were to be condemned by the very Board that has sanctioned its construction I would be put to an enormous loss. This house

is even far less than $\frac{1}{4}$ mile of the Local Fund Hospital and is within 200 yards of the Police Hospital which is also under my charges.

I therefore humbly pray your honor to again place the matter before the Board and pass orders for the payment of the bill herewith enclosed, if necessary addressing Government placing before it all the special circumstances that had happened in my case and the orders issued by the Board on the subject.

I beg to remain

The Honorable J. F. Price
CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

SIR,

I have the honor to submit for the orders of Government, a petition from P. Narayanaswami Naidu, Hospital Assistant in charge of the Parvatipur Local Fund hospital, representing the circumstances - under which he claims compensation at the rate of Rs 5 per mensem in lieu of free - quarters though his house is more than 200 yards from the hospital. This hospital assistant is a private medical practitioner employed by the Board, and not a Government servant. In September 1894 the Parvatipur Taluk Board, which has charge of the institution, sanctioned house-rent for

VIZAGAPATAM.

him at the rate of Rs 10 per mensem, subject to the condition that he should reside within a quarter of a mile of the Hospital. As no houses were available within the prescribed distance from the Hospital, Narayanaswami Naidu was induced by the Taluk Board President to build one, at his own cost. He therefore submitted bills for the rent sanctioned by the Board with effect from 1st April 1895. But the Treasury Deputy Collector objected to pass them as the rent sanctioned was in excess of the maximum rate prescribed by Government in para 3 of its order No. 1542 dated 14th January 1895 which supercedes the Board's resolution above quoted. He then submitted revised bills charging rent at the rate of Rs 5 only per mensem but these also are open to the objection that the quarters are not within 200 yards of the institution to which he is attached. I think that the case is one for special consideration, and that compensation at the rate of Rs 5 per mensem

Should

should be sanctioned to the Hospital Assistant notwithstanding the fact that his quarters are outside the prescribed distance.

I have the honor to be,

Sir

Your most obedient Servant
