From J. N. ATKINSON, Esq., President, District Board, Kistna, to the Chief Secretary to Government, dated Masulipatam, 4th February 1895, Ref. on C. No. 2168-D.B. of 1894.

The Guntúr Taluk Board, in its resolution No. 22, dated 30th March 1894, proposed to make Tadikonda in Guntúr taluk and Phirangipuram in Sattenapalle taluk into unions and requested the Tahsildars of these taluks to submit the required information in accordance with Government memorandum No. 347, dated 4th June 1890. The Tahsildars have accordingly submitted the statistics.

2. The Taluk Board in its resolution No. 9, dated 28th September 1894, resolved that Phirangipuram with its hamlet Yellareddipalem, and the separate village Repudi, which is half a mile distant from Phirangipuram, and Tadikonda with its hamlet Badipuram, should be constituted into unions, and that house-tax should be levied in these two unions at one-fourth the schedule rates.

The Vice-President of the taluk board in his letter, Reference on C. No. 405, dated 5th October 1894, requested me to obtain Government sanction to convert the said two villages into unions.

3. Phirangipuram is an important station on the Southern Mahratta Railway line and is also a place of some mercantile importance. The population of the village, including its hamlet Yellareddipalem, is 3,594 according to the last census. The separate village of Repudi which is to be included in this union has a population of 712.

4. Tadikonda, with a considerable revenue, is one of the largest villages in the Guntúr taluk. It is the head-quarters station of the Revenue Inspector of Tadikonda firka. In this village, there are a Police station and Village Post office, and also there are two Local Fund schools—one for Hindus and the other for Muhammadans. With its hamlet Badipuram, it has a population of 4,607 as per last census.

5. Under these circumstances, I have the honour to request that Government may be pleased to constitute Phirangipuram with its hamlet Yellareddipalem, together with the separate village Repudi in the Sattenapalle taluk, and Tadikonda with its hamlet Badipuram in the Guntúr taluk, to be unions. Adequate provision has been made in the budget for 1895–96 in anticipation of Government sanction.

6. A copy of the taluk board resolution, a statement showing the information required in Government memorandum No. 347, dated 4th June 1890, a draft notification and a copy of the district board's resolution sanctioning the taluk board's proposals are enclosed. The sketches also are enclosed.

*Order*—Mis. No. 2299 L., dated 27th November 1895.

The Government considers that, with the amounts of Rs. 378 and Rs. 571, respectively, expected to be realized from the house-tax in the proposed unions, the union panchayats will not be able to carry out any appreciable improvement in the sanitation of the villages under their control and that they will be compelled to rely largely upon contributions from the taluk board. As, however, it is not equitable that funds realized from the general body of the rate-payers should be expended for the benefit of the small section of them who reside in unions, the constitution of the proposed unions cannot be sanctioned unless the local boards are prepared to levy the house-tax at least at half the maximum rates so as to make the unions self-supporting.

2. The estimated receipts and charges of these unions have not been included in the budget for 1895–96 as stated in paragraph 5 of the President's first letter.

3. In the statement showing the particulars of the amount of house-tax expected from these unions, the amounts expected from 3rd and 4th class houses in the Phirangipuram union are given as Rs. 318 and Rs. 37–12–0, respectively, instead of Rs. 313 and Rs. 37–8–0.

*Order*—Mis. No. 2299 L., dated 27th November 1895.

The Government considers that, with the amounts of Rs. 378 and Rs. 571, respectively, expected to be realized from the house-tax in the proposed unions, the union panchayats will not be able to carry out any appreciable improvement in the sanitation of the villages under their control and that they will be compelled to rely largely upon contributions from the taluk board. As, however, it is not equitable that funds realized from the general body of the rate-payers should be expended for the benefit of the small section of them who reside in unions, the constitution of the proposed unions cannot be sanctioned unless the local boards are prepared to levy the house-tax at least at half the maximum rates so as to make the unions self-supporting.

2. The estimated receipts and charges of these unions have not been included in the budget for 1895–96 as stated in paragraph 5 of the President's first letter.

3. In the statement showing the particulars of the amount of house-tax expected from these unions, the amounts expected from 3rd and 4th class houses in the Phirangipuram union are given as Rs. 318 and Rs. 37–12–0, respectively, instead of Rs. 313 and Rs. 37–8–0.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—again the following paper :—

G.O., Mis. No. 2299 L., dated 27th November 1895.

*Read*—the following papers :—

From J. N. ATKINSON, Esq., President, District Board, Kistna, to the Chief Secretary to Government, dated Masulipatam, 4th February 1895, Ref. on C. No. 2168-D.B. of 1894.

The Guntúr Taluk Board, in its resolution No. 22, dated 30th March 1894, proposed to make Tadikonda in Guntúr taluk and Phirangipuram in Sattenapalle taluk into unions and requested the Tahsildars of these taluks to submit the required information in accordance with Government memorandum No. 347, dated 4th June 1890. The Tahsildars have accordingly submitted the statistics.

2. The Taluk Board in its resolution No. 9, dated 28th September 1894, resolved that Phirangipuram with its hamlet Yellareddipalem, and the separate village Repudi, which is half a mile distant from Phirangipuram, and Tadikonda with its hamlet Badipuram, should be constituted into unions, and that house-tax should be levied in these two unions at one-fourth the schedule rates.

The Vice-President of the taluk board in his letter, Reference on C. No. 405, dated 5th October 1894, requested me to obtain Government sanction to convert the said two villages into unions.

3. Phirangipuram is an important station on the Southern Mahratta Railway line and is also a place of some mercantile importance. The population of the village, including its hamlet Yellareddipalem, is 3,594 according to the last census. The separate village of Repudi which is to be included in this union has a population of 712.

4. Tadikonda, with a considerable revenue, is one of the largest villages in the Guntúr taluk. It is the head-quarters station of the Revenue Inspector of Tadikonda firka. In this village, there are a Police station and Village Post office, and also there are two Local Fund schools—one for Hindus and the other for Muhammadans. With its hamlet Badipuram, it has a population of 4,607 as per last census.

5. Under these circumstances, I have the honour to request that Government may be pleased to constitute Phirangipuram with its hamlet Yellareddipalem, together with the separate village Repudi in the Sattenapalle taluk, and Tadikonda with its hamlet Badipuram in the Guntúr taluk, to be unions. Adequate provision has been made in the budget for 1895–96 in anticipation of Government sanction.

6. A copy of the taluk board resolution, a statement showing the information required in Government memorandum No. 347, dated 4th June 1890, a draft notification and a copy of the district board's resolution sanctioning the taluk board's proposals are enclosed. The sketches also are enclosed.

Reference No. 362, dated 11th March 1895.

The estimates of house-tax that may be realized in the proposed unions are considerably above the actual amounts collected in other similar unions in the Kistna district. The President, District Board, will be requested to have the estimates carefully checked and to report the result.
