FROM

V. A. Brodie Esquire

President,

District Board,

Godavari District.

TO

The Collector

Godavari

SIR,

With reference to your letter Refon Cu. No.  $\frac{3257}{607}$  of 1895, dated 24.3.96, I have the honour to state that the retention of Appalamarasiah in service till the 31<sup>st</sup> March 1897 is absolutely necessary in the interests of this Department in as much as it would not be possible for one to find a competent man to succeed him and train him up in the work; if Appalamarasiah is to be retired by the 31<sup>st</sup> August 1896 as originally intended.

2. As the term for which the loan has been sanctioned will shortly expire, the Collector Godavari desired to know whether Appalamarasiah was physically and mentally fit for further retention in service and I replied in my letter <sup>Refon Cur</sup> ~~10~~ <sup>671</sup> <sub>8B</sub> dated 17.4.96 (a copy of which is enclosed) that it was absolutely necessary in the interests

interests of this Department that Appalanarasiah should be retained in service till the 31<sup>st</sup> March 1897.

3. When I last applied (vide this office <sup>266</sup><sub>213</sub> of 15.2.94 read in G.O. No 486 d. omis. dated 12.3.94) for a further loan of his services, there was, no doubt, a distinct understanding that Appalanarasiah should be retired on the date on which he should attain 55 years, inasmuch as the period of the loan extended only up to the date of his retirement. Again, in recommending to Government that the maximum salary of the post viz Rs 80 might be allowed to Appalanarasiah from 1<sup>st</sup> April 1895 the District Board observed that he would complete his 55<sup>th</sup> year in about 2 years and as he would then have to retire from the service and as the pay he was then drawing was only Rs 72, he could not, before retirement, earn the maximum pay of the post\* (vide para 21

in para 2 of this office Ref on Govt <sup>3390</sup><sub>213</sub> of 31.12.94, embodied in

in G.O. No 483 d. dated 13.3.95).

4. I should, under ordinary circumstances, have hesitated to apply to Government for a further loan of his services, but considering the state of the District Board Engineer's office and the difficulty of finding a suitable successor before Government accords its sanction to the scheme of re-organization submitted with my letter Ref on Govt <sup>363</sup><sub>213</sub> of 16.10.95 under which scheme the pay of the appointment in question has been raised to Rs 100 - I have felt it necessary to ask Government to allow the Board the services of this tried man for a further period of 7 months. In the meantime, the orders of Government regarding the said scheme will be received and I shall be able to find a competent successor for Appalanarasiah and make the necessary arrangements for his training.

5. I have, therefore, the honour to request that

That Government may be pleased to accord its  
sanction to the loan of Appalamarasiah's services  
till the 31<sup>st</sup> March 1897, when his connection  
with this Department will cease.

I have the honour to be,  
Sir,

Yours most obedient servant
