C. No 527/896

1896

COLLECTOR'S OFFICE
28 APR 96
SOUTH ARCOT

From

Muhammad Raza Khan Esquire
Subcollector and
Presiding Councillor
Trinomalai Municipality

To

The Chief Secy to Govt
Municipal Department
through the Collector
of South arcot.

Dated 17th } April 1896
Despatched 22nd }

27 APR 96 No. Reg'n 1874/896

Enclosures — 4.

Sir,

Adverting to G.O. No 577 M, dated 30th March 1896, para 3, I have the honor to submit herewith the budget estimate of receipts and charges of the Trinomalai Municipality for 1896-97, together with a resolution of the Municipal Council passing the budget and a statement showing the number and salaries of all the permanent

Forwarded.

Sd/-

Ag. Collector.

RA
24-4

The connected papers re: the formation of a Municipality at Trinomalai, have been submitted with the letter of the Asst Insp of Schools who wanted the appointment of panchayatdars Offices in the Municipality

RA

permanent servants proposed to be entertained by the Council.

2. As this town just commences its existence as municipality, a detailed statement of the receipts and charges only has now been prepared for submission and the statements relating to income of previous years have been withheld. The figures entered have mostly been taken from the statements forwarded with my letter dated 30th November 1895, C. No. 3637 printed in G. C. No. 377 M. dated 5th march 1896, the same having been revised with reference to the remarks of Government thereon and the present altered Circumstances of the Municipality as explained hereafter. The Concessions made by the District Board in the shape of Contributions and remissions on a reference from Government have also been embodied in the statement; striking variations from the estimate already submitted are noted below in detail and brief remarks added as regards other items wherever necessary.

Receipts.

3. Opening Balance Rs 2790. This is the amount left with the Union Panchayat at the close of the last official year and exceeds the Sum anticipated by Rs 790.

4(a) Tax on huts at Schedule rates — Rs 1350

(b) Tax on buildings at 5 p.c. rental value. — Rs 2030

(c) Tax on lands :— Occupied lands at 5 p.c. rental value Vacant lands and Sites occupied by native huts at 6 pies per 80 Square yards — Rs 720

(d) Tax on Vehicles with springs and palanquins at maximum rates — Rs 75

(e) Tax on animals at maximum rates except for asses for which half the maximum rates is proposed — Rs 1396

(f) Tax on Carts and other vehicles without springs at maximum rates — Rs 880

(g) Tolls at $\frac{3}{4}$ Schedule rates — Rs 10,000

The municipal Council has determined to levy all the above said taxes at the rates specified opposite to each. The

Small

small additions now made to the tax on buildings and lands previously proposed by me is due to inclusion of the hill-road within the municipal limits with the houses in the village of Adiarmanalam and the lands thus enclosed by it. The increase of Rs 5,000 under tolls is due to the non payment of Contribution due to the District Board which has expressed its willingness to forego its share and to the resolution of the Council to levy tolls at three fourths the Schedule rates. This forms the most important item of revenue and can in the opinion of the Council be easily realized. Under tax on animals, half rates are proposed for asses as these are generally owned by poor Dhobies

5. Rent on Lands. Rs 105. This is the probable income derivable from the lease of two pieces of land situated near the bazaar street belonging to the Municipality.

6. Avenue rents. Rs 100 This represents the probable income under this head from all the avenues on the roads in this municipality inclusive of the road round the hill.

7. Traveller's Bungalow fees. Rs 70. The actual income of 1894-95 has been adopted.

8. Sale proceeds of night soil, street refuse etc Rs 150. This is only an approximate estimate.

9. Fees from educational institutions. Rs 1003 There are three schools to be managed by this municipality viz. the Middle School, the Hindustani Primary School and the Sammudram Pariah School. Two thirds of the maximum fees are realized in the Middle School and half fees in the other two schools, on the ground that this town was hitherto included in the list of tracts educationally backward. Now that this town has risen to be of sufficient importance to be constituted a municipality, there seems to be no reason for continuing the concession any longer to the Middle School. It is accordingly resolved to levy full

full fees in the middle School to make it more or less self supporting. —

It is, however, not deemed expedient to disturb the half rates of school fees in force in the Hindustani Primary School.

As regards the Saundram Pariah School, it is resolved to give the Pariahs free education for the present, as the School is not in a flourishing condition.

The fees derived from the three Schools in 1894-95 and those expected in the Current year are shown below: —

	1894-95 Rs. as. ps.	1896-97 Rs. as. ps.
(1) Middle School	651. 9. 4	976. 0. 0
(2) Hindustani Primary School.	27. 13. 6	27. 0. 0
(3) Saundram Parachery mixed School	14. 15. 9	0. 0. 0
Total	694. 6. 7	1003. 0. 0.

10. Other revenue from Educational institutions

Refunds from the pay drawn by the teachers of the middle School, was previously entered under this head. This is now omitted.

11. Market rent Rs 1250. This is chiefly derived from the annual Cattle market, where an anna per head of cattle is proposed to be levied as in last year. The income from temporary booths set up on occasions of fairs and festivals is also included under this head, the rate being the one applicable to temporary structures put up on occasions of marriage etc (vide para 130).

12. Distraint fees. Rs 25. This calls for no remarks.

13. License fees. Rs 300. The following kinds of licenses are now proposed to be granted on payment of fees and the levying of fees on other offensive and dangerous trades is held over for future consideration and assessment.

(i) Licenses for erecting pandals on marriage occasions and for temporary structures on occasions of fairs and festivals at annas two per square yard for 8 days or portion thereof and at half an anna for every additional day to a limit of 15 days in all.

(ii) Licenses for private cart stands at Rs12 per annum per cart stand.

(iii) Licenses for brick kilns at Rs6 per kiln burnt. The increase noticeable under this item is due to the issue of licenses to Cart stands now proposed.

14. Cart stand fees. Rs 628. This is based on the income of last year under this item.

15. Fines Rs 250. The receipts under this head amounted to Rs170 last year. The figure now entered may be taken as a fair estimate for the current year, as increased attention is likely to be paid in future to town nuisances.

16. Provincial Contributions to Municipal Schools Rs 530 taken Credit for under this head, in respect of the local Middle and Hindustani Primary Schools is now struck out, as under rule 5 of Chapter I of the Grant-in-aid Code, these Schools in District Municipalities are not entitled to provincial grants.

17. Contribution Medical Rs 450
Other purposes Rs 145 Rs 450 is one

one fourth of the pay of the Civil Apothecary in charge of the Local Hospital paid from provincial funds on account of his being in charge of the Police Hospital also. Credit is taken for 145 Rs it being rent paid by Government for the Police Ward.

18. Contribution by Local Boards Rs 1405. Medical Half the expenditure of the Local Hospital exclusive of the Government Contribution is shown here, the District Board having Consented to pay it.

19. Fairs and Festivals. Rs 1250. The District Board is willing to pay a reasonable share of the expenses of the Kartigai festival Sanitary arrangements. Rs 2,500 having now been provided under Charges on this account, half the amount is entered as Contribution from District Board.

20. Other grants and Contributions Rs 210. Of this sum, Rs 200 is Contributed by the Dharmakarta of the local temple and Rs 10 by the manager of the Gyanadan towards

towards the sanitary expenses of the Kartigai festival.

21. Private Scavengering fees. Rs 100. This system was introduced into the town about two months ago. About Rs 8 a month are being collected at rates varying from annas two to eight for each household, the amounts being paid voluntarily. An uniform rate of 3 per cent of the rental value of the building is now proposed.

Charges

22. Grant I. New buildings Rs 500. This provision is made for building two new standard iron latrines, as the town has none at present.

23. Communications. Rs 1200. The metal roads of the municipality now measure about 15 miles owing to the inclusion of the hill roads within the municipal limits. There are also about 10 miles of unmetalled road. Hence the increased provision of Rs 200 over the sum of Rs 1000 previously

previously proposed.

24. Repairs to buildings. Rs 120. This amount is provided to meet the repairs of the hospital and the traveller's Bungalow etc

25. Water supply. Repairs Rs 500 Establishments Rs 48. The former sum is for the improvement of some wells in the town. The latter constitutes the pay of a watchman for a drinking water tank.

26. Tools and plant Rs 20 This calls for no remark.

27. Grant II. Stipends to Normal students. Rs 12 originally provided for under this head is now struck out, as no teacher is likely to go up for training this year.

28. Middle School Establishment. Rs 1104. Contingencies Rs 50. It has been resolved by the Council to reduce the pay of the teachers as the school is not self supporting.

The existing and proposed scales are shown below:—

	Present pay per month	Proposed pay per month
	Rs	
Head master ———	42	30
1st assistant ———	30	20
2nd do ———	22	15
3rd do ———	15	12
Gymnastic instructor (with a 1st class certificate) one peon	15	10
	5	5
Cost per month	129	92
Cost per annum	1548	1104

Adding to the proposed expenditure on establishment, the Contingencies of the School, the total charges come to Rs 1164. The income of the school in the shape of school fees is expected to be Rs 976 and the grant to be paid from the municipal funds would, therefore, be Rs 178 as against Rs 368, the maximum grant payable under the Code. The saving of Rs 190 thus effected in the grant payable may not really prove so, as there may be a temporary falling off in the collections of the school owing to the introduction of the full fees system. The reduction in the pay of the teachers, will therefore be found a necessity, if the school is not to be a drain on the resources of the municipality. Rs 50 only is provided under Contingencies as no furniture is likely to be required during the current year.

29. Salary results schools Establishment Rs 237. Contingencies Rs 44. These represent the pay of the teachers in the Hindustani Primary School and the Panish School and the Contingent charges of the same.

30. Salary results Schools. Results grant Rs 50. It is proposed to cut short the estimated expenditure of Rs 70 by Rs 20.

31. Result System Schools - Rs 300. The expenditure under this head has hitherto been Rs 250. In consideration of the numerical strength of the schools, the amount is now raised to Rs 300.

32. Municipal Inspector Rs 72. It is now proposed to give an Extra pay of Rs 6 per mensem to one of the teachers of the Local Meddle School for this work. Contingencies, Rs 12, previously provided for this office is now done away with, as by the arrangements now proposed, the Inspecting School master will always be at Casba and can incur no postal charges and as he can obtain the necessary stationery from the Municipal office.

33. Grant III. Sanitation and Medical.

(a) Hospital Establishment — Rs 2436

(b) Medicines — Rs 360

(c) Diet of patients — Rs 360

(d) Contingencies — Rs 140

The figures represent the present expenditure on account of the local hospital. No reductions are proposed as the District Board has agreed to bear half the cost.

34. Contribution to Provincial Funds.

i Medical College Rs 25.

ii Sanitary Inspector Rs 50

iii Medical ~~Reserve staff~~ — Rs 10

These Call for no remarks.

35. Vaccination Establishment Rs 84

Contingencies — Rs 100 : A vaccinator on Rs 7 per mensem is proposed and the Contingencies are for supply of lymph etc

36. Registration of Births and Deaths.

Establishment Rs 120

Contingencies Rs 20

: A Registrar of Births and deaths on Rs 10 a month is proposed.

37. Conservancy - road cleaning etc Rs 1608

This provides for a nuisance inspector on Rs 15, a maistry on Rs 10 and 25 sweepers and toties Costing Rs 109 in all a month, as detailed in the accompanying list.

of permanent establishment is proposed. The present proposal involves an increase in the staff of one inspector and 10 menial servants over that entertained hitherto by the Union Panchayat. This increase is quite necessary as the town lies scattered and the late Union Establishment took two days to attend once to the work of the whole town

38. Conservancy - other charges - Rs 600

The Union had 4 rubbish Carts 2 of which were drawn by bulls and 2 were hand drawn. It is now proposed to purchase one more Cart to be hand drawn and to provide the other 4 Carts with bulls. The number of dust bins has also to be increased. Details for the provision made are as follows:-

Bullock hire for four Carts Rs 480

Cost of dust bins & one Cart Rs 120

Total Rs 600

39. Private Scavenging - Rs 72 This Constitutes the pay of one male toti at Rs 6 per mensem.

40. Cholera charges Rs 50. The amount previously provided under this head was Rs 100. This is now reduced to Rs 50 as cholera does not generally prevail in this town except during the time of the Kartigai festival when special sanitary Charges are incurred under the head of fairs and festivals.

41. Contingencies. Rs 80. This is intended for the repair of Sanitary Carts and for greasing and tarring them.

42. Removing prickly pear. Rs 20.

This provision is necessary for some years.

43. Festival Charges. Rs 2500. This is a fair estimate of the charges that would be incurred year by year during the Kartigai festival and no reduction can be made therein. The amount herein provided is much less than what was actually

expended last year on this account.

44. Grant IV. Lighting and Miscellaneous

Lighting Establishment Rs 144
Contingencies ——— Rs 700.

81 Lanterns are now ~~burning~~ lit in the town and 75 lanterns without posts are in stock. The Cost of Continuing the 81 lanterns Comes to about Rs 400 only. It is intended to denote the extra provision now made to purchase and put up about 30 lamp posts and to light them this year, deferring till next year the supply of posts for the remaining lamps.

45. Traveller's Bungalow Establishment. Rs 108. Contingencies - Rs 20. A meaty and a Sweeper are attached to the bungalow.

46. Destruction of Wild animals & Snakes. Rs 25

Rewards for killing Stray dogs and Snakes are shown here.

47. Printing. Rs 400 This amount is likely to be required for printing all the registers, forms, Proceedings of the office and includes Contribution due

due to Government Press for the work done by it.

48. Office Establishment - Rs 804

This provides for a manager on Rs 30, an accountant on Rs 14, an attender on Rs 7, two peons on Rs 6 each and a mashalgi on Rs 4. The increase here made is to provide for an office manager on Rs 30 instead of one on Rs 20 as already proposed as it is very doubtful whether a Competent person could be obtained for less.

49. Collection Establishment Rs 192

2 bill Collectors on Rs 8 each are proposed.

50. Purchase of account books, Cash Chest etc. Rs 80

This Calls for no remarks.

51. Collection of tolls. Establishment Rs 1020

Five toll gates at a Cost of Rs 204, as detailed below are now provided instead of six at a Cost of Rs 216 as originally proposed: -

	Rs
Gate Keeper at Rs 7	84
2 peons at 5 Rs each	120
Total	204

52. Tolls. Contingencies - Rs 300. This represents the cost of erecting toll sheds and bars putting up notice boards and lighting charges.

53. Office Contingencies. Rs 200. This includes office rent not exceeding Rs 6 per mensem and charges on accounts of postage, stationery and other Contingencies.

54. Contribution for Central Office and audit establishment. Rs 60. no remarks.

55. In deference to the remarks of Government that the expenditure under the several heads and especially that under education are high, I have endeavoured as far as possible to Carry out the wishes of government Consistent with the efficiency of the administration. The net charges on account of education have after Careful Consideration been reduced by Curtailing the pay of the teachers of the Local Middle School as also by the

enhancement of the rate of the school fees now in force therein. The other items have also been so disposed of as to leave a total balance of 9743 Rs and a net surplus of current receipts over expenditure by 6,959 Rs. Dr Kriegs important scheme for the permanent improvement of the Trincomalee drinking water supply about which he spoke to Mr Stuart and also Some during the ~~late~~ last Kantigai will cost nearly a lac of rupees, and I am anxious to save every year Some substantial balance for making up that large amount to be expended towards the said scheme ultimately.

I have the honor to be
Sir
Your most obedient Servant

Jno Ranx Ulrau

Sub Collector & Presiding Councillor

No. 897 M., 27TH MAY 1896.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From MUHAMMAD RAZA KHAN, Esq., Sub-Collector and Presiding Councillor, Tiruvannámalai Municipality, to the Chief Secretary to Government (through the Collector of South Arcot), dated 17th April 1896, Ref. on Cur. No. 1874.

Adverting to G.O., No. 577 M., dated 30th March 1896, paragraph 3, I have the honour to submit herewith the budget estimate of receipts and charges of the Tiruvannámalai Municipality for 1896–97, together with a resolution of the municipal council passing the budget and a statement showing the number and salaries of all the permanent servants proposed to be entertained by the council.

2. As this town just commences its existence as a municipality, a detailed statement of the receipts and charges only has now been prepared for submission and the statements relating to income of previous years have been withheld. The figures entered have mostly been taken from the statements forwarded with my letter, dated 30th November 1895, Cur. No. 3637, printed in G.O., No. 377 M., dated 5th March 1896, the same having been revised with reference to the remarks of Government thereon and the present altered circumstances of the municipality as explained hereafter. The concessions made by the district board in the shape of contributions and remissions on a reference from Government have also been embodied in the statement. Striking variations from the estimate already submitted are noted below in detail and brief remarks added as regards other items wherever necessary.

RECEIPTS.

3. *Opening Balance, Rs.* 2,790.—This is the amount left with the union panchayat at the close of the last official year and exceeds the sum anticipated by Rs. 790.

		RS.
4. (*a*)	*Tax on Arts* at schedule rates	1,350
(*b*)	*Tax on Buildings* at 5 per cent. rental value	2,030
(*c*)	*Tax on Lands*—Occupied lands at 5 per cent. rental value, vacant lands and sites occupied by native huts at 6 pies per 80 square yards	720
(*d*)	*Tax on Vehicles* with springs and palanquins at maximum rates.	75
(*e*)	*Tax on Animals* at maximum rates except for asses for which half the maximum rates is proposed	1,396
(*f*)	*Tax on Carts* and other vehicles without springs at maximum rates	880
(*g*)	*Tolls* at three-fourths schedule rates	10,000

The municipal council has determined to levy all the above said taxes at the rates specified opposite to each. The small additions now made to the tax on buildings and lands previously proposed by me is due to inclusion of the hill road within the municipal limits, with the houses in the village of Adiannamalai and the lands thus enclosed by it. The increase of Rs. 5,000 under tolls is due to the non-payment of contribution due to the district board, which has expressed its willingness to forego its share, and to the resolution of the council to levy tolls at three-fourths the schedule rates. This forms the most important item of revenue and can, in the opinion of the council, be easily realized. Under tax on animals, half-rates are proposed for asses, as these are generally owned by poor dhobies.

5. *Rent on Lands, Rs.* 105.—This is the probable income derivable from the lease of two pieces of land situated near the bazaar street belonging to the municipality.

6. *Avenue Rents, Rs.* 100.—This represents the probable income under this head from all the avenues on the roads in this municipality inclusive of the road round the hill.

7. *Travellers' Bungalow Fees, Rs.* 70.—The actual income of 1894–95 has been adopted.

8. *Sale-proceeds of Night-soil, Street-refuse, &c., Rs.* 150.—This is only an approximate estimate.

9. *Fees from Educational Institutions, Rs.* 1,003.—There are three schools to be managed by this municipality, viz., the middle school, the Hindustani primary school, and the Samudram Pariah school. Two-thirds of the maximum fees are realized in the middle school and half fees in the other two schools, on the ground that this town was hitherto included in the list of tracts educationally backward. Now that this town has risen to be of sufficient importance to be constituted a municipality, there seems to be no reason for continuing the concession any longer to the middle school. It is accordingly resolved to levy full fees in the middle school to make it more or less self-supporting. It is, however, not deemed expedient to disturb the half-rates of school-fees in force in the Hindustani primary school. As regards the Samudram Pariah school, it is resolved to give the Pariahs free education for the present, as the school is not in a flourishing condition. The fees derived from the three schools in 1894–95, and those expected in the current year, are shown below :—

	1894–95.			1896–97.		
	Rs.	A.	P.	Rs.	A.	P.
(1) Middle school	651	9	4	976	0	0
(2) Hindustani primary school	27	13	6	27	0	0
(3) Samudram Paracheri mixed school ..	14	15	9	..		
Total ..	694	6	7	1,003	0	0

10. *Other Revenue from Educational Institutions.*—Refunds from the pay drawn by the teachers of the middle school was previously entered under this head. This is now omitted.

11. *Market Rent, Rs.* 1,250.—This is chiefly derived from the annual cattle market, where an anna per head of cattle is proposed to be levied as in last year. The income from temporary booths set up on occasions of fairs and festivals is also included under this head, the rate being the one applicable to temporary structures put up on occasions of marriage, &c.—*vide* paragraph 13 (1).

12. *Distraint Fees, Rs.* 25.—This calls for no remarks.

13. *License Fees, Rs.* 300.—The following kinds of licenses are now proposed to be granted on payment of fees, and the levying of fees on other offensive and dangerous trades is held over for future consideration and assessment :—

(i) Licenses for erecting pandals on marriage occasions and for temporary structures on occasions of fairs and festivals at annas two per square yard for eight days or portion thereof and at half-an-anna for every additional day to a limit of fifteen days in all.

(ii) Licenses for private cart-stands at Rs. 12 per annum per cart-stand.

(iii) Licenses for brick kilns at Rs. 5 per kiln.

The increase noticeable under this item is due to the issue of licenses to cart-stands now proposed.

14. *Cart-stand Fees, Rs.* 628.—This is based on the income of last year under this item.

15. *Fines, Rs.* 250.—The receipts under this head amounted to Rs. 170 last year. The figure now entered may be taken as a fair estimate for the current year, as increased attention is likely to be paid in future to town nuisances.

16. *Provincial Contributions to Municipal Schools.*—Rs. 530 taken credit for under this head in respect of the local middle and Hindustani primary schools is now struck out, as under Rule 5 of Chapter I of the Grant-in-aid Code these schools in district municipalities are not entitled to provincial grants.

17. *Contribution—Medical, Rs.* 450; *Other Purposes, Rs.* 145.—Rs. 450 is one-fourth of the pay of the civil apothecary in charge of the local hospital, paid from provincial funds on account of his being in charge of the police hospital also. Credit is taken for Rs. 145, it being rent paid by Government for the police ward.

18. *Contribution from Local Boards, Rs.* 1,405—*Medical.*—Half the expenditure of the local hospital exclusive of the Government contribution is shown here, the district board having consented to pay it.

19. *Fairs and Festivals, Rs.* 1,250.—The district board is willing to pay a reasonable share of the expenses of the Kartigai festival sanitary arrangements. Rs. 2,500 having now been provided under charges on this account, half the amount is entered as contribution from district board.

20. *Other Grants and Contributions, Rs.* 210.—Of this sum, Rs. 200 is contributed by the Dharmakarta of the local temple and Rs. 10 by the manager of the Oyamadam towards the sanitary expenses of the Kartigai festival.

21. *Private Scavenging Fees, Rs.* 100.—This system was introduced into the town about two months ago. About Rs. 8 a month are being collected at rates varying from annas two to eight for each household, the amounts being paid voluntarily. An uniform rate of 3 per cent. of the rental value of the building is now proposed.

CHARGES.

22. *Grant I, New Buildings, Rs.* 500.—This provision is made for building two new standard iron latrines, as the town has none at present.

23. *Communications, Rs.* 1,200.—The metal roads of the municipality now measure about fifteen miles owing to the inclusion of the hill roads within the municipal limits. There are also about ten miles of unmetalled road. Hence the increased provision of Rs. 200 over the sum of Rs. 1,000 previously proposed.

24. *Repairs to Buildings, Rs.* 120.—This amount is provided to meet the repairs of the hospital and the travellers' bungalow, &c.

25. *Water-supply—Repairs, Rs.* 500; *Establishments, Rs.* 48.—The former sum is for the improvement of some wells in the town. The latter constitutes the pay of a watchman for a drinking-water tank.

26. *Tools and Plant, Rs.* 20.—This calls for no remarks.

27. *Grant II, Stipends to Normal Students.*—Rs. 12 originally provided for under this head is now struck out, as no teacher is likely to go up for training this year.

28. *Middle School—Establishment, Rs.* 1,104; *Contingencies, Rs.* 50.—It has been resolved by the council to reduce the pay of the teachers as the school is not self-supporting. The existing and proposed scales are shown below :—

	Present pay per month.	Proposed pay per month.
	Rs.	Rs.
Head Master	42	30
First Assistant	30	20
Second Assistant	22	15
Third ,, ...	15	12
Gymnastic instructor (with a first-class certificate) ..	15	10
One peon	5	5
Cost per month ..	129	92
,, annum ..	1,548	1,104

Adding to the proposed expenditure on establishment the contingencies of the school, the total charges come to Rs. 1,154. The income of the school in the shape of school fees is expected to be Rs. 976 and the grant to be paid from the municipal

funds would, therefore, be Rs. 178, as against Rs. 368, the maximum grant payable under the code. The saving of Rs. 190 thus effected in the grant payable may not really prove so, as there may be a temporary falling off in the collections of the school owing to the introduction of the full fees system. The reduction in the pay of the teachers will therefore be found a necessity, if the school is not to be a drain on the resources of the municipality. Rs. 50 only is provided under contingencies as no furniture is likely to be required during the current year.

29. *Salary-results Schools—Establishment, Rs.* 237; *Contingencies, Rs.* 44.—These represent the pay of the teachers in the Hindustani primary school and the Pariah school and the contingent charges of the same.

30. *Salary-results Schools—Results Grant, Rs.* 50.—It is proposed to cut short the estimated expenditure of Rs. 70 by Rs. 20.

31. *Result-system Schools, Rs.* 300.—The expenditure under this head has hitherto been Rs. 250. In consideration of the numerical strength of the schools, the amount is now raised to Rs. 300.

32. *Municipal Inspectors, Rs.* 72.—It is now proposed to give an extra pay of Rs. 6 per mensem to one of the teachers of the local middle school for this work. Contingencies, Rs. 12, previously provided for this office, is now done away with, as by the arrangements now proposed the inspecting schoolmaster will always be at Casba and incur no postal charges and as he can obtain the necessary stationery from the municipal office.

33. *Grant III, Sanitation and Medical—(a) Hospital Establishment, Rs.* 2,436; (*b*) *Medicines, Rs.* 360; (*c*) *Diet of Patients, Rs.* 360; (*d*) *Contingencies, Rs.* 140.—The figures represent the present expenditure on account of the local hospital. No reductions are proposed as the district board has agreed to bear half the cost.

34. *Contribution to Provincial Funds*—(i) *Medical College, Rs.* 25; (ii) *Sanitary Inspection, Rs.* 50; (iii) *Medical Reserve Staff, Rs.* 10.—These call for no remarks.

35. *Vaccination—Establishment, Rs.* 84; *Contingencies, Rs.* 100.—A vaccinator on Rs. 7 per mensem is proposed and the contingencies are for supply of lymph, &c.

36. *Registration of Births and Deaths—Establishment, Rs.* 120; *Contingencies, Rs.* 20.—A registrar of births and deaths on Rs. 10 a month is proposed.

37. *Conservancy and Road-cleaning, &c., Rs.* 1,608.—This provides for a nuisance inspector on Rs. 15, a maistry on Rs. 10, and twenty-five sweepers and toties costing Rs. 109 in all a month, as detailed in the accompanying list of permanent establishments proposed. The present proposal involves an increase in the staff of one inspector and ten menial servants over that entertained hitherto by the union panchayat. This increase is quite necessary as the town lies scattered and the late union establishment took two days to attend once to the work of the whole town.

38. *Conservancy—Other Charges, Rs.* 600.—The union had four rubbish carts, two of which were drawn by bulls and two were hand-drawn. It is now proposed to purchase one more cart to be hand-drawn and to provide the other four carts with bulls. The number of dust-bins has also to be increased. Details for the provision made are as follow:—

	Rs.
Bullock hire for four carts	480
Cost of dust-bins and one cart	120
Total ..	600

39. *Private Scavenging, Rs.* 72.—This constitutes the pay of one male toty at Rs. 6 per mensem.

40. *Cholera Charges, Rs.* 50.—The amount previously provided under this head was Rs. 100. This is now reduced to Rs. 50 as cholera does not generally prevail in this town except during the time of the Kartigai festival, when special sanitary charges are incurred under the head of fairs and festivals.

41. *Contingencies, Rs.* 80.—This is intended for the repair of sanitary carts and for greasing and tarring them.

42. *Removing Prickly-pear, Rs.* 20.—This provision is necessary for some years.

43. *Festival Charges, Rs.* 2,500.—This is a fair estimate of the charges that would be incurred year by year during the Kartigai festival, and no reduction can be made therein. The amount herein provided is much less than what was actually expended last year on this account.

44. *Grant IV, Lighting and Miscellaneous—Lighting—Establishment, Rs.* 144; *Contingencies, Rs.* 700.—Eighty-one lanterns are now lit in the town and seventy-five lanterns without posts are in stock. The cost of continuing the eighty-one lanterns comes to about Rs. 400 only. It is intended to devote the extra provision now made to purchase and put up about thirty lamp-posts and to light them this year, deferring till next year the supply of posts for the remaining lamps.

45. *Travellers' Bungalow—Establishment, Rs.* 108; *Contingencies, Rs.* 20.—A maty and a sweeper are attached to the bungalow.

46. *Destruction of Wild Animals and Snakes, Rs.* 25.—Rewards for killing stray dogs and snakes are shown here.

47. *Printing, Rs.* 400.—This amount is likely to be required for printing all the registers, forms, proceedings, &c., of the office and includes contribution due to Government Press for the work done by it.

48. *Office Establishment, Rs.* 804.—This provides for a manager on Rs. 30, an accountant on Rs. 14, an attender on Rs. 7, two peons on Rs. 6 each, and a masalji on Rs. 4. The increase here made is to provide for an office manager on Rs. 30 instead of one on Rs. 20 as already proposed, as it is very doubtful whether a competent person could be obtained for less.

49. *Collection Establishment, Rs.* 192.—Two bill collectors on Rs. 8 each are proposed.

50. *Purchase of Account Books, Cash-chest, &c., Rs.* 80.—This calls for no remarks.

51. *Collection of Tolls—Establishment, Rs.* 1,020.—Five toll-gates at a cost of Rs. 204 as detailed below are now provided, instead of six at a cost of Rs. 216 as originally proposed:—

	Rs.
Gate-keeper at Rs. 7	84
Two peons at Rs. 5 each	120
Total ..	204

52. *Tolls Contingencies, Rs.* 300.—This represents the cost of erecting toll-sheds and bars, putting up notice boards, and lighting charges.

53. *Office Contingencies, Rs.* 200.—This includes office rent not exceeding Rs. 6 per mensem and charges on account of postage, stationery and other contingencies.

54. *Contribution for Central Office and Audit Establishment, Rs.* 60.—No remarks.

55. In deference to the remarks of Government that the expenditure under the several heads, and especially that under education, are high, I have endeavoured as far as possible to carry out the wishes of Government consistent with the efficiency of the administration. The net charges on account of education have, after careful consideration, been reduced by curtailing the pay of the teachers of the local middle school as also by the enhancement of the rate of the school fees now in force therein. The other items have also been so disposed of as to leave a total balance of Rs. 9,749, and a net surplus of current receipts over expenditure by Rs. 6,959. Dr. King's important scheme for the permanent improvement of the Tiruvannámalai drinking-water supply, about which he spoke to Mr. Stuart and also to me during the last Kartigai, will cost nearly a lakh of rupees, and I am anxious to save every year some substantial balance for making up that large amount to be expended towards the said scheme ultimately.

Forwarded.

24*th April* 1896. (Signed) G. W. DANCE,
Ag. Collector.

ORDER—No. 897 M., dated 27th May 1896.

The following abstract shows the estimated receipts and charges of the Tiruvannámalai Municipality for 1896–97, as passed by Government :—

	Budget Estimate, 1896–97.
RECEIPTS.	
	RS.
Tax on Arts	1,350
Tax on Buildings and Lands	2,750
Tax on Vehicles and Animals	1,470
Tax on Carts	880
Tolls	10,000
Rent of Lands, Buildings, &c., and Sale-proceeds of Lands, &c.	430
Conservancy Receipts	150
Fees and Revenue from Educational Institutions	1,000
Income from Markets and Slaughter-houses	1,250
License Fees	300
Other Fees	650
Fines under Municipal and other Acts	250
Grants and Contributions from Local Boards	2,680
Do. from other bodies	210
Recoveries for services to private individuals	100
Total ..	23,470
CHARGES.	
Grant I—	
New works—	
Buildings	500
Repairs—	
Communications	4,340
Buildings	120
Water-supply	550
Tools and Plant and other Stores	20
Total ..	5,530
Grant II—	
Municipal Schools—	
(*a*) On the Salary System	1,160
(*b*) On the Salary Result System	330
Result Grants	300
Inspection	70
Total ..	1,860
Grant III—	
Hospitals and Dispensaries	2,850
Vaccination	180
Registration of Births and Deaths	140
Conservancy, Road-cleaning and Road-watering	4,930
Total ..	8,100
Grant IV—	
Lighting	840
Travellers' Bungalows	130
Public Garden, Survey of Land, Fire and other Charges	430
Total ..	1,400

	Budget Estimate, 1896–97.
CHARGES—*cont.*	
Grant V—	RS.
Supervision and Management	2,590
Balance	3,990
Total ..	23,470

2. *Receipts.*—The opening balance of Rs. 2,790 will be struck out, as it is the closing balance at the disposal of the Union Panchayat, which ceased to exist on the 1st April 1896, and will accordingly be merged in taluk funds. The receipts for the current year are estimated at Rs. 23,440. The levy, at the rates specified, of the taxes and tolls referred to in paragraph 4, and of the license fees proposed in paragraph 13, of the Chairman's letter is sanctioned. Under section 119 of the District Municipalities Act the sanction of Government is required for the exemption of the Paraiya school from payment of fees. The necessary application should be submitted through the Director of Public Instruction. The estimate under contribution from Local Boards on account of the Municipal hospital will be raised from Rs. 1,405 to Rs. 1,425, or Rs. 1,430 in round numbers, the latter amount representing half the estimated net cost of the hospital. A sum of Rs. 200 is also expected from the temple authorities towards the cost of sanitary arrangements during the Kartigai festival. Considering the income derived by them from the annual influx of pilgrims, the Government is of opinion that they should contribute a larger share of the expenses connected with this festival, and the temple trustees should accordingly be asked whether they are willing to contribute one-fourth or more of the total cost. The proposal to levy fees for the private scavenging service at 3 per cent. of the rent value of the buildings does not commend itself to Government, as it would press hardly on the better class of houses. It would be fairer to make the charge proportionate to the number of inhabitants of each house.

3. *Charges.*—(1) The probable charges are entered as Rs. 16,480.

(2) *Grant I.*—The allotment for communications, which is Rs. 1,200, or only 13·8 per cent. of the net municipal income from tolls against the minimum of 50 per cent. prescribed by Government, is clearly inadequate and will accordingly be raised to Rs. 4,340.

(3) *Grants II, III and V.*—The estimates under Education, Medical Services, and Sanitation will be passed subject to the remarks of the Director of Public Instruction, the Surgeon-General and the Sanitary Commissioner. The contribution of Rs. 85 for Medical College, Sanitary Inspection and Medical Reserve staff and of Rs. 60 for the Central office establishments will be struck out, as nothing need be paid on these accounts in the current year.

4. The entertainment of the establishments detailed in statement II-B is sanctioned.

5. The budget, as revised by Government, closes with a balance of Rs. 3,990 or 17·0 per cent. of the estimated receipts.

G.O., No. 897 M., 27th May 1896.

MAY.

Municipal Budget.

Reviewing the Tiruvannámalai — for 1896-97.

No. 897 M., May 1896.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper:—

From MUHAMMAD RAZA KHAN, Esq., Sub-Collector and Presiding Councillor, Tiruvannámalai Municipality, to the Chief Secretary to Government (through the Collector of South Arcot), dated 17th April 1896, Ref. on Cur. No. 1874.

Adverting to G.O., No. 577 M., dated 30th March 1896, paragraph 3, I have the honor to submit herewith the budget estimate of receipts and charges of the Tiruvannámalai Municipality for 1896-97, together with a resolution of the municipal council passing the budget and a statement showing the number and salaries of all the permanent servants proposed to be entertained by the council.

2. As this town just commences its existence as a municipality, a detailed statement of the receipts and charges only has now been prepared for submission and the statements relating to income of previous years have been withheld. The figures entered have mostly been taken from the statements forwarded with my letter, dated 30th November 1895, Cur. No. 3637, printed in G.O., No. 377 M., dated 5th March 1896, the same having been revised with reference to the remarks of Government thereon and the present altered circumstances of the municipality as explained hereafter. The concessions made by the district board in the shape of contributions and remissions on a reference from Government have also been embodied in the statement. Striking variations from the estimate already submitted are noted below in detail and brief remarks added as regards other items wherever necessary.

Receipts.

3. *Opening Balance, Rs.* 2,790.—This is the amount left with the union panchayat at the close of the last official year and exceeds the sum anticipated by Rs. 790.

		Rs.
4.	(*a*) *Tax on Arts* at schedule rates	
	(*b*) *Tax on Buildings* at 5 per cent. rental value	1,350
	(*c*) *Tax on Lands*—Occupied lands at 5 per cent. rental value, vacant lands and sites occupied by native huts at 6 pies per 80 square yards	2,030
	(*d*) *Tax on Vehicles* with springs and palanquins at maximum rates.	720
	(*e*) *Tax on Animals* at maximum rates except for asses for which half the maximum rates is proposed	75
	(*f*) *Tax on Carts* and other vehicles without springs at maximum rates	1,396
	(*g*) *Tolls* at three-fourths schedule rates	880
		10,000

The municipal council has determined to levy all the above said taxes at the rates specified opposite to each. The small additions now made to the tax on buildings and lands previously proposed by me is due to inclusion of the hill road within the municipal limits, with the houses in the village of Adiannamalai and the lands thus enclosed by it. The increase of Rs. 5,000 under tolls is due to the non-payment of contribution due to the district board, which has expressed its willingness to forego its share, and to the resolution of the council to levy tolls at three-fourths the schedule rates. This forms the most important item of revenue and can, in the opinion of the council, be easily realized. Under tax on animals, half-rates are proposed for asses, as these are generally owned by poor dhobies.

5. *Rent on Lands, Rs.* 105.—This is the probable income derivable from the lease of two pieces of land situated near the bazaar street belonging to the municipality.

6. *Avenue Rents, Rs.* 100.—This represents the probable income under this head from all the avenues on the roads in this municipality inclusive of the road round the hill.

7. *Travellers' Bungalow Fees, Rs.* 70.—The actual income of 1894–95 has been adopted.

8. *Sale-proceeds of Night-soil, Street-refuse, &c., Rs.* 150.—This is only an approximate estimate.

9. *Fees from Educational Institutions, Rs.* 1,003.—There are three schools to be managed by this municipality, viz., the middle school, the Hindustani primary school, and the Samudram Pariah school. Two-thirds of the maximum fees are realized in the middle school and half fees in the other two schools, on the ground that this town was hitherto included in the list of tracts educationally backward. Now that this town has risen to be of sufficient importance to be constituted a municipality, there seems to be no reason for continuing the concession any longer to the middle school. It is accordingly resolved to levy full fees in the middle school to make it more or less self-supporting. It is, however, not deemed expedient to disturb the half-rates of school-fees in force in the Hindustani primary school. As regards the Samudram Pariah school, it is resolved to give the Pariahs free education for the present, as the school is not in a flourishing condition. The fees derived from the three schools in 1894–95, and those expected in the current year, are shown below :—

	1894-95.			1896-97.		
	Rs.	A.	P.	Rs.	A.	P.
(1) Middle school	651	9	4	976	0	0
(2) Hindustani primary school	27	13	6	27	0	0
(3) Samudram Paracheri mixed school ..	14	15	9	..		
Total ..	694	6	7	1,003	0	0

10. *Other Revenue from Educational Institutions.*—Refunds from the pay drawn by the teachers of the middle school was previously entered under this head. This is now omitted.

11. *Market Rent, Rs.* 1,250.—This is chiefly derived from the annual cattle market, where an anna per head of cattle is proposed to be levied as in last year. The income from temporary booths set up on occasions of fairs and festivals is also included under this head, the rate being the one applicable to temporary structures put up on occasions of marriage, &c.—*vide* paragraph 13 (1).

12. *Distraint Fees, Rs.* 25.—This calls for no remarks.

13. *License Fees, Rs.* 300.—The following kinds of licenses are now proposed to be granted on payment of fees, and the levying of fees on other offensive and dangerous trades is held over for future consideration and assessment :—

(i) Licenses for erecting pandals on marriage occasions and for temporary structures on occasions of fairs and festivals at annas two per square yard for eight days or portion thereof and at half-an-anna for every additional day to a limit of fifteen days in all.

(ii) Licenses for private cart-stands at Rs. 12 per annum per cart-stand.

(iii) Licenses for brick kilns at Rs. 5 per kiln burnt.

The increase noticeable under this item is due to the issue of licenses to cart-stands now proposed.

14. *Cart-stand Fees, Rs.* 628.—This is based on the income of last year under this item.

15. *Fines, Rs.* 250.—The receipts under this head amounted to Rs. 170 last year. The figure now entered may be taken as a fair estimate for the current year, as increased attention is likely to be paid in future to town nuisances.

16. *Provincial Contributions to Municipal Schools.*—Rs. 530 taken credit for under this head in respect of the local middle and Hindustani primary schools is now struck out, as under Rule 5 of Chapter I of the Grant-in-aid Code these schools in district municipalities are not entitled to provincial grants.

17. *Contribution—Medical, Rs.* 450; *Other Purposes, Rs.* 145.—Rs. 450 is one-fourth of the pay of the civil apothecary in charge of the local hospital, paid from provincial funds on account of his being in charge of the police hospital also. Credit is taken for Rs. 145, it being rent paid by Government for the police ward.

18. *Contribution by Local Boards, Rs.* 1,405—*Medical.*—Half the expenditure of the local hospital exclusive of the Government contribution is shown here, the district board having consented to pay it.

19. *Fairs and Festivals, Rs.* 1,250.—The district board is willing to pay a reasonable share of the expenses of the Kartigai festival sanitary arrangements. Rs. 2,500 having now been provided under charges on this account, half the amount is entered as contribution from district board.

20. *Other Grants and Contributions, Rs.* 210.—Of this sum, Rs. 200 is contributed by the dharmakarta of the local temple and Rs. 10 by the manager of the Oyamadam towards the sanitary expenses of the Kartigai festival.

21. *Private Scavenging Fees, Rs.* 100.—This system was introduced into the town about two months ago. About Rs. 8 a month are being collected at rates varying from annas two to eight for each household, the amounts being paid voluntarily. An uniform rate of 3 per cent. of the rental value of the building is now proposed.

CHARGES.

22. *Grant I, New Buildings, Rs.* 500.—This provision is made for building two new standard iron latrines, as the town has none at present.

23. *Communications, Rs.* 1,200.—The metal roads of the municipality now measure about fifteen miles owing to the inclusion of the hill roads within the municipal limits. There are also about ten miles of unmetalled road. Hence the increased provision of Rs. 200 over the sum of Rs. 1,000 previously proposed.

24. *Repairs to Buildings, Rs.* 120.—This amount is provided to meet the repairs of the hospital and the travellers' bungalow, &c.

25. *Water-supply—Repairs, Rs.* 500—*Establishments, Rs.* 48.—The former sum is for the improvement of some wells in the town. The latter constitutes the pay of a watchman for a drinking-water tank.

26. *Tools and Plant, Rs.* 20.—This calls for no remarks.

27. *Grant II, Stipends to Normal Students.*—Rs. 12 originally provided for under this head is now struck out, as no teacher is likely to go up for training this year.

28. *Middle School—Establishment, Rs.* 1,104; *Contingencies, Rs.* 50.—It has been resolved by the council to reduce the pay of the teachers as the school is not self-supporting. The existing and proposed scales are shown below :—

	Present pay per month.	Proposed pay per month.
	Rs.	Rs.
Head Master	42	30
First Assistant	30	20
Second Assistant	22	15
Third „	15	12
Gymnastic instructor (with a first-class certificate) ..	15	10
One peon	5	5
Cost per month ..	129	92
„ annum ..	1,548	1,104

Adding to the proposed expenditure on establishment the contingencies of the school, the total charges come to Rs. 1,154. The income of the school in the shape of school fees is expected to be Rs. 976 and the grant to be paid from the municipal funds would, therefore, be Rs. 178, as against Rs. 368, the maximum grant payable under the code. The saving of Rs. 190 thus effected in the grant payable may not really prove so, as there may be a temporary falling off in the collections of the

school owing to the introduction of the full fees system. The reduction in the pay of the teachers will therefore be found a necessity, if the school is not to be a drain on the resources of the municipality. Rs. 50 only is provided under contingencies as no furniture is likely to be required during the current year.

29. *Salary-results Schools—Establishment, Rs.* 237; *Contingencies, Rs.* 44.—These represent the pay of the teachers in the Hindustani primary school and the Pariah school and the contingent charges of the same.

30. *Salary-results Schools—Results Grant, Rs.* 50.—It is proposed to cut short the estimated expenditure of Rs. 70 by Rs. 20.

31. *Result-system Schools, Rs.* 300.—The expenditure under this head has hitherto been Rs. 250. In consideration of the numerical strength of the schools, the amount is now raised to Rs. 300.

32. *Municipal Inspectors, Rs.* 72.—It is now proposed to give an extra pay of Rs. 6 per mensem to one of the teachers of the local middle school for this work. Contingencies, Rs. 12, previously provided for this office, is now done away with, as by the arrangements now proposed the inspecting schoolmaster will always be at Casba and incur no postal charges and as he can obtain the necessary stationery from the municipal office.

33. *Grant III, Sanitation and Medical—(a) Hospital Establishment, Rs.* 2,436; *(b) Medicines, Rs.* 360; *(c) Diet of Patients, Rs.* 360; *(d) Contingencies, Rs.* 140.—The figures represent the present expenditure on account of the local hospital. No reductions are proposed as the district board has agreed to bear half the cost.

34. *Contribution to Provincial Funds*—(i) *Medical College, Rs.* 25; (ii) *Sanitary Inspection, Rs.* 50; (iii) *Medical Reserve Staff, Rs.* 10.—These call for no remarks.

35. *Vaccination—Establishment, Rs.* 84; *Contingencies, Rs.* 100.—A vaccinator on Rs. 7 per mensem is proposed and the contingencies are for supply of lymph, &c.

36. *Registration of Births and Deaths—Establishment, Rs.* 120; *Contingencies, Rs.* 20.—A registrar of births and deaths on Rs. 10 a month is proposed.

37. *Conservancy and Road-cleaning, &c., Rs.* 1,608.—This provides for a nuisance inspector on Rs. 15, a maistry on Rs. 10, and twenty-five sweepers and toties costing Rs. 109 in all a month, as detailed in the accompanying list of permanent establishments proposed. The present proposal involves an increase in the staff of one inspector and ten menial servants over that entertained hitherto by the union panchayat. This increase is quite necessary as the town lies scattered and the late union establishment took two days to attend once to the work of the whole town.

38. *Conservancy—Other Charges, Rs.* 600.—The union had four rubbish carts, two of which were drawn by bulls and two were hand-drawn. It is now proposed to purchase one more cart to be hand-drawn and to provide the other four carts with bulls. The number of dust-bins has also to be increased. Details for the provision made are as follow:—

	Rs.
Bullock hire for four carts	480
Cost of dust-bins and one cart	120
Total ..	600

39. *Private Scavenging, Rs.* 72.—This constitutes the pay of one male toty at Rs. 6 per mensem.

40. *Cholera Charges, Rs.* 50.—The amount previously provided under this head was Rs. 100. This is now reduced to Rs. 50 as cholera does not generally prevail in this town except during the time of the Kartigai festival, when special sanitary charges are incurred under the head of fairs and festivals.

41. *Contingencies, Rs.* 80.—This is intended for the repair of sanitary carts and for greasing and tarring them.

42. *Removing Prickly-pear*, *Rs.* 20.—This provision is necessary for some years.

43. *Festival Charges*, *Rs.* 2,500.—This is a fair estimate of the charges that would be incurred year by year during the Kartigai festival, and no reduction can be made therein. The amount herein provided is much less than what was actually expended last year on this account.

44. *Grant IV, Lighting and Miscellaneous—Lighting—Establishment*, *Rs.* 144; *Contingencies*, *Rs.* 700.—Eighty-one lanterns are now lit in the town and seventy-five lanterns without posts are in stock. The cost of continuing the eighty-one lanterns comes to about Rs. 400 only. It is intended to devote the extra provision now made to purchase and put up about thirty lamp-posts and to light them this year, deferring till next year the supply of posts for the remaining lamps.

45. *Travellers' Bungalow—Establishment*, *Rs.* 108; *Contingencies*, *Rs.* 20.—A maty and a sweeper are attached to the bungalow.

46. *Destruction of Wild Animals and Snakes*, *Rs.* 25.—Rewards for killing stray dogs and snakes are shown here.

47. *Printing*, *Rs.* 400.—This amount is likely to be required for printing all the registers, forms, proceedings, etc., of the office and includes contribution due to Government Press for the work done by it.

48. *Office Establishment*, *Rs.* 804.—This provides for a manager on Rs. 30, an accountant on Rs. 14, an attender on Rs. 7, two peons on Rs. 6 each, and a masalji on Rs. 4. The increase here made is to provide for an office manager on Rs. 30 instead of one on Rs. 20 as already proposed, as it is very doubtful whether a competent person could be obtained for less.

49. *Collection Establishment*, *Rs.* 192.—Two bill collectors on Rs. 8 each are proposed.

50. *Purchase of Account Books, Cash-chest, &c.*, *Rs.* 80.—This calls for no remarks.

51. *Collection of Tolls—Establishment*, *Rs.* 1,020.—Five toll-gates at a cost of Rs. 204 as detailed below are now provided, instead of six at a cost of Rs. 216 as originally proposed:—

	Rs.
Gate-keeper at Rs. 7	84
Two peons at Rs. 5 each	120
Total ..	204

52. *Tolls Contingencies*, *Rs.* 300.—This represents the cost of erecting toll-sheds and bars, putting up notice boards, and lighting charges.

53. *Office Contingencies*, *Rs.* 200.—This includes office rent not exceeding Rs. 6 per mensem and charges on account of postage, stationery and other contingencies.

54. *Contribution for Central Office and Audit Establishment*, *Rs.* 60.—No remarks.

55. In deference to the remarks of Government that the expenditure under the several heads, and especially that under education, are high, I have endeavoured as far as possible to carry out the wishes of Government consistent with the efficiency of the administration. The net charges on account of education have, after careful consideration, been reduced by curtailing the pay of the teachers of the local middle school as also by the enhancement of the rate of the school fees now in force therein. The other items have also been so disposed of as to leave a total balance of Rs. 9,749, and a net surplus of current receipts over expenditure by Rs. 6,959. Dr. King's important scheme for the permanent improvement of the Tiruvannámalai drinking-water supply, about which he spoke to Mr. Stuart and also to me during the last Kartigai, will cost nearly a lakh of rupees, and I am anxious to save every year some substantial balance for making up that large amount to be expended towards the said scheme ultimately.

2. *Receipts*. The opening balance of Rs 2,790, will be struck out, as it is the closing balance at the disposal of the Union Panchayat, which ceased to exist on the 1st April 1896, and will accordingly be merged in the Taluk funds. The receipts for the current year are estimated at Rs 23,440. The levy, at the ratio specified, of the taxes and tolls referred to in para 4, and of the license fees proposed in paragraph 13, of the Chairman's letter is sanctioned. Under sec. 119 of the District Municipalities act, the sanction of Government is required for the exemption of the Paraiya School from payment of fees. The necessary application should be submitted through the Director of Public Instruction. The estimate under contribution from Local Boards on account of the Municipal hospital will be raised from Rs 1,405 to Rs 1,425, or Rs 1,430 in round numbers, the latter amount representing a moiety of the estimated net cost of the hospital. A sum of Rs 200, is also expected from the temple authorities towards the cost

cost of Sanitary Arrangements during the Kartigai festival. Considering the income derived by them from the annual influx of pilgrims, the Government is of opinion that they should contribute a larger share of the expenses connected with this festival, and the temple trustees should accordingly be asked, whether they are willing to contribute one-fourth, or more, of the total cost. The proposal to levy fees for the private Scavenging Service at 3 per. cent. of the rent value of the buildings, does not commend itself to Government, as it would press hardly on the better class of houses. It would be fairer to make the charge proportionate to the number of inhabitants of each house.

3. Charges (1) The probable charges are entered as Rs 16,480.

(2) Grant I:— The allotment for communications, which is Rs 12,00 or only 13·8 per. cent. of the net municipal income from tolls against the minimum of 50 per. cent. prescribed by Government, is clearly inadequate and will accordingly be raised to Rs 4,340.

(3) Grants II, III and V :— The estimates under Education, Medical Services, and Sanitation will be passed subject to the remarks of the Director of Public Instruction, the Surgeon General, and the Sanitary Commissioner. The contribution of Rs 85 for Medical College, Sanitary Inspection and Medical reserve staff and of Rs 60 for the central office establishments will be struck out, as nothing need be paid on these accounts in the current year.

4. The entertainment of the establishments detailed in statement II.B. is sanctioned.

5. The budget as revised by Government, closes with a balance of Rs 3,990 or 17·0 per. cent. of the estimated receipts.

C. S.
J. S.

No. 897 M., 27TH MAY 1896.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From MUHAMMAD RAZA KHAN, Esq., Sub-Collector and Presiding Councillor, Tiruvannámalai Municipality, to the Chief Secretary to Government (through the Collector of South Arcot), dated 17th April 1896, Ref. on Cur. No. 1874.

Adverting to G.O., No. 577 M., dated 30th March 1896, paragraph 3, I have the honour to submit herewith the budget estimate of receipts and charges of the Tiruvannámalai Municipality for 1896–97, together with a resolution of the municipal council passing the budget and a statement showing the number and salaries of all the permanent servants proposed to be entertained by the council.

2. As this town just commences its existence as a municipality, a detailed statement of the receipts and charges only has now been prepared for submission and the statements relating to income of previous years have been withheld. The figures entered have mostly been taken from the statements forwarded with my letter, dated 30th November 1895, Cur. No. 3637, printed in G.O., No. 377 M., dated 5th March 1896, the same having been revised with reference to the remarks of Government thereon and the present altered circumstances of the municipality as explained hereafter. The concessions made by the district board in the shape of contributions and remissions on a reference from Government have also been embodied in the statement. Striking variations from the estimate already submitted are noted below in detail and brief remarks added as regards other items wherever necessary.

RECEIPTS.

3. *Opening Balance, Rs.* 2,790.—This is the amount left with the union panchayat at the close of the last official year and exceeds the sum anticipated by Rs. 790.

		RS.
4. (*a*)	*Tax on Arts* at schedule rates	1,350
(*b*)	*Tax on Buildings* at 5 per cent. rental value	2,030
(*c*)	*Tax on Lands*—Occupied lands at 5 per cent. rental value, vacant lands and sites occupied by native huts at 6 pies per 80 square yards	720
(*d*)	*Tax on Vehicles* with springs and palanquins at maximum rates.	75
(*e*)	*Tax on Animals* at maximum rates except for asses for which half the maximum rates is proposed	1,396
(*f*)	*Tax on Carts* and other vehicles without springs at maximum rates	880
(*g*)	*Tolls* at three-fourths schedule rates	10,000

The municipal council has determined to levy all the above said taxes at the rates specified opposite to each. The small additions now made to the tax on buildings and lands previously proposed by me is due to inclusion of the hill road within the municipal limits, with the houses in the village of Adiannamalai and the lands thus enclosed by it. The increase of Rs. 5,000 under tolls is due to the non-payment of contribution due to the district board, which has expressed its willingness to forego its share, and to the resolution of the council to levy tolls at three-fourths the schedule rates. This forms the most important item of revenue and can, in the opinion of the council, be easily realized. Under tax on animals, half-rates are proposed for asses, as these are generally owned by poor dhobies.

5. *Rent on Lands, Rs.* 105.—This is the probable income derivable from the lease of two pieces of land situated near the bazaar street belonging to the municipality.

6. *Avenue Rents, Rs.* 100.—This represents the probable income under this head from all the avenues on the roads in this municipality inclusive of the road round the hill.

7. *Travellers' Bungalow Fees, Rs.* 70.—The actual income of 1894–95 has been adopted.

8. *Sale-proceeds of Night-soil, Street-refuse, &c., Rs.* 150.—This is only an approximate estimate.

9. *Fees from Educational Institutions, Rs.* 1,003.—There are three schools to be managed by this municipality, viz., the middle school, the Hindustani primary school, and the Samudram Pariah school. Two-thirds of the maximum fees are realized in the middle school and half fees in the other two schools, on the ground that this town was hitherto included in the list of tracts educationally backward. Now that this town has risen to be of sufficient importance to be constituted a municipality, there seems to be no reason for continuing the concession any longer to the middle school. It is accordingly resolved to levy full fees in the middle school to make it more or less self-supporting. It is, however, not deemed expedient to disturb the half-rates of school-fees in force in the Hindustani primary school. As regards the Samudram Paraiya school, it is resolved to give the Paraiya free education for the present, as the school is not in a flourishing condition. The fees derived from the three schools in 1894–95, and those expected in the current year, are shown below :—

	1894–95.			1896–97.		
	Rs.	A.	P.	Rs.	A.	P.
(1) Middle school	651	9	4	976	0	0
(2) Hindustani primary school	27	13	6	27	0	0
(3) Samudram Paracheri mixed school ..	14	15	9	..		
Total ..	694	6	7	1,003	0	0

10. *Other Revenue from Educational Institutions.*—Refunds from the pay drawn by the teachers of the middle school was previously entered under this head. This is now omitted.

11. *Market Rent, Rs.* 1,250.—This is chiefly derived from the annual cattle market, where an anna per head of cattle is proposed to be levied as in last year. The income from temporary booths set up on occasions of fairs and festivals is also included under this head, the rate being the one applicable to temporary structures put up on occasions of marriage, &c.—*vide* paragraph 13 (1).

12. *Distraint Fees, Rs.* 25.—This calls for no remarks.

13. *License Fees, Rs.* 300.—The following kinds of licenses are now proposed to be granted on payment of fees, and the levying of fees on other offensive and dangerous trades is held over for future consideration and assessment :—

(i) Licenses for erecting pandals on marriage occasions and for temporary structures on occasions of fairs and festivals at annas two per square yard for eight days or portion thereof and at half-an-anna for every additional day to a limit of fifteen days in all.

(ii) Licenses for private cart-stands at Rs. 12 per annum per cart-stand.

(iii) Licenses for brick kilns at Rs. 5 per kiln.

The increase noticeable under this item is due to the issue of licenses to cart-stands now proposed.

14. *Cart-stand Fees, Rs.* 628.—This is based on the income of last year under this item.

15. *Fines, Rs.* 250.—The receipts under this head amounted to Rs. 170 last year. The figure now entered may be taken as a fair estimate for the current year, as increased attention is likely to be paid in future to town nuisances.

16. *Provincial Contributions to Municipal Schools.*—Rs. 530 taken credit for under this head in respect of the local middle and Hindustani primary schools is now struck out, as under Rule 5 of Chapter I of the Grant-in-aid Code these schools in district municipalities are not entitled to provincial grants.

17. *Contribution—Medical, Rs.* 450; *Other Purposes, Rs.* 145.—Rs. 450 is one-fourth of the pay of the civil apothecary in charge of the local hospital, paid from provincial funds on account of his being in charge of the police hospital also. Credit is taken for Rs. 145, it being rent paid by Government for the police ward.

18. *Contribution from Local Boards, Rs.* 1,405—*Medical.*—Half the expenditure of the local hospital exclusive of the Government contribution is shown here, the district board having consented to pay it.

19. *Fairs and Festivals, Rs.* 1,250.—The district board is willing to pay a reasonable share of the expenses of the Kartigai festival sanitary arrangements. Rs. 2,500 having now been provided under charges on this account, half the amount is entered as contribution from district board.

20. *Other Grants and Contributions, Rs.* 210.—Of this sum, Rs. 200 is contributed by the Dharmakarta of the local temple and Rs. 10 by the manager of the Oyamadam towards the sanitary expenses of the Kartigai festival.

21. *Private Scavenging Fees, Rs.* 100.—This system was introduced into the town about two months ago. About Rs. 8 a month are being collected at rates varying from annas two to eight for each household, the amounts being paid voluntarily. An uniform rate of 3 per cent. of the rental value of the building is now proposed.

CHARGES.

22. *Grant I, New Buildings, Rs.* 500.—This provision is made for building two new standard iron latrines, as the town has none at present.

23. *Communications, Rs.* 1,200.—The metal roads of the municipality now measure about fifteen miles owing to the inclusion of the hill roads within the municipal limits. There are also about ten miles of unmetalled road. Hence the increased provision of Rs. 200 over the sum of Rs. 1,000 previously proposed.

24. *Repairs to Buildings, Rs.* 120.—This amount is provided to meet the repairs of the hospital and the travellers' bungalow, &c.

25. *Water-supply—Repairs, Rs.* 500; *Establishments, Rs.* 48.—The former sum is for the improvement of some wells in the town. The latter constitutes the pay of a watchman for a drinking-water tank.

26. *Tools and Plant, Rs.* 20.—This calls for no remarks.

27. *Grant II, Stipends to Normal Students.*—Rs. 12 originally provided for under this head is now struck out, as no teacher is likely to go up for training this year.

28. *Middle School—Establishment, Rs.* 1,104; *Contingencies, Rs.* 50.—It has been resolved by the council to reduce the pay of the teachers as the school is not self-supporting. The existing and proposed scales are shown below :—

	Present pay per month.	Proposed pay per month.
	Rs.	Rs.
Head Master	42	30
First Assistant	30	20
Second Assistant	22	15
Third ,, ...	15	12
Gymnastic instructor (with a first-class certificate) ..	15	10
One peon	5	5
Cost per month ..	139	92
,, annum ..	1,548	1,104

Adding to the proposed expenditure on establishment the contingencies of the school, the total charges come to Rs. 1,154. The income of the school in the shape of school fees is expected to be Rs. 976 and the grant to be paid from the municipal

funds would, therefore, be Rs. 178, as against Rs. 368, the maximum grant payable under the code. The saving of Rs. 190 thus effected in the grant payable may not really prove so, as there may be a temporary falling off in the collections of the school owing to the introduction of the full fees system. The reduction in the pay of the teachers will therefore be found a necessity, if the school is not to be a drain on the resources of the municipality. Rs. 50 only is provided under contingencies as no furniture is likely to be required during the current year.

29. *Salary-result Schools—Establishment, Rs.* 237; *Contingencies, Rs.* 44.—These represent the pay of the teachers in the Hindustani primary school and the Paraiya school and the contingent charges of the same.

30. *Salary-result Schools—Result Grant, Rs.* 50.—It is proposed to cut short the estimated expenditure of Rs. 70 by Rs. 20.

31. *Result-system Schools, Rs.* 300.—The expenditure under this head has hitherto been Rs. 250. In consideration of the numerical strength of the schools, the amount is now raised to Rs. 300.

32. *Municipal Inspectors, Rs.* 72.—It is now proposed to give an extra pay of Rs. 6 per mensem to one of the teachers of the local middle school for this work. Contingencies, Rs. 12, previously provided for this office, is now done away with, as by the arrangements now proposed the inspecting schoolmaster will always be at Casba and incur no postal charges and as he can obtain the necessary stationery from the municipal office.

33. *Grant III, Sanitation and Medical—(a) Hospital Establishment, Rs.* 2,436; (*b*) *Medicines, Rs.* 360; (*c*) *Diet of Patients, Rs.* 360; (*d*) *Contingencies, Rs.* 140.—The figures represent the present expenditure on account of the local hospital. No reductions are proposed as the district board has agreed to bear half the cost.

34. *Contribution to Provincial Funds*—(i) *Medical College, Rs.* 25; (ii) *Sanitary Inspection, Rs.* 50; (iii) *Medical Reserve Staff, Rs.* 10.—These call for no remarks.

35. *Vaccination—Establishment, Rs.* 84; *Contingencies, Rs.* 100.—A vaccinator on Rs. 7 per mensem is proposed and the contingencies are for supply of lymph, &c.

36. *Registration of Births and Deaths—Establishment, Rs.* 120; *Contingencies, Rs.* 20.—A registrar of births and deaths on Rs. 10 a month is proposed.

37. *Conservancy and Road-cleaning, &c., Rs.* 1,608.—This provides for a nuisance inspector on Rs. 15, a maistry on Rs. 10, and twenty-five sweepers and toties costing Rs. 109 in all a month, as detailed in the accompanying list of permanent establishments proposed. The present proposal involves an increase in the staff of one inspector and ten menial servants over that entertained hitherto by the union panchayat. This increase is quite necessary as the town lies scattered and the late union establishment took two days to attend once to the work of the whole town.

38. *Conservancy—Other Charges, Rs.* 600.—The union had four rubbish carts, two of which were drawn by bulls and two were hand-drawn. It is now proposed to purchase one more cart to be hand-drawn and to provide the other four carts with bulls. The number of dust-bins has also to be increased. Details for the provision made are as follow:—

	Rs.
Bullock hire for four carts	480
Cost of dust-bins and one cart	120
Total ..	600

39. *Private Scavenging, Rs.* 72.—This constitutes the pay of one male toti at Rs. 6 per mensem.

40. *Cholera Charges, Rs.* 50.—The amount previously provided under this head was Rs. 100. This is now reduced to Rs. 50 as cholera does not generally prevail in this town except during the time of the Kartigai festival, when special sanitary charges are incurred under the head of fairs and festivals.

41. *Contingencies, Rs.* 80.—This is intended for the repair of sanitary carts and for greasing and tarring them.

42. *Removing Prickly-pear, Rs.* 20.—This provision is necessary for some years.

43. *Festival Charges, Rs.* 2,500.—This is a fair estimate of the charges that would be incurred year by year during the Kartigai festival, and no reduction can be made therein. The amount herein provided is much less than what was actually expended last year on this account.

44. *Grant IV, Lighting and Miscellaneous—Lighting—Establishment, Rs.* 144; *Contingencies, Rs.* 700.—Eighty-one lanterns are now lit in the town and seventy-five lanterns without posts are in stock. The cost of continuing the eighty-one lanterns comes to about Rs. 400 only. It is intended to devote the extra provision now made to purchase and put up about thirty lamp-posts and to light them this year, deferring till next year the supply of posts for the remaining lamps.

45. *Travellers' Bungalow—Establishment, Rs.* 108; *Contingencies, Rs.* 20.—A maty and a sweeper are attached to the bungalow.

46. *Destruction of Wild Animals and Snakes, Rs.* 25.—Rewards for killing stray dogs and snakes are shown here.

47. *Printing, Rs.* 400.—This amount is likely to be required for printing all the registers, forms, proceedings, &c., of the office and includes contribution due to Government Press for the work done by it.

48. *Office Establishment, Rs.* 804.—This provides for a manager on Rs. 30, an accountant on Rs. 14, an attender on Rs. 7, two peons on Rs 6 each, and a masalji on Rs. 4. The increase here made is to provide for an office manager on Rs. 30 instead of one on Rs. 20 as already proposed, as it is very doubtful whether a competent person could be obtained for less.

49. *Collection Establishment, Rs.* 192.—Two bill collectors on Rs. 8 each are proposed.

50. *Purchase of Account Books, Cash-chest, &c., Rs.* 80.—This calls for no remarks.

51. *Collection of Tolls—Establishment, Rs.* 1,020.—Five toll-gates at a cost of Rs. 204 as detailed below are now provided, instead of six at a cost of Rs. 216 as originally proposed:—

	Rs.
Gate-keeper at Rs. 7	84
Two peons at Rs. 5 each	120
Total ..	204

52. *Tolls Contingencies, Rs.* 300.—This represents the cost of erecting toll-sheds and bars, putting up notice boards, and lighting charges.

53. *Office Contingencies, Rs.* 200.—This includes office rent not exceeding Rs. 6 per mensem and charges on account of postage, stationery and other contingencies.

54. *Contribution for Central Office and Audit Establishments, Rs.* 60.—No remarks.

55. In deference to the remarks of Government that the expenditure under the several heads, and especially that under education, are high, I have endeavoured as far as possible to carry out the wishes of Government consistent with the efficiency of the administration. The net charges on account of education have, after careful consideration, been reduced by curtailing the pay of the teachers of the local middle school as also by the enhancement of the rate of the school fees now in force therein. The other items have also been so disposed of as to leave a total balance of Rs. 9,749, and a net surplus of current receipts over expenditure by Rs. 6,959. Dr. King's important scheme for the permanent improvement of the Tiruvannámalai drinking-water supply, about which he spoke to Mr. Stuart and also to me during the last Kartigai, will cost nearly a lakh of rupees, and I am anxious to save every year some substantial balance for making up that large amount to be expended towards the said scheme ultimately.

Forwarded

24th April 1896. (Signed) G. W. DANCE,
Ag. Collector.

ORDER—No. 897 M., dated 27th May 1896.

The following abstract shows the estimated receipts and charges of the Tiruvannámalai Municipality for 1896–97, as passed by Government :—

	Budget Estimate, 1896-97.
RECEIPTS.	RS.
Tax on Arts	1,350
Tax on Buildings and Lands	2,750
Tax on Vehicles and Animals	1,470
Tax on Carts	880
Tolls	10,000
Rent of Lands, Buildings, &c., and Sale-proceeds of Lands, &c.	430
Conservancy Receipts	150
Fees and Revenue from Educational Institutions	1,000
Income from Markets and Slaughter-houses	1,250
License Fees	300
Other Fees	650
Fines under Municipal and other Acts	250
Grants and Contributions from Local Boards	2,680
Do. from other bodies	210
Recoveries for services to private individuals	100
Total ..	23,470
CHARGES.	
Grant I—	
New works—	
Buildings	500
Repairs—	
Communications	4,340
Buildings	120
Water-supply	550
Tools and Plant and other Stores	20
Total ..	5,530
Grant II—	
Municipal Schools—	
(*a*) On the Salary System	1,160
(*b*) On the Salary Result System	330
Result Grants	300
Inspection	70
Total ..	1,860
Grant III—	
Hospitals and Dispensaries	2,850
Vaccination	180
Registration of Births and Deaths	140
Conservancy, Road-cleaning and Road-watering	4,930
Total ..	8,100
Grant IV—	
Lighting	840
Travellers' Bungalows	130
Public Garden, Survey of Land, Fire and other Charges	430
Total ..	1,400

	Budget Estimate, 1896-97.
CHARGES—*cont.*	RS.
Grant V—	
Supervision and Management	2,590
Balance	3,990
Grand Total ..	23,470

2. *Receipts.*—The opening balance of Rs. 2,790 will be struck out, as it is the closing balance at the disposal of the Union Panchayat, which ceased to exist on the 1st April 1896, and will accordingly be merged in taluk funds. The receipts for the current year are estimated at Rs. 23,440. The levy, at the rates specified, of the taxes and tolls referred to in paragraph 4, and of the license fees proposed in paragraph 13, of the Chairman's letter is sanctioned. Under section 119 of the District Municipalities Act the sanction of Government is required for the exemption of the Paraiya school from payment of fees. The necessary application should be submitted through the Director of Public Instruction. The estimate under contribution from Local Boards on account of the Municipal hospital will be raised from Rs. 1,405 to Rs. 1,425, or Rs. 1,430 in round numbers, the latter amount representing half the estimated net cost of the hospital. A sum of Rs. 200 is also expected from the temple authorities towards the cost of sanitary arrangements during the Kartigai festival. Considering the income derived by them from the annual influx of pilgrims, the Government is of opinion that they should contribute a larger share of the expenses connected with this festival, and the temple trustees should accordingly be asked whether they are willing to contribute one-fourth or more of the total cost. The proposal to levy fees for the private scavenging service at 3 per cent. of the rent value of the buildings does not commend itself to Government, as it would press hardly on the better class of houses. It would be fairer to make the charge proportionate to the number of inhabitants of each house.

3. *Charges.*—(1) The probable charges are entered as Rs. 16,480.

(2) *Grant I.*—The allotment for communications, which is Rs. 1,200, or only 13·8 per cent. of the net municipal income from tolls against the minimum of 50 per cent. prescribed by Government, is clearly inadequate and will accordingly be raised to Rs. 4,340.

(3) *Grants II, III and V.*—The estimates under Education, Medical Services, and Sanitation will be passed subject to the remarks of the Director of Public Instruction, the Surgeon-General and the Sanitary Commissioner. The contribution of Rs. 85 for Medical College, Sanitary Inspection and Medical Reserve staff and of Rs. 60 for the Central office establishments will be struck out, as nothing need be paid on these accounts in the current year.

4. The entertainment of the establishments detailed in statement II-B is sanctioned.

5. The budget, as revised by Government, closes with a balance of Rs. 3,990 or 17·0 per cent. of the estimated receipts.

(True Extract.)

J. F. PRICE,
Chief Secretary.
