Municipal Council
CURRENT No. 1164 m

To

The Honorable The Chief Secretary

to the Government of Fort Saint George,

Madras,

(Local and Municipal Department.)

Through the Head Assistant Collector and the Collector of Tanjore.

SIR,

I have the honor to
submit the marginally noted papers
proceedings of a meeting of the
Subscribers to the Jubilee Fund
dated 30th January 1898. Enclosure A.
Resolution of this Council dated
8th February 1898 Enclosure B.
do of this Council dated 19th
March 1898. Enclosure C.
From them it will be seen
that Subscribers
to the Jubilee
Fund have placed at the disposal
of this Council Rs 1532. 8. 8 being the
balance of the Jubilee Collections
with a request that it should be suppl-
mented by a Municipal grant and
utilized in the erection of a Public
Reading Room. The Subscribers
have proposed that the building

1164 m 98

Should be called the Jubilee
Reading Room in honor of Her
Imperial Majesty's Jubilee and
have consented to its being
vested in the Council as its property.
The Council has accepted the offer
and the amount has been received
and credited to Municipal funds.
It has sanctioned a grant of
Rs 1100 from its general balance.
The estimated total cost is Rs 2,600.
As the building is proposed to
be erected on the Jubilee grounds,
it will be open for public use
subject to such rules as may be
adopted by the Council from
time to time. This town is sadly
in want of a public place, and
the proposed building, humble
as it is, will make a fair beginning
in the direction of supplying the
want. Further the Council
that no further time shall

10
lost in erecting some permanent
Memorial of the Jubilee; and the
Subscribers have not been able
to do any thing in the matter
without some aid from the Council.
2- I request that government
will be pleased to accord its
Sanction for the allotment
from general balance, of
Rs 1100, for the purpose mentioned
above.

FOR ORDERS.

I think the purpose is
mean while it is quite
allowable to spend small
money & w. sanction the
proposal

22/5/96

As to whether the Municipal
Council's proposal may be sanctioned.
It is doubtful if Municipal
funds may be spent on the construction
of a public reading room.
(vide S. 113 of Act IV of 1884). This
P.O. submitted that the construction
of this building would come under
S. 113 (iii) diffusion of education, or
(iv) measure of public utility
calculated to promote the comfort of
the people, & that therefore the
allotment may be sanctioned.

18.5.96 I like the Office, and rather
doubtful about this but perhaps

it would be a very fresh sketch
tread the law as the Act does.
I myself would sanction the
expenditure but the may think

otherwise. The budget of the
