No 195.

Municipal Office, Rajahmundry

Dated 23. 4. 94.

From,

MR. N. Jala Durgaprasadarao de garru B.A.
Chairman, Municipal Council
Rajahmundry.

To, The Collector, Godavery
Through the Divisional Officer.

Sir,

With reference to your No. 160. dated
22.1.94 on Government endorsement No. 22.
of 19.1.94 referring for report, a petition
presented by Mr. H. V. Somayajulu protesting
against the alienation by sale of a certain
site, I have the honor to submit the
following report.

From the enclosed sketch it will be
seen that the site in question which is about
136 square yards, is in front of the house
of Row Bahadur Reddam Suryarao Naidu
garru and is separated from the road
by

by a deep drain. The gate and the windows
belonging to Mr Suryarow hoide open
into it, and he has undisputedly a right
of way over it. It is low, and the sale
of it causes no inconvenience to the public.
Mr Suryarow hoide applied ^{for permission} to construct
a verandah over this site free of cost
on the 8th December 1888 and 7th January
1889. These petitions were referred to the
2 ward Councillors for their opinion. One
of them was of opinion that the site
might be sold to him and the other
Councillor was of opinion that the site
was vested in the Government and that
"he believed we have no power to give it
to the residents of the town without pre-
viously obtaining the sanction of the Govt."
Thereon the Council passed its resolution
dated 28-8-89 that the site could not
be granted, the Council being then
evidently under the impression that the

site belonged to Government and not
to the Municipality.

Then Mr Suryarow hoide in August
1893 presented a petition to the Sub-Collector
for grant of the site in front of his house,
and the Sub-Collector referred it to the
Council for its opinion whether a grant
might be made of it.

The Council after considering the petition
of Mr Somayajulu protesting against the grant
of it, and its previous resolution, was of
opinion that it had no objection, on general
grounds, to grant the site in question, but that
the site belonged to the Municipality being
a part of the street as defined by the Muni-
cipal Act, and that it would pass orders
on an application made to it for the grant
of the site specifying the purpose for which
it was required.

Subsequently Mr Suryarow hoide applied
to the Municipality for the site stating that
his

his object was to construct pials, a veranda over them 2 yards wide and to raise the land which is low, and plant a few trees on it. The Council considered this application along with another objection petition put in by Mr Somayajulu and resolved to sell the site to Mr Suryarow hoids at Rs 1 a yard (which is the market price) subject to the sanction of the Government, for the aforesaid purposes mentioned by Mr Suryarow hoids in his petition.

Mr Somayajulu anticipated the Council's action in placing the matter before the Government by presenting the petition under reply to Government. From what has been submitted above it will be seen, that the previous resolution which Mr Somayajulu speaks of, was with reference to a request to permit building upon the ground free of cost and permission was refused as the Council ^(thought) ~~that~~ as then advised, that the site

site did not belong to the Municipality.

As above mentioned Mr Suryarow hoids has a better claim to the site ^{than} ~~than~~ any one else having a right of way over it and the alienation of it for the purposes mentioned by him in his petition does not cause any inconvenience to the public.

There is a lane separating it from the front yard of Mr K. V. Somayajulu and any objection to the sale of the site to Mr Suryarow hoids comes with a very bad grace from him, in as much as the ground (colored saffron) in front of his house up to even the road side drain wall is in his own occupation. Mr Suryarow hoids intends to drop a veranda only 2 yards wide from his wall, which would then make his house nearly in a line with Mr Somayajulu's house (as marked in the plan in red dots) and the remaining site will be left open with flower pots and trees planted on it. Such an arrangement will

will put the place in order and cannot shut out
the breeze from his front yards as Mr
Somayajulu apprehends. The Council see
no objection to the grant of the site for value
to Mr Suryarow koids and find neither force
nor reason in the objections raised by Mr
Somayajulu to allow Roa Bahadur Mr
Suryarow koids to do, what he has himself
been able to do in front of his house.

CURRENT NO. 1434

To

The Chief Secretary to Government

Local & Municipal Department

MADRAS.

Through the Sub-Collector Godavery.

Sir,

With reference to G.O. No 131 M. Inis
28.1.96.
refusing to interfere in the matter of
Mr. R. V. Somayajulu's complaint
as regards the proposed sale of a certain
site to Mr. Roa Bahadur R. Suryarow
koids gam, communicated to me on the
11th March 1896, I have the honor to
request that you will be pleased to
obtain the sanction of Government for
the sale of the said site. The present
order of Government under reference
over-rides the objections of Mr. R. V.
Somayajulu gam to the sale of the site
by

by the Municipality but does not expressly
give permission to the Council to alienate
it. Expecting that the permission of
Government would be received in my
letter No. 195 dated 23-4-74 (Copy enclosed)
no other communication has been sent
to Government in connection with this.
I therefore request that you will be pleased
to obtain the sanction of Government
to the sale of the site marked red
as per plan enclosed at Rs 1-00 a square
yard which is the market rate there.

I have the honor to be,
Sir,

Your Most obedient servant,

W. J. A. acting as private advocate.
